DR. GEORGE M. WARD

*President of Rollins College*

WINTER PARK is one of the prettiest and most healthful towns in the Florida peninsula. It has many fine residences, surrounded by beautiful grounds. Its macadamized streets are shaded by large oaks and are kept spotlessly clean. The country about Winter Park is rolling, and studded with clear, spring-fed lakes. Pine and oak forests alternate with numerous orange groves and pineapple plantations.

ROLLINS COLLEGE is situated on the south side of the town, on a hill overlooking Lake Virginia. The college offers a large number of advanced elective courses which lead to the degree of

Bachelor of Arts. There are also the following allied departments: Schools of Music and Art, Business School, and Preparatory School. In every case the instruction is given by specialists who have received their training in the best American and European institutions of learning.

The cost of board, room, and tuition for the academic year is \$165.00. The Annual Catalogue and circulars giving full information will be sent upon application.
