DIAMOND'S HIDDEN GEMS

ABOUT ME

Hello, everyone! My name is Diamond Williams; I am a junior double-majoring in Criminal Justice and Writing & Rhetoric.

Welcome to **Diamond's Hidden Gems**, a blog series in which I introduce you to the University of Central Florida's library services that you may not know about!

Academic Engagement

The recent reopening of the third floor of the John C. Hitt Library has been long anticipated by students.

In addition to containing new seating, study rooms, and Genesis (a colorful stained glass window you can relax in front of - I highly recommend it), the third floor also contains the Academic Engagement Suite.

The Academic Engagement Suite houses librarians who are there to teach students how to use resources available through the library and provide one-on-one consultations for research assistance. If you'd like to schedule an in-person or virtual research consultation, visit the [Appointment page](#) on the Libraries' Schedule website.

For additional information or questions, please visit the Academic Engagement Suite, located in Room 330 on the third floor of the John C. Hitt Library.

If you'd like to learn more about the Academic Engagement division and its' mission, please scan the QR code (or click it to follow the link) below!
