My dear Mama

You will see we are home again ~~at~~ at last, Ruby is very well and fat, but I rather hate being so far away from the doctor or in ^{fact} any help if she gets ill. I think I have got a white servant at last, she was at the Tropical and said she would come at the end of this week, I only hope she will, but they don't always do what they say - We have got hundreds of water melons in the grove, just beginning to get ripe, I am awfully fond of them. Fancy old Herbert of Muckross is engaged to a girl called "Sweetapple" who lives close to Beland's, I often used to see them

driving about, she has got
some money, but she is not
very much - Notice for more,
Best love to all of the others
and I hope the wedding
arrangements are getting
along all right -

Yours affectly

Allen F. Warner.
