Nov. 10th

My dear Maama

I have just upset the pen
remaining drops of ink so
you must excuse this pencil
The furniture that the fellows
here gave Bill for a wedding
present arrived last week, it
is very pretty and gives us a
very pretty spare bedroom -
They also gave us some lined
~~scar~~ ~~sampans~~ ~~which~~ I was very
glad to get, altogether the house
seems to have everything now
that it wanted. I suppose you
will hardly be surprised
to hear that you will most
likely be a grandmother over
again in about six months
time, I suppose you understand

what I mean, but please don't
say a word to anybody for two
months at least, not even
Georgie, I should hate to think
they knew, but I am obliged
to tell you; partly, because I
thought you would like to
know, and partly because I
don't know what to do about
clothes, I don't know at all
what things it will want,
so thought that perhaps you
would make out a moderate
list for me to go by, and if
you could manage to send me
some of Gladys' old clothes as
patterns, I'll make them I
can't afford to buy them ready
made here and I dare say it
will be alright, poor little
devil think of the knots &
seams, of course you will

have to tell nurse so as to
get hold of the clothes but
~~let~~ tell her from me that if
she breathes a word about it
I'll make her come out and
look after it. Up till now I
have had a very easy time,
Bill brings me breakfast in
bed if I don't feel well enough
to get it, that was just at first
now I am much better -

No other things to say, Bill
sends his love & will write
soon, but the fence wire
came the other day and
he has been busy ever since.

Yours affectly
Helen F. Warner -
