FLAMINGO TO OFFER PRIZES TOTALING \$2,000

NO MOTORCADE IS SCHEDULED FOR WEEK-END

Students Urged to Support Team at Coming Miami Game

By a Staff Member

This week end Rollins (or rather those students who are up in their studies and who can scrape together enough money) will be Miami-bound, to witness what promises to be one of the best games of the football season, and to observe take in the sights and pleasures of that city.

Some of the juniors and seniors will remember the Miami team two years previous when the whole college turned out in mass, motorcade and all, to invade Miami for a glorious victory. Now will the native Miamians forget the incident. Bachelors, amusement parks, swimming pools, in short all the splendor and glory of the famous resort was turned over to the victors, and the visitors accepted the hospitality.

At that time it was planned to have Miami come here the following year, not only the football team, but following our example, the entire college.

For some reason this plan was not carried out, nor is there to be a motorcade here to Miami this year. The friendly, far one year, annual get-together between the two colleges is not to be carried out this week. However, by next year this may again become a reality and that plan, so admirably started, will be revived.

These wishing to go to the M. and give this year must obtain permission from their respective professors to be absent from class. If girls are planning to go they must have permission from home and must be properly chaperoned. All girls planning to go should see Dean Sprague as soon as possible. There will be no motorcade. The game will be played Friday evening.

Along with every other profession, the profession of being a college student is ever crowded, says so even an authority than the New York Times, after a survey of 47 colleges and universities.

Discussion Of Types Of Floors Takes Place In O.D.K. Sponsored Meeting

By Jean Parker

With suggestions that Jesus floors be made of tarantulas and that the Dean of Men knew all the time when students went when they wanted to dance, the first Student Body meeting of the year held for discussion purposes wound slightly off on the humorous side.

Such an atmosphere was maintained, however, as the subject of "in dance, or in the least best gardens." Under the auspices of O. D. K. plans have been advanced for the erection of a floor in Recreation Hall, making the building a meeting place for students, large enough for the entire student body and smooth enough for dancing.

At the suggestion of Daniel Wiant that the expense of the floor be met by contributions of the students of five dollars or more, the response was loud and long, though not in the way desired by the members of O. D. K. It was pointed out that the money would be deposited in the college treasury's office and would be refunded to the students if at the end of three weeks the necessary amount was not collected. But even this guarantee did not satisfy the students and it was believed that the plan would be completely foisted if such a condition was necessary.

Will Head Young Republicans

The G. O. P. campaign to elect 14,000,000 young men and women in the "Great Roosevelt" movement has an energetic and successful leader in J. Kenneth Bradley, above, 22-year-old Connecticut lawyer. Bradley recently was chosen by Chairman Henry P. Fletcher to direct the movement.

LABORATORY PLAY PLEASES AUDIENCE

Dawson and Warren Give Best Performances

By a Staff Member

The Rollins Laboratory Theatre presented its first production, on Friday, November 15, at 8:15 p. m. in Recreation Hall. An uproarious comedy was the vehicle for the actors who gave an admirable performance, to the great delight of the audience.

As a group, and individually, the actors caught the spirit of the play, and kept up the fast moving tempo throughout the three acts. A memorable moment was given by both Dawson for her performance as a charming, but utterly unscrupulous French countess, Alberto Warren, as Ambrose Post, gave a lively interpretation of a bullfight advertising agent. Peter McCann, as the staid father, and W. Varo, as the studious son, were good in their respective roles. Sidney Miller played the role of the clever secretary, and Howard Edwards, Helen Jarman, and William Francis had minor parts.

(Continued on page 2, col. 2)

Permission for Weekend Must be Obtained Today

The administration has announced that there will be no official motorcade this year to the Miami football game on Friday, November 22. As a result no blanket excuses will be issued for the trip.

However, it has been announced, students who are in good standing academically and socially will be issued special permission by the student senate.

All requests for such permission must be filed with the student senate not later than 5:00 p. m. today. Requests received after this afternoon will not be given consideration.

BUDGETS VOTED BY PRESS UNION

Accounts are Approved at Meeting Last Week

At the meeting of the Publications Union in Professor Wadley's classroom last Friday afternoon budgets were definitely set and adopted for the several undergraduate publications of the college.

The budgets approved were: For the Sandspur: \$1,593.56, for the Flamingo: \$2,550.96, for the Flamingo: \$2,550.96, and for the "R" Book: \$50.00.

Last year the Sandspur had an appropriation of \$1815, or \$233.56 more than for 1934-35. The Flamingo received \$2450 less than last year when the appropriation was \$715. The Tomoka is the only publication to get a larger appropriation this year than last, the difference being \$200.00 more than the \$2300 appropriated last year. There was no "R" Book published in 1934-35.

After the several organizations had received their allotments of the \$2200 fund allowed for undergraduate publications, discussion was held as to the proceeds of the advertising revenue from the new building program of the college. It was unanimously decided to allow the Tomoka the lion's share of the profit from this source when it was voted to give the year book 80% of these funds regardless of whether the Tomoka carried the copy or not. Twenty per cent goes to the Sandspur and the lion's share to the Flamingo.

John Hills presented the details of the prize contest for preparatory and high schools which the Flamingo is to run and these plans were unanimously approved in general, any minor adjustments to be left to the discretion of the Flamingo staff.

In regard to the prize contest for the local stories for the Flamingo the matter was left to the magazine staff with the understanding that the maximum prize to be offered would not exceed \$25 for a single story. Hills announced that this could not be determined until after the finances were arranged in more detail.

Cetrulo, Brennen Freshman Leaders

Don Cetrulo was elected President of the Freshman Class in the election held on Monday, Nov. 11. By agreement of the class the vice-presidency and the secretaryship were limited to girls. Ariene Brennen and Alice Barth were chosen for those offices of the new class. Jack Deever was elected Treasurer.

The list of candidates follows: For President: Cetrulo, Makens and Wakefield; for Vice President: Brennen, Hill, Bigelow, and Whyte; for Secretary: Booth, Pilsbain, and Whitely; for Treasurer: Deever, Smith, Gibbons, and Webb.

Campaign Smile?

During the coming presidential campaign, you'll probably see this photograph frequently. Friends and allies of President Roosevelt liked it so much that it will undoubtedly be reproduced profusely during the next year. It shows Mr. Roosevelt, brooding, happy, and refreshed after his recent vacation.

CONTRACT GIVEN TO LOWEST BIDDER

Mr. Cone to Start Dormitories in Near Future

Harry C. Cone of Winter Park has been awarded the contract to construct five new dormitories at Rollins college at an aggregate cost of \$231,000, the executive committee of the board of trustees announced Saturday afternoon.

The decision in favor of Cone was made after Pres. Hamilton Holt and Treas. E. T. Brown of the college and Trustee William B. O'Neal conferred in Jacksonville Saturday morning with state officials of the PWA.

Mr. Cone's bid was the lowest of those submitted on Nov. 3. G. W. Reeder, Inc., Jacksonville, the firm which built the Keweenaw Memorial chapel, the Annie Russell Theatre and Pugsley and Mayflower halls, residents for women, submitted a bid of \$234,599. The Frank A. O'Hara company, Inc., of New York bid \$248,000.

Mr. Cone has been a resident of Winter Park for six years and has been the contractor for several of the most beautiful homes in the city. He built the A. P. McAllister residence at 140 Alexander Place; the E. B. Barbour home, the W. M. Scott home, and Mrs. George L. Noyes' home, all an interlarch Avenue; and the home of Mrs. Maud Sanders on Georgia Avenue, among others.

According to the terms of the Contract on page 2, col. 2)

SCHOLARSHIPS AND CASH TO BE GIVEN FOR BEST STORIES

First Short Story Contest In History Of Magazine Is Announced In Detail In Issue Published This Week

Prizes totaling \$2,000 in cash and scholarships will be paid to students in secondary schools for the best original short story submitted to the editors of the Rollins College Flamingo. It was announced last week.

RULES ADOPTED FOR RADIO HOUR

Rollins Radio Committee Makes Resolutions

In order that Rollins College may present Radio programs over WDBO comparing favorably with presentations of other representative educational institutions, the following resolutions were recently adopted:

1. Every program shall be made out in full at least one month in advance of the time of presentation.
2. Said programs shall not be over 15 minutes.
3. The names of the respective participants and the numbers they will sing, play or read.
4. The names of composers.
5. The speakers name and the subject upon which he will talk.
6. At least one rehearsal is required.
7. Speakers shall be allowed 14 minutes—1 minute being occupied in opening and closing announcements.
8. Nature of programs will be placed in College Calendar every week. Publicity manager will advertise programs as often as possible.
9. It is the conviction of this committee that it is a good Radio speaker, one must, of necessity, be a good oral reader and that, therefore, manuscripts must be complete in order to exclude speaking of an extempore nature.

The final resolution was the suggestion that the programs be timely, that is, whatever may be the subject, apply it to life as it is today.

The foregoing resolutions were adopted by the Radio Committee on November 6, 1935. On the Radio Committee are: Mr. Ralph Clark, Mr. Bruce Doughterty, Miss Clara Butler, Miss Helen Moore, Mr. John Doe, Mr. Donald Biddle and Professor H. B. Pierce, Chairman.

The conditions of the contest, given in detail in the first issue of the Flamingo, college literary magazine, state that the competition is open to students in high schools and secondary schools in the United States.

The first prize will be a cash award of \$200, with a literary scholarship valued at \$200. The second prize will be a literary scholarship valued at \$100, and the third prize, a literary scholarship valued at \$50.

The four stories ranking next highest will be awarded "Honorable Mentions". John C. Billa, editor of the Flamingo, is in charge of the contest. The announcement states that "all manuscripts must be submitted to the principal or headmaster of the local school who, with a committee appointed by himself, will select the best stories to represent the school. The stories must reach John Billa, Winter Park, Florida, not later than April 1, 1936."

"Announcement of the schools and students winning prizes will be made in the May issue of the Flamingo. The story winning the first prize will be published in the May, 1936, issue."

The national short story contest is the first of several changes which have been planned for the Flamingo. According to John Billa these improvements have been made possible by the increase in size of the magazine and of the revenue obtained from advertising. The Flamingo issued this week carries more advertising than has any other issue in the ten year history of the publication.

No content of this nature has (Continued on page 2, col. 1)

REV. V. CHICOINE TO GIVE ADDRESS

"The Darkened Brow" Topic for Chapel This Sunday

The guest speaker in the Knowles Memorial Chapel Sunday, November 24, will be the Reverend Victor B. Chicoine, pastor of the Congregational church of Winter Park, Florida.

The subject of the sermon will be "The Darkened Brow". Rev. Chicoine delivered an address in the Chapel in the fall of last year. He was received so enthusiastically that the Chapel Committee in charge has been anxious that he speak again before the Rollins audience. The program Sunday promises to be one of the most vital and interesting of the year.

Rev. Chicoine was born in Cambridge, Mass., and received his education at Boston University and at Boston Divinity School. He has had successful pastorates at Lynn, Mass., and at Lyndville, Vt. Lyndville is the home of one of the oldest New England academies, and Dr. Chicoine has had an unusually large number of young people connected with his church. He has preached before many college and university audiences, and is a frequent contributor to several important magazines.

His stirring sermons were especially notable for the sincerity of their message, their direct and courageous presentation of a personal gospel, and his application to the world of today.

CALENDAR FOR COMING WEEK

- WEDNESDAY, NOVEMBER 20
- 10:15 a. m. Assembly in the Annie Russell Theatre presented by the Conservatory of Music
  - 5:00 p. m. Organ Vespers
  - 8:45 p. m. O. D. K. dinner
  - 9:15 p. m. Studio Club meeting
- THURSDAY, NOVEMBER 21
- 1:20 p. m. Meeting of the Senior Class in the Chemistry Lecture Room in Knowles Hall
  - 4:45 p. m. Key Society dinner in Beasley
  - 4:50 p. m. Touch Football—Theta Kappa Nu vs. Eho Lambda Nu
  - 8:00 p. m. Touch Football—X Club vs. Phi Delta Theta
  - 8:00 p. m. Basketball—Kappa Kappa Gamma vs. Cleverhead
  - 8:00 p. m. Gamma Phi Beta vs. Independent
  - 8:15 p. m. French Club meeting at Mrs. Bowman's home
- FRIDAY, NOVEMBER 22
- 8:00 p. m. Football game with the University of Miami at Miami
- SUNDAY, NOVEMBER 23
- 9:45 a. m. Morning Meditation in Knowles Memorial Chapel
  - Rev. Victor B. Chicoine, speaker.
  - 4:15 p. m. Kappa Alpha Theta open house and tea
  - 7:30 p. m. Student Forum in Frances Chapel led by Dr. Stone
- TUESDAY, NOVEMBER 24
- 4:45 p. m. Touch Football—X Club vs. Theta Kappa Nu
  - Class Hall vs. Eho Lambda Nu
  - 4:45 p. m. Basketball—Kappa Kappa Gamma vs. Phi Beta Phi
  - Independent vs. Cleverhead
- WEDNESDAY, NOVEMBER 27
- 10:15 a. m. Thanksgiving Assembly, Knowles Memorial Chapel

## Kents' Greenland Appeals To Critic Of "Salamina"

By a Staff Member

First of all this is not a travel book, but the long-anticipated book by one of America's most distinguished artists. Rockwell Kent has always impressed me as being strikingly like William Blake in his mind and art. This impression was correct, I discovered, when several summers ago I asked one of Kent's daughters if her father was much under Blake's influence. She replied that he was and had read and kept on hand Blake's works.

I suppose no one has brought Greenland so vividly to us as Kent. He makes us all want to go there. And in this volume he continues to make the life and the country living. He achieves this through his mode of writing, which is not to be sensational or to distort facts beyond their true proportion.

Rockwell Kent's Greenland home is in one of the most inaccessible parts, being on an island fifty miles from the nearest village of any size. It is here he stayed through the winter and wrote and observed. He lived the simple life of the natives and writes about them not as a scientist, coldly analyzing, but as a human being really enjoying the primitiveness of the Greenland existence. For the life is primitive, and he shares the dangers and pleasures with the natives. His pictures, both in prose and line, are ably drawn of the natives and his remarkable housekeeper Salamina, a widow who brought her two children with her when she came to manage his house.

We enjoy this simple life to portray because there is still some of the primitive in us. The complete superficiality of our life we would gladly dispense with for a genuine life like that of the natives of Greenland, lived as it is in peace and quiet and amid the blue skies, the snows, and black rocks and the glorious, golden sunlight.

The prizes of the contest are as follows: First prize, \$100 plus a week's stay and entertainment provided by the Beckman Tower Hotel, headquarters of the Panhellenic House Association; or transportation to and from New York plus a week's stay and entertainment provided by the Beckman Tower. Second prize, \$25 plus a week's stay and entertainment provided by the Beckman Tower. Third prize, \$15 plus a week-end stay.

To give recognition to the college students submitting the essays which do not win first, second or third prize, it is planned to announce an honorable mention award to not less than 15 students.

## Organ Vespers For Wednesday Planned

The program for organ vespers to be played in Knevals Memorial Chapel at 3:30 P. M. today follows:

1. Choral No. II (B major)—Franch.

2. Pastoral "Pan"—Godard.

3. To the Evening Star (from "Tannhauser")—Wagner.

4. Solo.

5. Overture, Morning, Noon and Night in Vienna—von Suppe.

## Sage of Potato Hill in South

Not as chipper, perhaps, as he was in his younger days, and with state growing disease, Ed Hens, 51, former Abilene, Kan., editor whose chameleon with legs in the past was his title, "Rags of Potato Hill," continues to enjoy life. Here he is pictured after arrival at Miami, Fla., where he will spend the winter months.

## "Voice of Youth" Will Be Published Under Miss V. Ilma

"The Voice of Youth," an eight-page news letter which aims to be edited, written, and published by youth, is to be published soon by a group of "right young people" headed by Miss V. Ilma. Miss Ilma started the Youth Congress. The first meeting was wrecked by Communists in New York. The Communists have at present the only well-organized youth groups in the country.

Miss Ilma has been associated with the National Municipal League for a number of years. Together, they are trying to build up an "unorganized youth movement." This paper is not going to be a voice for Communism, but a news letter, trying to fill the crying demand for those who are to hear the voice of youth and should be of vital importance to all students here at Rollins who are interested in seeing world cooperation among youth.

## All Entering Students To Take Test Thursday

The Psychological Tests sponsored by the American Council on Education will be given to all entering students, during session period on Thursday morning, November 21, in Knowles Hall.

Exact assignments will be announced by the office. No excuses will be accepted as these tests are required of all entering students.

## Radical Changes Suggested for Key Society's '36 Plans

Plans for the coming year and an outline of policy were offered by the Rollins Key Society, meeting last Wednesday evening in the College Commons.

Dr. Hamilton Holt, Dean Winslow S. Anderson, Professors Watson and Weinberg were present at the bi-weekly dinner and took part in the discussion that followed.

Professor Weinberg, who was instrumental in founding the Key Society, spoke of its early history and read sections of the original constitution. The Key Society was originally an scholastic group, but fulfilled the duties of an activities organization.

Due to the presence of O. D. K. and Libra on campus now, the suggestion was brought forward that Key become a purely scholastic honorary. No decision was reached. The Constitution is under process of revision, and the proposed changes will be presented to the group at the next meeting.

## THE Inquiring Reporter

(Each week the Inquiring Reporter will ask representative students their opinions on pertinent questions.)

### What do you think of the Sandspur?

Seymour Ballard—I honestly think the Sandspur is a good paper, and just as honestly, feel that it could be better.

William Twitchell—The Sandspur can hold its own among the college papers of the country, but its a shame that the front page has to be cut up the way it is, just for the sake of a columnist repeating week old news.

H. P. Abbott—The Sandspur should win its conference title.

Fred Weiss—The Sandspur, in my estimation, is one of the finest papers of its type I have ever seen. It has news that is vital to every student, and has the type the students are interested in.

David Roche—Viewing the Sandspur purely from an observer's standpoint of view, I would say that the news is usually fresh and interesting. The addition of the NEA service gives the paper a cosmopolitan atmosphere. However, there is much room for improvement in make-up and head writing.

### Next Week's Question: What do you think of the Rollins "plan"?

(Submitted by Dick Turk)

## Collection of Silk Panels to Be Shown At Rollins Studio

A collection of silk panels loaned by Mrs. David M. Milton of New York and Blowing Rock, North Carolina, is now on exhibition at the Art Studio. Examples of both old and modern Chinese painting on silk are shown, as well as a few Japanese panels. The interest of Mrs. Jean Jacques Prieur in this collection made it possible for the

Art Department to show it at this time.

The exhibition will be open to visitors from 2 to 6 P. M. with the exception of Saturday and Sunday.

### Kappa Honor Field Secretary at Tea on Sunday Afternoon

The Delta Epsilon Chapter of Kappa Kappa Gamma entertained faculty, with a tea honoring Miss Eileen Healy, field secretary of the society. The decorations were carried out in the society colors. During the afternoon tea, sandwiches and cakes were served.

Miss Healy arrived in Winter Park Saturday evening, and plans to stay till the middle of the week. She is residing at the Kappa Kappa Gamma house.

### Winners of Weekly Contest Announced

Winners in last week's Sandspur contest were A. J. Pendleton, Richard H. Lee, Mary G. Buchanan, Donald V. Murray, and Eulie R. Cass.

Advertising commission William F. Wheeler has announced that all advertisements must be turned in by Saturday of the week of publication. Unless they are presented by that time no space will be issued to winners.

### Benefit Shop Will Give Tea on Opening

The Winter Park Benefit Shop will officially open the winter season.

### DUKE UNIVERSITY SCHOOL OF MEDICINE

Four terms of eleven weeks are given each year. Those who take consecutive graduation in three years or three terms may be taken each year graduation in three years. This entrance requirement is intelligence, character and at least two years of college work. Inquiries, A. Medical Director, Columbia and application forms may be obtained from the Duke.

### VERSIFIED VIEWPOINTS

The latest impression in the college regulations is the killing of the student wireless communications:—  
"No student may receive and read a telegram in class. Unless of course the message is too urgent to let pass. All telegrams and whatnots will be sent to dormitories. To be treated there as general mail of other categories." Now, first of all, this dictum seems to utterly destroy the pleasantness retained by the Western Union boy. What shall we do? How shall we act? What other way is known to halt the abolition of our dear Professor's drone? What substitute is offered for this welcome intervention? Must we really spend the full two hours sitting at attention? However, this point fades away to utter unimportance. When finding out just who it is attending to the audience. Just who decides, and when, and how, the urgency of telegrams. Or is that taken care of by some geometric diagrams? Would "Come home quick it's a nice second babe" Or, "Heaven, I've shot Uncle Abe" Or "Sell me a thousand American Gas" Be urgent enough to disturb a class? In conclusion let us formulate our only legal will. Has anyone the right to open anybody's mail? Has anyone authority to upset the status quo? The answer, gentle reader, is a most emphatic NO.

We've pointed out the issue, we've shown you the road; If results are not forthcoming, we shall no further go; Why should we worry—all our wires are in code!

### Interesting Plans Made for Meeting Of the French Club

The first meeting of the French Club will be held Thursday evening at the home of Madame Bowman on Sylvan Boulevard. Marion Eldredge will act as chairman. Officers will be elected. A brief French play will be given by the members of Madame Bowman's seminar class.

Students interested in hearing members of the French club should see Madame Bowman immediately. This year the club will be composed of people who can converse in French and understand it. Members will be taken in throughout the year.

# SOCIAL HIGHLIGHTS

### SYMPHONY PLANS WINTER SEASON

Tenth Year of Orchestra to Start December 16

The Symphony Orchestra of Central Florida is entering the tenth season. It has been increased for several weeks under its leader, Harve Clemens. It is one of the few orchestras in the South which has complete instrumentation, and is considered the most important orchestra south of Atlanta.

The instrumentation of an orchestra consists in the woodwind section: two flutes, two oboes, two clarinets, two basses, four French horns, two trumpets, three trombones, one tuba, symphonie and other percussion; in the string quartette there are between twenty and thirty violins, eight violas, six to eight celli and four to six contrabasses.

Most symphonic scores are written for an orchestra of complete instrumentation although some modern works require more woodwinds. Since the founding of the Symphony Orchestra of Central Florida, it has played the standard symphonic works, presenting novelties from time to time.

This year there are to be five concerts. They will be held on Thursday nights. The first concert is scheduled for Thursday evening, December 12.

### Phi Beta Hostesses At a Supper Party Last Sunday Night

Phi Beta fraternally entertained at a supper party last Sunday night at Orongetwood, the home of Mrs. George Warner, honoring its patrons and patronesses.

A buffet supper was served from the dining room table which was decorated with flowers and lighted tapers.

After dinner all the guests were seated in the living room and played Charades most of the evening. At the close of the game a few of the group took part in an impromptu improvisation.

Phi Beta is a national honorary fraternity for women.

### Meeting of Studio Club Held Last Week

The last meeting of the Rollins Studio Club was held at the Choclate Shop, Wednesday, November 13. There was an interesting discussion on modern American artists and their work. Grant Wood, Burchfield, and Albert Ryder were mentioned in particular. Professor Rags attended the meeting for the first time. He gave an interesting turn to the conversation.

The next meeting will be on Wednesday, November 20, at the same place.

### Open House, Buffet Supper, and Teas, Features of Week

By LEAH JEANNE BARTLETT

This week we have news of three new pledges in the sorority group. Alpha Phi announces the pledging of Cheryl Prideman of Boston, Massachusetts.

Phi Mu has been quite active this past week in a social way. Last Wednesday night the chapter was entertained by Mrs. Belser. Thursday the new promises were honored with a small house party. Outside guests were: Priscilla Eweloth, Virginia Blidie, Lois Graham and a number of Phi Mu alumnae.

Mrs. John E. Redwine, District President of Phi Mu from Gainesville, Georgia has been visiting the chapter. Sunday afternoon, November 17, the chapter honored her with a formal tea which was held at the house. Mrs. Robert Ford and Mrs. E. T. Brown presided. The invited guests were Phi Mu sponsors, alumnae, and representatives from other sorority groups.

After the pledging service Sunday evening the Phi Mu pledges were honored by a dinner held for them at Paula's Restaurant.

Gamma Phi Delta announces with pleasure the initiation of Jean Astrop, on November 17, 1935. After the ceremony, a buffet supper was given in her honor by the active members.

The Alpha Phi actives and pledges had a creek dinner at their chapter house, Tuesday night November 18.

The past week-end the University of Florida celebrated its annual Fall Festival. Many Rollins students were seen there—some of those attending were: Jack Shein, Florence Kelley, Opal Peters, Harriet Ross, Ruth Scott, Howard Shovalter, Simpson Penney, John Bullock and Leah Bartlett.

Louise MacPherson spent the past week-end in Jacksonville with her parents.

Mrs. Gordon Spence spent Thursday night at the Kappa Alpha Theta house.

### Rollins Women's Association Gives Faculty a Picnic

The Rollins Women's Association entertained the entire faculty and staff, with their families, Tuesday evening, November 12, at a big picnic held on the shore of Lake Killarney at Professor Bradley's home.

There were about two hundred guests present, all of whom were amply provided with delicious picnic food which was furnished by the association.

There was a full moon and the party set around an enormous bonfire during the evening's entertainment.

Those taking part in the program work were Mr. Porco, guitar, Mr. Rags, harmonica, and Dr. Holt with his flute, all three of whom contributed greatly to the guests' enjoyment. Miss Haggopian, Bess Daugherty, Marjorie Holmes and Marjorie Weber led the singing. Stories were told by: Dr. Holt, Mr. Francis, Mr. Fieldman, Mr. Rags, Mr. Foster, Mr. Trumbull, Marjorie Holmes, Fleetwood Peoples, Stuart Haggerty and Mrs. Bullock.

### Rollins Hall Holds Open House on Saturday Evening

Rollins Hall entertained at an open house last Saturday night. Binger Wester's orchestra was featured. The living room was cleared for dancing, which lasted from 9 to 12 p. m. Punch, sandwiches and cookies were served in the dining room.

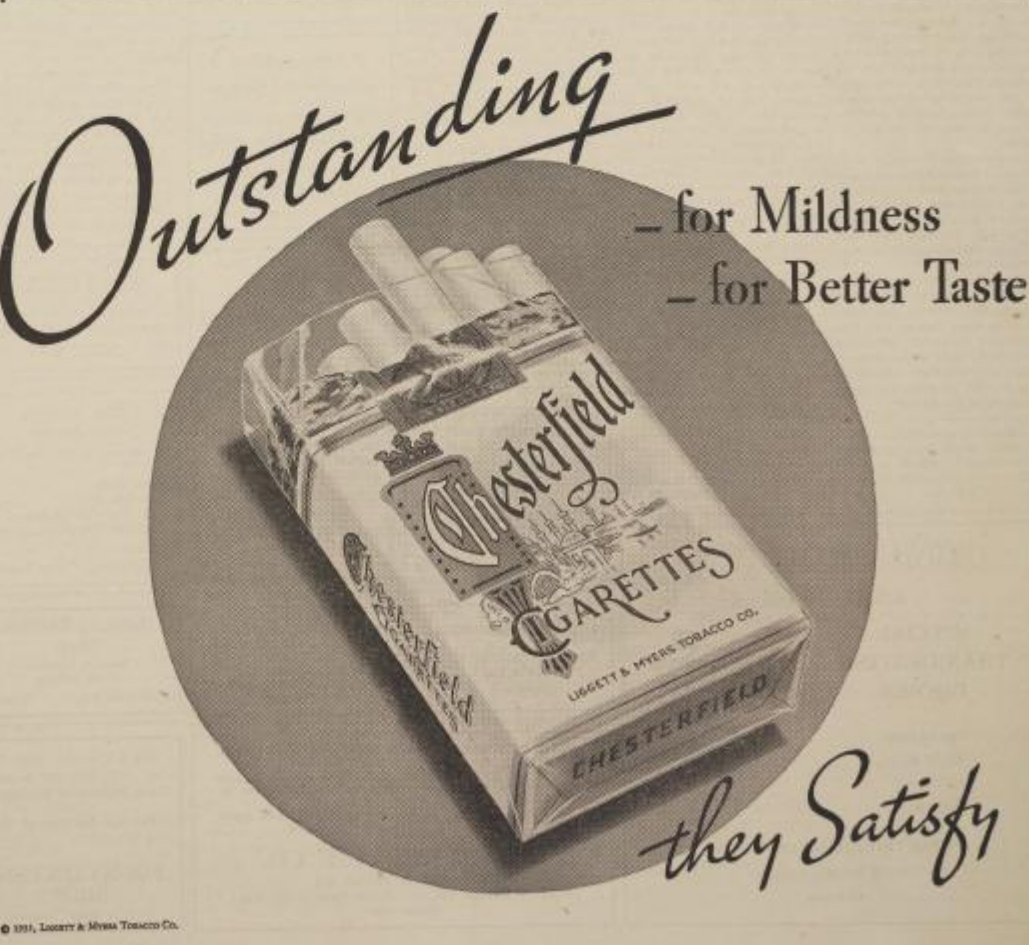

All the men's rooms were open for inspection.

Mr. Cobb, Dr. and Mrs. Holt, and Dr. and Mrs. Campbell chaperoned for the evening.

### Dr. O. P. Fairchild Lectures in Seminar

Dr. O. P. Fairchild, author of "The Italian Renaissance in Art" and former head of the art department at Lawrence College, Appleton, Wisconsin, gave, by popular request, a second lecture on Egypt, based on a recent visit. This comprised the schedule for last Thursday's seminar.

# News and Views of Sports

By Jack MacGaffin

An open date may be more than welcome to McDowell and his squad, but it doesn't seem to make life any easier for this writer. Being a columnist is difficult enough even when there is something to write about. The few people who do read this are recommended to give it up with the end of the football season.

The Freshmen, however, have been far from idle. In spite of the bruising they took from Miami, eleven men were mustered together to play Stetson last Friday night in Deland. The first half ended with the home team six points ahead, but in the second half the Tars came back to push over three touchdowns, winning the game 18-6. Cetrulo, Law, and Kirby showed that they could offer tough competition for the varsity backs next year.

If the S. I. A. A. still rides the coast next year, this season's Freshmen showing should be indicative of a good variety for 1936. However, that is rather far in the future to be discussed at this point. The present varsity troubles are serious enough without worrying about next year.

The Miami game is the next on the varsity schedule. To most of us it is probably the most important event on the Tar's program. This year Rollins will again be the underdog, but unlike last year the game will be played in Miami. The Hurricanes always put on a big show and their fellows turn out en masse to cheer them on. Everything else being equal this may have enough psychological effect to win the game for the Mikalones.

Stetson defeated Tampa, a Rollins victory over Miami and Stetson would mean a tie for the small college championship of the state. This distinction seems to be becoming more coveted as time goes on and to keep Tampa or Stetson from claiming it, would be a feather in the Tar's cap. This championship has further possibilities for the future. A winter season game between the victor and some southern team would do much good for Florida and the competing colleges.

## New Recreational Pastime Initiated

Attempting to popularize roller skating as a sport in this locality the Palace Roller Skating Rink is contemplating the designation of regular weekly Rollins Night. As so in the plans of the management is the possibility of roller-skate hockey. Undergraduates would be invited to take part in this novelty.

In attempting to work up interest in the Rollins Night the Palace Roller Skating Rink is anxious to make a connection with some fraternity to undertake sponsorship of the project. Thursday is the night under consideration as the most appropriate time.

The Palace Roller Skating Rink is located at 134 North Main Street, Orlando, and offers an opportunity to skate every evening with free instruction for novices and skaters available for those who do not have their own. Further information may be obtained from the sports editor of the Sandspur.

Arle Davis of Oklahoma kicked 23 extra points from placement in one game—Oklahoma vs. Kansas in 1935. Balance sheet: Oklahoma 170, K.P., 6.

## B TEAM WHIPS STETSON FROSH BY 18 - 6 SCORE

McLennis Rips Baby Hatter's Line to Star in Last Game for Rollins

Coming back in the second half to overtake the six to nothing lead of the Stetson Freshmen, a badly battered Rollins B Team intercepted its injuries to win its second victory out of three starts after the Baby Hatters an Billy Field in Deland last Friday night. The final score was 18 to 6.

From the opening whistle to the rest period between halves the Batters had everything their own way. Rollins took the ball only twice and was then unable to make any yardage and kicked. On the other hand the home team completed eight consecutive passes.

In the second quarter Rollins took possession of the ball on its own-yard line and kicked out to the forty. Two passes, Warren to Van, brought the ball to Stetson's possession within the five-yard markers and South ended the line for the tally.

The two scores came in the second half. Taking the ball on their own twenty, the Rollins team, working with a new vitality, marched down the field for the first score with Cetrulo stirring a wing to reach the end zone.

In the final quarter, two marches, one of sixty and one of fifty yards, accounted for two more touchdowns. Kirby carried the ball each time, as a face willing Stetson line gave way before the blocking of McLennis and his team.

Stetson, by not allowing the game to be postponed after the Rollins squad had suffered heavily at the hands of Miami last Monday, found the use of Cleveland, McLennis as a substitute guard. McLennis, playing his last game in a blue and gold jersey, was easily the outstanding player on the field, despite the fact that he has been out of uniform since the middle of last season. His blocking was excellent and flanked by the promising Dennis he was able to rip hole after hole in the opposing line.

Kirby, declared ineligible for varsity play because of his late arrival at school last year, was the outstanding man in the backfield. He scored two touchdowns and was responsible for many yards gained on running plays.

Only three passes were attempted by the Tars. One was intercepted when the Hatter's line crashed through rushing Cetrulo on the three.

Easily the outstanding man for the Hatters was Warren, whose accurate passing and running were directly responsible for their lone score. If a Stetson receiver had not missed a pass into the end zone the score would have been evened. Stetson also missed another opportunity to tally when she fumbled on the Tar's goal line.

The Rollins backfield of Cetrulo, Kirby, Brady and Law, played a full sixty minutes of the game while only two substitutions were used in the line. Kinkel and Mc-

## IN THE WORLD OF SPORTS

The University of California continued its winning ways when it smashed Washington, 14-0, at Berkeley. With Tenney running interference, U. C. Halfback Fowler is shown making a big gain in that battle.

## Cloverleaf and Pi Phi Win in First Basketball Games

Pi Phi and Cloverleaf were the victors in the opening game of the Women's Physical Education basketball tournament.

The Pi Phi's upset the Gamma Phi's, 21-13, in a well contested game with Ellen Gallagher leading the winner's offense with 17 points. Caroline Crosby lead the scoring for the Gamma Phi's with 12 points.

With Anne Whyte and Mary Aches leading the attack, Cloverleaf won from Kappa Alpha Theta by the score of 24-13 in the second game. Jeannette Lichtenstein featured on the loser's team by tallying 12 points.

## Faculty Tournament in Tennis to Start

Under the direction of Professor Kinder, a tennis tournament for members of the Rollins Faculty and Staff is being arranged for the near future. Matches in both singles and doubles play will be arranged. All those interested should sign up on the entry list posted on the bulletin board in Carnegie Hall as soon as possible.

Irma came in for Lockhart and Seaton early in the first period and Pettit started the second quarter for Kinkel, whose knee, twisted in the Miami game, was bothering him. Lockhart replaced Pettit in the fourth quarter. Daniels, Dennis, Turk, Widen and Hume were the other Tar line-men.

Van and Heber started at the ends for Stetson with Kelly and Swenson at tackles and Anderson and Mason guards flanking Kinkel at center. The backfield was Smith, McClaslan, Warren and Hall.

Fresh Salted Nuts of All Kinds Pettit's freshly made chocolates, box beans and honey made candies. Orders taken for parties.

## Orlando Vets Top Rollins Faculty in Tennis Last Week

Last Friday, the Rollins faculty tennis team played four doubles matches at Orlando, losing two, winning one and tying the other, against four teams representing that city.

McGill and Lambert (Orlando) defeated Hurling and Davis, 7-5, 6-4. Johnson and Carr beat Kinkel and Waddington of Rollins 9-3, 6-2. Ward and Howard, members of the Rollins' faculty, were the victors in a match with West and Platt of Orlando, 4-0, 6-3, 6-3. The other match resulted in a tie 4-4, 6-4, 9-8, when Foster and Travelodge came back at Johnson and Bunch of Orlando, after the latter had them at set point a number of times.

Chase Hall marched down the field and scored the only touchdown of the game with the Theta Kappa Nu on a pass from Brownell to Misset as soon as they got the ball. Brownell failed on an end run for the extra point. Art Brownell and Jack Makemon were outstanding for Chase.

Yesterday the Phi Delta Theta Seven met the Rho Lambda Nu team in the early period, while in the second game the Chase Hall and Kappa Alpha teams clashed with the Chaselines trying to upset the powerful fraternity team.

managed to win an 18-6 victory over Rollins' future opponent, who bowed to The Chasid after defeating a Guilford team to the tune of 18-6. Wofford's fourth game came out in a 0-0 tie with Rollins' opponent at last year, Kinkel, but the next week Cetrulo won a 29-6 victory, and Furman was the victor by a count of 25-0 on Nov. 18. Nevertheless topped the South Carolina team last Friday 18-6.

The Washington and Lee Eleven

Wofford Record Not Impressive So Far

Wofford College, which is coming to Leeland November 23, to meet the Tars, has not had an impressive record so far this year. The team has played six games, several with much stronger teams from larger colleges, winning one, tying one, and losing four.

## TOUCH FOOTBALL IN THIRD WEEK

K. A. Leads Fraternities With Straight Wins

The K. A.'s with five touchdowns and a squad of good players walked off with two victories in last week's intramural touch football. The Phi Delta's won once and Chase Hall split two games. The X Club lost their only game and the Theta Kappa Nu took it on the fifth week.

On Tuesday the K. A.'s lost the Theta Kappa Nu 12 to 0. In the first quarter Bill Whalen passed to William Scanlon for 15 yards and a touchdown. A long pass from Whalen to Tully put the ball on the 5-yard line from which point Tully rounded end for the second score. Back tries for extra point were stopped.

The whole K. A. team played well and as a unit, while Chase Hall took a 12-0 defeat.

Chase Hall lost to the Phi Delta's 7 to 6 when the Fraternity team made their extra point on a pass from Smith to Andrews. They had scored the touchdowns when Twillock intercepted Makemon's pass. With three minutes left Chase scored on a 30 yard run by Gittman and a pass from Brownell to Cress. The pass for extra point was blocked however.

In the first of Thursday's games the K. A.'s smothered the X Club 29 to 0. Whalen threw three passes for touchdowns; two to St. Vane and one to Wilson Scanlon. He made good two dropkicks out of three for the extra points.

Chase Hall marched down the field and scored the only touchdown of the game with the Theta Kappa Nu on a pass from Brownell to Misset as soon as they got the ball. Brownell failed on an end run for the extra point. Art Brownell and Jack Makemon were outstanding for Chase.

Yesterday the Phi Delta Theta Seven met the Rho Lambda Nu team in the early period, while in the second game the Chase Hall and Kappa Alpha teams clashed with the Chaselines trying to upset the powerful fraternity team.

## MIAMI FAVORED TO TOP TARS IN LITTLE FOUR TILT FRIDAY

Tar Backfield Recamped in Preparation For Tilt With Hurricanes as Chance Of "Little Four" Championship Tie Hangs In Balance

Meeting the favored Miami Hurricanes at Miami Friday night, the Rollins Tars will go on the field in their last chance to tie up the "Little Four" championship in a three way tie, a championship which Stetson now feels sure of winning. There will be an asterisk.

Depositors state firmly that the Hurricanes should overcome the Tars. As proof of their stand they point to the records of the teams. Tampa, the fourth member of the unofficial league constituting the "Little Four", was able to win over Miami by only one touchdown but overcame the Tars in a one-sided game in the time of 18-4.

History, the last team which will meet the Tars this season, was able to beat Miami by only one point, and last Friday whipped Tampa, 9-7, while Southwestern Louisiana who beat the Rollins team on their Florida trip, bowed to the Hurricanes in a close game.

These scores, together with the fact that the Tars will be playing before an unopposed crowd in their game away from home, give the Hurricanes their basis for optimism.

On the other hand, the Blue and Gold gridders have had a good rest since their Anniversary Day tilt with the Alabama State Teachers and the team has been steadily improving all season. Miami will be just recovering from a game with Wake Forest last Friday, which they won by a lone field goal, 5-0.

At a meeting of the Administration of the College last Friday it was decided not to permit any asterisk to Miami this year. The asterisk to the home of the Hurricanes two years ago was a great success and very popular with the undergraduates. However, the Administrators did not feel that time could be spared, as it has been said, from class work for a "general exam" this year.

Individual students will be permitted to make the trip if they fulfill the usual routine for getting week end permission, being excused from classes and the girls presenting permission from home and invitation from hostesses in Miami for the week end. These arrangements must be made by tonight.

Several changes have taken place in the Rollins line-up for Friday's game. Bokun Young, who took through Jim Mohley's heels in the Alabama Teachers' line, will start in the backfield and Chick Prentice, whose passing was one of the high-lights in the Anniversary Day contest, will replace the battered Murray. Tommie Carmody are also slated to start in the backfield for the Tars.

The line will remain substantially the same as in the recent games. Lory and Powell are picked for the wing positions outside of Greaves and Baker at the tackles. Kot Solomon, if his legged elbow permits, may start in one of the tackle positions. Jim Mohley is practically assured of his regular berth at guard while the other side of center will be filled by either Aggrica or Bowen.

The center position will be, as usual, split between Danny Wiant and Carroll Goodwin.

The revamped backfield contains no signal-caller so that assignment will probably go to Tom Powell, veteran stalwart, at end. Reserve who will undoubtedly see action are Murray, triple-threat back whose running is rapidly developing up to that of Miller's, George Miller, the Leeward back who has spark-plugged the Tars more than once, and Bo Johnson who acquitted himself well as a blocking back in the Alabama game.

Rollins held its unofficial title as winner of Florida's "little contest" until the 12-4 defeat by Tampa on November 6.
