Friend I have received thy Letter concern-
ing my son being an apprentice how
was bound to a friend in norwich which
is ded about a quarter of a year after he
went to him so I willing to have him
to a friend sent by Jack Ashton to
Tho: Crosskey for I heard how would water
now: and I have not yet had an answer
from him: I expect to hear from him
or our long be. & then I purpose to an-
swer thee more fully the boy is but young
but he is a very sharpe Lad & was
well liked wth his master this is all
from thy friend

Robert Taylor

The first thing I did was to go to the
 office and see what was going on.
 I found that the people were very
 much interested in the new
 machine and were all eager to
 see it. I showed them the
 machine and they were all
 very much pleased with it.
 I then went to the
 school and saw the
 children. They were all
 very much interested in
 the machine and were all
 eager to see it. I showed
 them the machine and they
 were all very much pleased
 with it. I then went to
 the factory and saw the
 men. They were all very
 much interested in the
 machine and were all eager
 to see it. I showed them
 the machine and they were
 all very much pleased with
 it. I then went to the
 office and saw the
 people. They were all very
 much interested in the
 machine and were all eager
 to see it. I showed them
 the machine and they were
 all very much pleased with
 it.
