gorgeous and colorful flowers, plants and shrubs indigenous to this region.

THE VIRGINIA INN is centrally located in town, among many fine winter residences and is also on the banks of Lake Osceola. It is an unusually comfortable and homelike hotel, and is becoming increasingly popular with a large number of its guests who return to it season after season and who are so well pleased that many send their friends.

THE WINTER PARK COUNTRY CLUB maintains two excellent golf courses, one of 18 holes and one of 9, and also an 18-hole grass putting course adjacent to the

clubhouse, all within a few minutes' walking distance of both the Seminole and the Virginia Inn. Both of these courses have grass putting greens, many natural and artificial hazards and are both picturesque and "sporty." Bordered by woods of tall pines, oaks and palmettoes, to "pull" or "slice" from the well kept fairways means disaster. Tournaments and exhibition matches are featured throughout the season. Walter Hagen, Jim Barnes, Jock Hutchison, Joe Kirkwood and Mike Brady are among the well known professionals who have played here within the last several seasons.
