My dear Mauna

The money came a day or two after I wrote to you, I am very sorry to have troubled you about it, and I will always write to Lou a week or two beforehand now. I heard from Alice a day or two ago, she seems to be enjoying herself. Fancy Harrie A. coming back, I hope Bertha was not very glad to see him, I am sure he must be very rough, he is naturally and

and I am sure Kansas would
~~not~~ not refine him at all. Did
I tell you that I have weaned
Rubic entirely, I was obliged
to, I got so weak and pulled
down, but I am quite strong
again now, and she is getting
fatter than ever on porridge
& milk, I never have any trouble
about her little "doos" now, and
she always asks now; she is getting
on very fast I think. I am very
glad Clara is having a jolly
winter. I hear occasionally
from W. Watson he seems to

be a good deal at Marlow, but I expect Mr Robson has given up all hopes for him by this, he being around there so long and then did nothing. Bill went out to Narcoossee for one night this week, and took a fellow with him, who thought Narcoossee the nicest place he had seen in Florida and especially our house, and grove, we hope he will buy it, I know Herbert would be glad to get out of it and put the money into something else at home. We are going to Kentucky as soon as it gets warmer here, we meant to go last year, but Rubie spoilt all those little plans.

Could you send me Maurice's
address I have lost it, and I have
only written to him once, ages ago
now. No news. Best love to everybody,
and many thanks to Clara for her
letter.

Yours affectly

Alex. F. Warner.
