## **UCF Rosen Library**

Depending on your major, it is possible that you may have to take classes away from the UCF main campus. As a Digital Media student, for example, once you are accepted into the program, most of your degree classes will be located at the Downtown campus. As students of these alternative campuses, you have access to their respective resources.

I intend to introduce you to each campus library. In this part, we will be discussing UCF's Rosen campus and the Universal Orlando Foundation Library.

UCF Rosen College of Hospitality Management offers students an opportunity to learn and work in the heart of hospitality. The college is committed to providing the next generation of leaders with internationally-recognized faculty, innovative academic programs, cutting-edge research, and strong industry.

The Rosen College of Hospitality Management advances research and industry expertise across hospitality, event management and tourism.

The Universal Orlando Foundation Library, known as the “Rosen Library,” serves the research needs and interests of the Rosen College’s students, staff, and faculty. The Library also serves as an information resource center for the hospitality industry in central Florida.

The Rosen Library is a branch of the UCF Libraries and offers the following services:

- Checkout of Books, DVDs, & Course Reserves
- Computers & Technology // Technology Lending
- Printing, Copying, and Scanning
- Research help
