Not Your Father’s Faculty Bibliography: Making University Scholarly Output Shine

Faculty Preferences

When you search for scholarly papers on a topic, which do you prefer?

I do not have a preference. 7%
A more comprehensive list of results that includes some items for which full content is not available. 24%
A list where every result has full content immediately available. 14%

Showcase Your Research!

Institutional Repository
- Single source for full bibliography, whether manuscript is hosted on IR or on publisher site
- RSS feeds integrate bibliography into faculty and department web pages
- Social Scholarly network link to IR for durable and consistent URLs

EBSCO Discovery Service
- University icon next to records from databases
- Discoverable in the most-used search interface
- Links to publisher hosted full text via OpenURL

EDS Search Results
- University icon next to records from databases
- Discoverable in the most-used search interface
- Links to publisher hosted full text via OpenURL

EBSCO Discovery Service
- University icon next to records from databases
- Discoverable in the most-used search interface
- Links to publisher hosted full text via OpenURL

Special thanks to Erica England and the UCF Scholarly Communications Work Group for early work on the UCF Faculty Bibliography. For more project history, see the Online Handout.
