Form of Bequest

HELP THE COLLEGE TO DO ITS WORK.

To persons desiring to aid in increasing the efficiency of the University in its work of preparing young men and women for usefulness, the following form of bequests is recommended:

I give and bequeath to John B. Stetson University, DeLand, Florida, the sum of _____ Dollars, for the general purposes of said University, according to the act of the Legislature incorporating the same.

Many people have helped to establish the University. Their early labors, prayers, gifts and devotion are still remembered. This work has devolved on us today. We must accept it in a spirit of self-sacrifice.

With gratitude to God we view the record of the past years of useful work. The needs of the University increase with its growth. The University will accept the small gift with thankfulness. The friends of co-education are invited to co-operate with the President. The University needs you.

The Board of Trustees has supervised investments with care and success, and will be glad to send a representative to give information to any person desiring to make gifts to help educate young men and women.

We especially ask for help on our endowments.

Published by the John B. Stetson University as frequently as four times a year, in accordance with the provisions of the Act of Congress of July 16th, 1894. Entered as second class matter at the postoffice at DeLand, Florida. Issued quarterly.
