## Many Traditional Senior Activities Fill Coming Week

The traditional round of senior activities is scheduled for the coming week for the class of 1960, after classes end for them tomorrow, May 28. Free then to relax and watch the less lucky underclassmen struggle through tests, and term papers the seniors will be honored Saturday night at the annual Student Council All-College dance at the Orlando Aquasium.

At 10:30 Sunday, May 29, the Baccalaureate service will be held in Knowles Memorial Chapel. At 10:15, faculty and seniors will line up at Carnegie Hall for the academic procession. The Reverend A. Rees Hay will give the sermon, "Multitudes, Multitudes in the Valley of Decision," for the service which is open to the public.

The senior class cocktail party will be held Tuesday evening, and on Wednesday, June 1, there will be a rehearsal of the diploma ceremony in the Chapel at 10:30, for all graduating seniors. At 4:00 p.m. that afternoon, honors and awards will be distributed at the Annie Russell Theatre, in the all-college Awards Assembly.

Wednesday is also the day of the Senior Art Show reception at the Morse Gallery of Art, from 5:15 to 6:00 p.m. Works of art majors and art students in the senior class will be on display, and everyone is invited.

A luncheon for the parents of the class of 1960 will be given at the Morse Gallery at 1:00 on Thursday, June 2. At 8:30 that evening, Pres. Hugh McKean will hold the traditional reception for seniors, members of their immediate families and faculty members, at "Windsong," the president's home, located at 930 Genius Drive.

On commencement day, Friday, June 3, the annual Alumni-Senior sunrise breakfast will take place at "The Family Tree" on Lake Virginia at 6:30 a.m. Given each commencement day by the Alumni of the college to honor members of the graduating class, this breakfast is the oldest continuing tradition at Rollins. Catherine Johnson, '52, and Mrs. Scott Witherell, '53, are co-chairmen for the breakfast, which will be held in Rose Skillman Hall in case of rain.

Culminating the senior week activities, the Academic procession of seniors, faculty and trustees will form at Carnegie Hall at 9:30 a.m. Friday, and commencement exercises will begin at 10:00 in Knowles Memorial Chapel.

Dr. F.S.C. Northrop will deliver the commencement address on "Instruments and Ideals." Admission will be by senior guest card only, until the academic procession is seated.

## Seniors Honored At Graduation Ball

The class of 1960 will be honored tomorrow night, May 28, with an all-college dance at the Orlando Aquasium from 9 p.m. to 1 a.m.

Dress for the Graduation Ball, which is sponsored by Student Council and the Rollins Union, will be formal. Billy Adler and his band will play for the dance.

Women will have 1 a.m. permission to attend the all-college event.

'INSTRUMENTS AND IDEALS' is the topic on which commencement speaker F.S.C. Northrop will address seniors and their guests.

## Seniors, Guests To Hear Outstanding Philosopher

Dr. Filmer S. C. Northrop, Sterling Professor of Philosophy and Law at Yale University, is to be the speaker at the commencement exercises for Rollins Class of 1960 on Friday, June 3, at 10:30 a.m. in Knowles Memorial Chapel.

Northrop's address on "Instruments and Ideals" will follow the presentation of degrees and awards.

An outstanding senior will receive the Algernon Sydney Sullivan Medallion for high character, and five candidates for graduation will be presented \$100 General Reeve Academic awards for high scholastic records. Diplomas will be awarded 118 candidates for degrees.

An internationally recognized author and educator, Dr. Northrop is the Elizabeth Morse Genius visiting professor of philosophy at Rollins.

Educated at Beloit College and Yale, Northrop received his Ph.D. from Harvard.

Dr. Northrop has served on numerous international missions to India, China, the Middle East, and Europe. He is the founder

and member of the executive committee of the National Conference of Science, Philosophy and Religion.

A contributor to the 1960 Animated Magazine, Northrop has written six books, one of which, "The Meeting of East and West," was termed to most important intellectual event of 1946 by the New York Times.

The Chapel Choir, under the direction of Robert Hufstader, will present "Kyrie" from the Messe Solenne by Langlais and "Alleluia" by Randall Thompson.

## 118 To Receive Bachelor's Degrees

On June 3, 118 candidates for degrees will receive diplomas from Rollins College.

In addition, the first four candidates for degrees from the Rollins graduate school of business administration will receive the degree of Master of Business Administration. They are Kenneth Roger Adrian, James Foti, Frank Desmond Murphy, and Ronald Everett Ring.

The degree of bachelor of music will be awarded to Lynn Miller.

The 14 students who will receive the degree of bachelor of science are Linda Wissing King, who completed the requirements for the degree winter term, Evelyn Arndt, Walter Cain, Roger Chadwick, Fred Courington, Garrett Crotty, Linda Crow, Dale Ingmannsen, Jack Leffingwell, David MacMillan, Elizabeth Moore, Larkin Ramsdell, Gordon Struble, and David Van Schaick.

The remaining 103 students are candidates for bachelor of arts degrees.

Nine of these completed their requirements for graduation prior to the current spring term. These include Joan Brand, Alec Fedosi, Gertrude Sonderegger Harvey, Barbara Hass Hoadley, Robert McNenny, Joseph Lynn Pflug II, Sara Reed, Audrey Tyler, and Warren Wallace. William Joseph Ward III completed his graduation requirements in absentia.

The other 93 seniors receiving A.B. degrees will include: John Adam, Anita Alexander, William Allen, Emmett Bailey, Sarah Bar-

(continued on page 8)

## Student On Cheating Committee Ruled Out

Final allocations totaling \$9,350.00 were approved by Student Council at the Monday evening meeting. The Flamingo was given \$1200, while the Sandspur received \$6150 for next year's operations. The Rollins Union received an appropriation of \$2000 as their initial allowance from Council.

It was announced that the problem of flies in the beanery will be solved by next fall. It is possible that the building will be air-conditioned by then, but if funds are not available for such an improvement, temporary screen doors will be installed. Because of fire regulations, screen doors must be specially constructed and will not be ready until after the school year ends.

Marilyn Dupres, member of the Student Academic Committee, announced that they had met with the Faculty Honors Committee to discuss the possibility of including a student on the committee which decides the course of action to be taken with a person found guilty of cheating. She said that it was their decision not to change the "Proposed Uniform Method of Dealing with Cheating," as passed by Council May 13.

Diane Scott, Chi Omega representative, inquired about the possibility of making improvements to the Pelican. She mentioned the need for a thorough cleaning, repairing screens, some painting, and other possible improvements. President Bob Fleming said that the matter would be investigated.

Breck Boynton, Delta Chi representative, protested the abandonment of O.D.K. trophy.

### APPLICATIONS DUE

Student Council president Bob Fleming reminds students wishing to apply for the position of Fiesta chairman that letters of application must be in by this afternoon. Letters should include any experience the applicant has had in work of this nature and any former service on the Fiesta committee.

Applications for comptroller of the Rollins Union should also be submitted as soon as possible to Jack Sutliff, chairman of the Board of Managers.

President Fleming announced that surplus Council funds will be placed on deposit with the Orlando Federal Savings and Loan Association. They will be fully insured and will draw four percent interest per year.

Vice President John Harkness emphasized that students should not bring their own liquor to the Senior Dance at the Aquasium. He said that drinks will be available at economical prices and asked for full student cooperation.

## Rev. Hay To Speak At Baccalaureate

"Multitudes, Multitudes in the Valley of Decision" is the topic that The Reverend Canon A. Rees Hay, executive director of Christian Education for the Episcopal Diocese of South Florida, will discuss at the Baccalaureate service to be held in the Knowles Memorial Chapel on Sunday, May 29, at 10:30 a.m.

For this service the Chapel Choir under the direction of Robert Hufstader, will sing Brahms "How Lovely Is Thy Dwelling Place" and a selection from the Book of Sacred Service.

The Reverend Hay came to Winter Park three years ago from North Haven, Connecticut where he was rector of St. John's Church.

He worked with Yale students to establish the Hungarian refugee program which was adopted by the governor of Connecticut. This program brought over 2,000 refugees to the United States, including Rollins student Tibor Menyhart. Also, in connection with the state project, Cannon Hay traveled through New England securing admission and scholarships for the refugees.

The Baccalaureate speaker, in addition to being the Canon Educator of the Diocese of South Florida, is editor of the diocesan magazine PALM BRANCH.

## Fulbright, National Defense, Wilson Among Grants Received By Seniors

Eight Rollins seniors have been awarded fellowships and assistantships to graduate schools next year.

President of the senior class, Walt Cain, has been awarded an assistantship amounting to \$2500 by the Smithsonian Astrophysical Observatory. He will do graduate work in astronomy at Harvard University.

Chemistry major, Fred Courington has been granted an assistantship in the organic division of the University of Wisconsin's chemistry department.

Two students will be at Emory University next year. Danny Laurent, a French major has received a \$2200 assistantship in French. Chemistry major, Jack Leffingwell has been awarded a National Defense Education Act Fellowship for study there.

Elizabeth Jane Moore has been granted a teaching assistantship at Cornell University. Miss Moore

is a biology major.

Student research leader of the Channel 9 Pro and Con television show, Sally Satchwell will serve as an assistant at Florida State University. A history and government major, Miss Satchwell plans to do graduate work in library science.

Phil Scott has also been granted a National Defense Graduate Fellowship. A human relations major, he will do work in Russian studies at Georgetown University. His fellowship pays full tuition and a stipend of \$2000.

Phyllis Zatin, a Spanish and French major, has been awarded two fellowships. On her Fulbright Fellowship, she will continue her studies in French at the University of Grenoble in France next year. A winner of a Woodrow Wilson Fellowship after returning from France she will use that to continue her graduate studies.

Satchwell

Leffingwell

## Awards To Be Presented In All-College Assembly

The annual All-College Honors and Awards Assembly will be held in the Annie Russell Theatre at 4 p.m. on Wednesday, June 1. Pres. Hugh F. McKean will preside.

Among the awards that are scheduled to be presented are the Men's and Women's Physical Education Awards and the Phi Mu Athletic Award, the latter presented by the Phi Mu Fraternity to the outstanding senior woman athlete.

The Music Department will present Choir Awards. Other recognition for musical achievement are the Arthur Knowles Hutchins Music Award and the Ralph Lyman Baldwin Award of \$50 and a medallion to be given to the graduating student majoring in organ and composition deemed by the music faculty as most worthy of the honor.

Theatre Arts awards will be the Rollins Players Achievement Awards; the Rollins Players Plaque; Theta Alpha Phi awards, given by the Rollins chapter of this national honorary dramatic fraternity to the freshman man and woman doing outstanding work as an actor or as a technician in the Theatre Arts Department; and the Pi Beta Phi Dramatics Prize of \$20, given by the Pi Beta Phi Fraternity for the greatest improvement made by a student in theatre arts.

The Chi Omega Social Science Award will be presented by the Upsilon Beta Chapter to the woman in the graduating class with the highest scholastic record in the fields of history, sociology, psychology, or political science.

The Gamma Phi Beta Sorority Economics Prize of \$10 will be given to the senior woman who has won the highest scholarship record in economics or business administration.

The Colonel Richard C. Plumer Memorial Award is to be awarded to an outstanding student of business law.

The Pi Gamma Mu Scholarship Medal will be awarded to the

most outstanding graduating senior in the field of social science.

Literary achievements will be recognized by several awards: The Academy of American Poets Prize of \$100 for the best poem or group of poems submitted by a Rollins undergraduate; the Charles Hyde Pratt Award for Creative Writing of \$50 to a Rollins student outstanding in creative writing; the Willard Wattles English Award, a valuable book, presented by the Rollins Key Society to the junior English major with the highest overall academic average and the Lecomte du Nouy Essay Prize, awarded to the Rollins student submitting the best essay on a subject covered by the works of the late Lecomte du Nouy.

Science awards will be the Thomas R. Baker Memorial Prize in Chemistry, awarded to the junior student in Rollins who has maintained the highest scholarship record in the study of chemistry; and the Zeta Alpha Epsilon Book Prize, awarded to the senior student member of the society having the highest record of achievement in science.

The Central Florida Association of Phi Beta Kappa will make its

(continued on page 6)

## Hallbauer Heads Pi Gamma Mu During 1960-61

Pi Gamma Mu, national social science honorary, has elected new officers for the coming year. Junior Economics major Rosalie Hallbauer, Student Council controller, will serve as president of the organization. Junior Ginger Cornell, a government major, was elected vice president.

New members of Pi Gamma Mu selected and tapped during the coming week, and initiation will be held on Wednesday, June 1.

To be eligible for membership a student must have a minimum of 30 term hours in the field of history, political science, sociology and anthropology, and economics (including geography.) He must have earned grade average of not less than "B" in these subjects and have distinguished himself in the social sciences.

The local chapter of Pi Gamma Mu sponsors a series of lectures and forums during the school year, and the club annually awards the Pi Gamma Mu scholarship medal to the graduating senior who has been most outstanding scholastically in the field of the social sciences.

## 4 Students Selected To Carry Out Rollins' NSF Research Project

Four students have been selected to work during June and July in Rollins' undergraduate research program sponsored by a grant from the National Science Foundation.

NSF granted Rollins \$2,865 to conduct this project as a part of a nation-wide program of undergraduate research. Under the direction of Dr. John S. Ross, the students selected to participate will help in conducting a research project already in progress in the laboratories of the physics department, investigating the experimental values of isotope shifts in the spectra of elements of intermediate atomic numbers.

### 1957 Graduate 'Girl Of Century'

Mary Ann Colado, Rollins '57, has been appointed the New York Central railroad's personal representative aboard the Twentieth Central Limited which runs between New York and Chicago.

While at Rollins Miss Colado, a member of Pi Beta Phi, majored in art. She was a representative to Student Council; member of Tomokan and Sandspur staffs; secretary of the Publications Union; editor of the R Book; vice-president of the Canterbury Club; and an active participant in the intramural program.

The four local students chosen to carry out spectroscopy experiments for the project during the summer months are Jane Wright, junior physics major and a member of Zeta Alpha Epsilon, national science honorary; Steve Browder, also a junior physics major and Zeta Alpha Epsilon member; Arthella Hines, sophomore education major and lab assistant in astronomy; and Robert Fox, freshman physics major.

The national NSF program was established to determine the extent to which it is educationally beneficial for outstanding undergraduates to work research projects with faculty members. Now in its second year, the NSF trial program involves about 2,000 students in various fields of science throughout the country.

During the month of August, Dr. Ross, director of the research program at Rollins, has been invited to participate in the "Conference of College Professors of Physics and Astronomy on Recent Advances in Astro-Geophysics", also sponsored by the National Science Foundation.

Held at Georgetown University, Washington, D. C., August 1-24, the conference is intended to give the college teacher in physics and astronomy an academic stimulation beyond the regular program of instruction at the undergraduate level.

## Seven High School Seniors Receive Honor Scholarships

Seven of the Honor Scholarships awarded to entering freshmen have now been accepted, three by girls and four by boys. In addition, 11 boys and 9 girls have accepted Achievement Scholarships from the college. Because the deadline for reply is June 3, other acceptances may be received.

Honor scholarships, ranging from \$200 and \$2000 are awarded each year to three or more outstanding first year students. These winners are selected from candidates recommended by their secondary school principal.

A limited number of Achievement Scholarships are awarded each year to new students who have a strong academic record and superior ability. This award is divided between work opportunity and direct credit on the student's account.

Honor scholarship winner John William Albright, graduating from Collingdale High School in Collingdale, Penn., is a member of National Honor Society. His high school activities have included participation in football and track. Albright plans a pre-engineering program at Rollins.

Graduating from Stranahan High School in Ft. Lauderdale, Fla., Barbara Jo Aldredge is a member of the National Honor Society and has participated in the Anchor Club and the Spanish Club. She is a member of her high school yearbook staff and will probably major in English.

Susan Marla Altman, a senior at North Miami High, North Miami Beach, has been

active in Student Council, Future Teachers of America, Science Club, and the Publications Club. Also a National Honor Society member, Susan plans to major either in some field of science or in education at Rollins.

Also from Ft. Lauderdale's Stranahan High, David Alan Chinoy is valedictorian of his senior class and a member of the National Honor Society. Active in the Science Club and on the varsity tennis team, he plans to follow a pre-medical program.

Allan Edward Hawkinson is a senior at Portage High School in East Gary, Indiana. A member of the school newspaper staff, he is active in the Drama Club. At Rollins, Hawkinson will consider a major in mathematics.

Graduating from Downsville Central High in East Branch, New York, Ada Marie Horton is interested in science and mathematics. Valedictorian of her class and a member of the National Honor Society, she has been active as editor of her high school yearbook, vice president of the Camera Club, and a member of the school newspaper staff.

Mary Sheila McAboy is a senior at Hatboro-Horsham High School in Willow Grove, Penn. She is co-editor of the yearbook and vice-president of the Dramatic Club. Mary has participated in debating activities and worked on the staff of the high school newspaper. She is planning to take a pre-medical program at Rollins.

## Language Clubs Elect Officers

Two of Rollins' language clubs have recently elected officers for the coming school year. Sae Goodier will preside over Pan American Club, while Lynn Snyder is the new president of the French club, Le Cercle Francais.

Serving with Miss Goodier will be Demetrios Coutsolioutsos, vice president, and Doug Marquis, secretary-treasurer. Chosen for office in Le Cercle Francais are Kathy Ricketts, secretary, and Diane Boggs, treasurer.

The Pan American Club has for its purpose the encouragement of young people in the Americas to preserve peaceful relations, and to cultivate friendship and understanding among the republics of the Western Hemisphere.

Le Cercle Francais holds programs featuring French-speaking guest lecturers and films to better acquaint students with the civilization and culture of France.

DISCUSSING ORIENTATION, committee heads Dean Dyckman Vermilye, Linda Qualls, Kitty Ondovchak, and John Reese plan the program for next fall's entering freshmen.

## 1960 Orientation Plans Announced By Committee

Plans for next year's Freshman Orientation program are well underway. Dean Dyckman Vermilye, chairman of Orientation, is being assisted by a student from each class. Burnan MacLeod, senior; John Reese, junior; Linda Qualls, sophomore; Kitty Ondovchak, freshman; and Vermilye make up the orientation planning committee.

Orientation for 1960 will be substantially the same as it was last fall. The night after the freshmen arrive, they will meet in groups, each group having a student leader and a faculty adviser. These groups will meet again the second night.

The freshmen will be given English and foreign language placement tests and a swimming test. They will be taken on a tour of the campus and of the library.

The entering students will hear talks by President Hugh McKean; Schiller Scroggs, Dean of the College; and meet with Dean Vermilye and the entering women, with Dean Helen Watson. Each

freshman will have a one hour appointment with his faculty adviser to work out his schedule for the year.

For entertainment, a roller skating party is planned, and the Chapel Staff will give its traditional party Saturday night.

A proposed innovation for the orientation program is an all-college picnic lunch on Saturday afternoon with the freshmen giving a water exhibition.

The entering students must be on campus on Monday, September 26, at 5:30 p.m. The upperclassmen may return on Thursday, September 29. Registration for for upperclassmen will begin September 30.

The students who will be on the orientation committee have not yet been selected. They will be notified before the end of school. Any student returning to campus early next fall for any specific reason is included on the Orientation committee.

## Gamma Phi, Delts Take Sing Prizes In Close Contest

Melody filled the air last Sunday night in the ART, as eleven of the campus social groups competed in Campus Sing. Winner of the women's cup was Gamma Phi Beta Sorority singing "Summertime." Patricia Stevens was song leader for the group. In a close decision, the Delta Chi's singing "It's Almost Like Being in Love," out-vocalized the Sigma Nu's and won the Men's cup for the second time in a row. Pete Kellogg directed the songs. Any group which wins the Sing three times consecutively gains permanent possession of the trophy.

Six other sororities participated in the sing. Alpha Phi presented "In the Still of the Night," led by Lauren Kiefer. Chi Omega sang "Bali Hai," led by Sandy Wyatt. Under the leadership of Jeannie Deemer, Kappa Alpha Theta sang "Sentimental Journey." Kappa Kappa Gamma presented "Oklahoma," with Sandy Logan as song leader. Candy Diener directed the Phi Mu's, singing "Someone to Watch over Me." Pi Beta Phi presented "Syncopated Clock," under the leadership of Ann Stocking.

Three other fraternities entered the competition. Lambda Chi Alpha, directed by Nate Tracy, sang "Collegiate." Sigma Nu, led by Bob Fleming, presented "Stout-Hearted Men." Under the direction of Gene Allen, Tau Kappa Epsilon sang a German college song "Ca Ca Geschmauset."

Chairmen for the Sing, which is sponsored by the Independent Women, were Astrid Delafield and Margaret Pederson, both freshman music majors. Judges were Robert Hufstader, director of the Rollins Conservatory, Mrs. Gene Hardy, a Rollins alumna, and Lamar Simmons, director of the Methodist church choir. Mary Frances Amick, President of the Independent Women, emceed the program.

A highlight of the evening was the Independent Women's sextet, which sang "This Is the Garden." Members of the sextet are Astrid Delafield, Mary Lynn Draper, Joan Norvell, Margaret Pederson, Jane Ruble, and Marsha Smith.

## Music Guild Sponsors Recital By Four Freshmen

Four freshman piano students of Dr. Helen Moore will present a recital this afternoon at 4:30 pm. in Martin Hall. Jerry Green, Astrid Delafield, Betsy Reutter, and Marsha Smith will perform in the program sponsored by the Rollins Music Guild.

Green will open the program with Bach's "Symphonia No. 15 in B minor. He will be followed by Miss Delafield, who will present "Symphonia No. 12 in A minor" by Bach, and "Moment Musical No. 6 in A flat major" by Schubert.

Miss Reutter will play "Praeludium and Fuge in A minor" by Bach and "Sonata K 333 in B flat major" by Mozart.

Miss Smith will conclude the recital program for this afternoon, playing Haydn's "Sonata No. 46 in A flat major."

Following the recital, the Music Guild will hold a business meeting and election of officers for the 1960-61 school year. All students interested in music are invited to attend.

The Music Guild will also have a picnic this afternoon, after the election meeting, honoring senior members and all senior majors.

Rollins' Student Music Guild is comprised of students who are interested in promoting the musical welfare of the college. It holds regular meetings and is active on campus in the sponsoring of recitals and other musical activities.

Piano major Gwen Mansfield, a junior, is outgoing president of the Music Guild.

## Alumnus Joins Music Faculty

Rollins alumnus John Poellein has recently been appointed to the music faculty of the University of Connecticut. There his teaching duties will include conducting and voice instruction.

The largest singing group Poellein will direct is the 150 voice University Chorus. He will also conduct a 60 voice Chorale which will perform more difficult works, and a smaller madrigal group. In addition he will hold private voice lessons and teach a voice class.

## SANDSPUR EDITORIALS

## FAREWELL, CLASS OF '60...

With this issue of the newspaper safely to press, Sandspur staff members are covering their typewriters in anticipation of four

Final edition for yours truly . . . .

Deb 'n' Air III

"And what would you choose to say as you forever leave behind your student status at Rollins?"

"I'm writing a book called *The Beat Phophet*. Would you like a few excerpts?"  
Wouldn't miss it for all the tea in Nationalist China! (You have to be careful how you phrase things these days.) Fire away!"

"And the people said, 'Speak to us of education . . . man!'" (You better believe I passed the MET.)

"And he spoke thus, 'Education is a wonderful experience for the uneducated, but with an ever increasing literacy rate it may become a thing of the past.'"

"And of campus housing . . ." "Be not concerned with such earthy things as housing. You're here to nurture your mind, not comfort your body . . . But, cat, if I got you pegged wrong, I suggest you remain a freshman girl, an Elizabeth Hall proctor, or a KA, for four years."

"And on food . . ."

"Love Jello, man. You'll neve go hungry 'round Rollins."

"And on the quality of the student body . . ."

"Man, I wouldn't talk about other people. They're liable to say the same thing about me."

"And what of Fox Day . . .?"

"It was great fun, but it was just one of those things."

"And what of love . . .?"

"Love Jello, man. You'll never go hungry 'Round Rollins."

"And on the man to woman ratio . . ."

"For every man there's a woman and a third. Fellas, take care of your third."

"And on the journalistic abilities of yours truly . . ."

"It fills space, in the words of editors past and present."

"And on the journalistic abilities of the rest of the staff . . ."

"Likewise, in the words of yours truly."

"And on flies and other insects in the Commons (apologies to the diehard 'beanery' lovers) . . ."

"They don't eat much, individually."

"And what of the proposed Rollins Union . . .?"

"It should compare to Mr. Hoffa's organization, but it won't."

"And of the future life . . ."

"In the words of another, 'There's nothing anywhere in the world like Rollins College' and in the words of the good Dean of KMC, 'Thank God, (for Rollins College).'"

"But of the future life it may be said, it will never compare to life 'round Rollins. It's a big cruel world and we go to from here. Also, an anxious world, filled with all sorts and conditions of men; waiting most anxiously for Rollins graduates to rear their ugly heads in its midst."

months without that weekly deadline to meet.

The academic year 1959-60 has been an eventful year with its fires and false Fox Days — and it has been a successful year too.

Since last September, the student body of Rollins, perhaps more than ever before, has taken a good look at its values. The adoption of the Uniform Method of Dealing with Cheating, and the discontinuation of the ODK trophy, though somewhat controversial matters, are a good indication of this trend, as are the establishment of the Student Council Committee on Academic Affairs, the reestablishment of the Honor System Committee, and, of course, the setting up of the new Rollins Union.

The class of 1960 has contributed a great deal to the college and the greatest "class gift" they leave us is the ideals and traditions they have worked for during their four years here.

As they leave Rollins, they take with them more than an education. There's the confidence, maturity, and sense of responsibility characteristic of a liberal arts education in a college such as Rollins. The small size of the student body gives any student who wishes, an opportunity to assume some position of leadership. And the personal attention of a faculty which is genuinely interested in the students and in teaching helps to build confidence and is an essential part of Rollins.

As is true anywhere, of course, it is up to the individual, himself, just how much he will get out of a Rollins education and what he will contribute to the college. But it would be very difficult to spend four years here without both gaining and giving a great deal.

With commencement only a week away, we should like to wish the class of 1960 the very best of luck as they leave Rollins. We hope that they will accept their diplomas Friday with a sense of pride and gratitude that will not end with graduation.

We extend our thanks to those seniors who have worked on the paper this term, especially Walter Cain, Bob Rauch, Barth Ingert, and Dave Schaick — and above all to former editor Phyllis Zatlin, without whose advice and practical assistance student mail boxes might more than once have been empty on Friday mornings.

Finally, the Sandspur staff extends its best wishes to the Rollins family for a happy and pleasant vacation. We'll be looking forward to putting out that first paper next fall.

## The Chapel Tower

By T. S. Darrah

T. S. Darrah

As the college year comes to a close and the seniors go their separate ways we know they will never come back quite the same

They can't take everything they have found at Rollins, but we would like to pass on to them something that doesn't take up much room and which they may find of use. It is a little prayer of Reinhold Niebur. It seems to say so much that all of us need.

"Lord, give me the serenity to accept what cannot be changed,

"Give me the courage to change what ought to be changed,

And the wisdom to know one from the other. Amen.

## Letters to the Editor

## Student Questions ODK Trophy Elimination; Member Explains

Editor:

I was very much disappointed to hear that the ODK trophy will not be given out this year. It seems to me that ODK and the "Pink Palace" are doing away with something very essential to an individual, that being competitive spirit.

If you think our campus is presently apathetic, I dread one's future years at Rollins. When an individual graduates from college, he should know what to expect from the outside world. Whether he realizes it or not, anything one does after college will be to some extent of a competitive nature. If a college graduate is not groomed for this particular battle, I believe he will be lost in the "shuffle."

Your main complaint was that fraternities are pushing men into various functions on campus. Many times a student does not have the confidence or incentive and needs a little push. In many cases at Rollins, these men are grateful for that start and graduate feeling a sense of accomplishment. In short, no one has the right to eliminate competition from this campus.

Everyone has a goal in life. Right now, while at Rollins, I am hoping my extracurriculars will help my fraternity win the leadership trophy. I don't think ODK or anyone else should stand in the way by removing this award.

You might as well call this institution of ours "Rollins Nurs-

ery." In conclusion, I should like to add that poor judgement was used when ODK decided to do away with the trophy three weeks before graduation. This could have been done at the beginning of the school year or possibly next year.

Nick Longo

Ed's note: Because this is the last issue of the Sandspur for the 1959-60 school year, a spokesman for the leadership honorary was asked to try to clarify ODK's reasons for discontinuing the trophy and to answer the questions, presented in the above letter and in Student Council, pertaining to the award.

Editor:

ODK has been the subject of some criticism since the announcement that the Men's Leadership Trophy will not be awarded this year. I would like to point out, first that it is the prerogative of any group voluntarily presenting such an award as this to choose, either because they find no candi-

# Language Lab, Term And Tour Originator Leaves Campus Ghost Of 'Foggy Dog'

By Mary Frances Amick  
Sandspur Staff

"No one who has spent four years here can look back at Rollins as just another job," states Dr. Robert Morgenroth, who will head the French department at the University of Southern Florida in Tampa next year. "The atmosphere in the relationship between staff and faculty is the warmest and friendliest I have experienced in 16 years of college," Morgenroth continues. "The liberty given to a teacher to conduct his courses in the fashion that fits his style is all that could be asked for."

Although Morgenroth agrees that it is impossible to leave Rollins without a feeling of affection, because of this atmosphere he feels that permissiveness is also the main fault with Rollins. "It permits almost anything, even poor teachers and equipment."

During his four-year stay at Rollins, Morgenroth has established a successful language laboratory, brought the Foreign Film Series to Rollins for the benefit of both students and townspeople, and has served as director of the Term and Tour.

Asked to comment upon the Term and Tour, Morgenroth describes the summer session in Europe as one of his fondest dreams which was at last realized at Rollins. "I hope," continues Morgenroth, "that it will be continued as a low-cost adventure abroad and will ultimately lead to Rollins' own year abroad at which it was originally aimed."

Morgenroth laughingly confessed that he has established still another institution at Rollins: a "bush-bounding, squirrel-chasing institution" in the form of his

GYPSY PAUSES from her squirrel-chasing and bush-bounding long enough to pose with Dr. Morgenroth on the French House patio.

dog, Gypsy. To Rollins students, Morgenroth leaves as a legacy all the squirrels that Gypsy has not demolished. He hastens to assure us, however, that it is not a stipulation that incoming French professors own large black dogs.

Under the heading of "Reflections of a departing professor" comes Morgenroth's message about Rollins students to entering professors: "Don't let them find out which of you is the softest—except a great deal, demand a great deal, and accept only a great deal."

Morgenroth musingly states that there will be several new ghosts prowling the campus at

the end of this year. Among them, he explains, will be the phantom of Phyllis, pedalling her ghastly green bicycle toward Cloverleaf.

"In addition," Morgenroth added, "I leave you another ghost. Some misty, moisty morning, you may see a foggy dog (I guess I don't dare say 'foggy doggy') bounding with great, graceful leaps over bushes in search of Rollins' beloved squirrels."

"I hate to leave all of Rollins behind," he concluded. "It has been very much of a home."

## Tempo Campus Sing Over, Attention Turns To 1960 ART Musical

Last Sunday night, we saw a different type of gathering at the ART. This was no reading theatre presentation; Macbeth had long ago finished its run; and the directing class projects were in the Fred Stone. Last Sunday marked the 1960 Campus Sing.

As we approached the theatre, the loggia outside was jammed with anxious-looking figures, clad in pastel formals, black, white, or multi-colored dresses, jazzy sport coats, and the like. We noted with interest that the members of each group eyed one another suspiciously as if there might have been built-in pitch pipes cleverly concealed in the net of a formal or the button hole of a coat . . . . .

Aside from this, we could detect nothing from the usual comments of the musical aspirants as they remarked to one another on who had the tightest fitting dress, the worst sunburn, or the best song for the Sing.

Inside, the groups seated themselves, still looking around for that pitch pipe, and to see if any other social groups had recently pledged any opera stars from the Met. No one seemed to see anything of this kind, so the program commenced.

All the groups sang well—four fraternities and seven sororities—with a varied selection of elective songs. Judges Hufstader, Simmons, and Hardy judged well. During their smoke-filled conference in the Greenroom, there was such a silence in the theatre that one could have heard a pin drop. (We thought we might have heard a collegiate tie!) Two fraternities were asked to render their prize song, "Ameri-

ca, The Beautiful," and the Singing Delts with "Almost Like Being in Love," came through again with flying colors. Pete Kellogg was their lucky leader.

The girls had an equally tough time of it. Everyone thought each sorority deserved the trophy, but Gamma Phi blazed through, under the artful hand of Pat Stevens. They sang the prize song, "Dedication," and their elective, "Summertime." A musical time was had by all!

The Choir had its annual blast at the Driftwood. Those banquets seem to get bigger and better every year!!

Everybody and his brother (well, not really!!) has been giving recitals at Martin Hall and the ART. Just to mention a few: Sandy Watt, Gwen Mansfield, Mieczslaw Horszowski, Ann Bowlers (alum of '57 at Julliard), Cliff Berry, Jim Page, and the fox. . . .

The two new masters of Martin Hall will be an interesting addition for next year's musical agenda.

Speaking of our glorious autumn, anybody know the name of the ART musical? We hear that "Carousel" and "Kiss Me, Kate" are in the wind. Well kids, brush up your Shakespeare (as the song goes), or take up clam digging for the Rodgers-and-Hammerstein (the second, of course)—New England-feeling, and outfox the directors!!

We and all the rest of the spartans of the "Spur" wish you a joyous summer, and hope you'll be back with us next year to read our insane remarks on life at rollicking Rolly's hither and thither . . . See ya when the leaves fly!

# Bicycles, Laughing At Solemn Moments Among Problems Of 'Spur Ex-Editor

By Jody Frutchey  
Sandspur Staff

"This term I'm 'Senior Slumping,'" states past Sandspur editor Phyllis Zatlin. "My one and only hobby is stretching out in the sun for hours, and I've dropped all activities except Chapel Choir, in which I'm the only female tenor, and 17 hours of literature courses. The most fun I've had in college is resigning everything," she adds.

"I've enjoyed not being editor of the Sandspur this term," she continued. "At times, putting out a paper is like beating your head against a stone wall. It's actually a full-time job which you have to on on a part-time basis."

Phyllis, who has completed majors in Spanish and French — "double majors are wonderful for confusing registrars" — will continue her studies abroad on a Fulbright grant after her graduation. She then plans to work on her master's degree at Tulane University, and then work for a doctorate.

Sailing for Grenoble, in the French Alps, on September 21, Phyllis explains that she has had two tetanus shots, three typhoid shots, one polio shot, and one smallpox vaccination in the past five weeks. "I don't know if I've had any reaction to the shots," she adds, "but I've developed a violent reaction to a hypodermic needle — I scream everytime I see one coming."

Phyllis has served as Student Council corresponding secretary, chairman of the Campus Improvements Committee, president of the Chapel Choir, a member of the Chapel Staff, and she was a Student Council Representative for the Independent Women for three years.

When asked if she had any advice for underclassmen, Phyllis commented, "I've learned from my own experience this term that when I have nothing to do but studies, I don't even get the studies done. I think students who consider themselves completely miserable here might be happier

FINISHING LAYOUT for the April Fool's Day edition of the SANDSPUR Phyllis Zatlin closes her career as 'SPUR editor. This term she has devoted to sunbathing and "senior slumping."

if they participated in some extracurricular activity — publications, the new Rollins Union, Council, or whatever happens to interest them."

Phyllis has been a past president of Phi Society, vice-president of Key Society, and has been on the Dean's List for 11 consecutive terms.

Winner of the Phi Beta Kappa award for having the highest scholastic average in the junior class last year, Phyllis was also a Woodrow Wilson scholarship in her junior year. This year she was elected to Who's Who among Students in American Universities and Colleges.

"Most kids learn to ride a bicycle at six or seven years old, and abandon bicycling by the time they're in their early teens," points out "Zoom-zoom" Zatlin. "I never owned a bicycle till I was 19." One man claims to have clocked her doing 32 miles per hour on Holt Avenue on the bicycle. "This could prove to be unfortunate," she said, "because there is a 15 mph zone on Holt Avenue by the college."

This was not her only adventure

Students with musical or literary leanings are reminded that the Independent Musicales, sponsored by the Independent Women on alternate years with the Campus Sing, will be held in 1961. Summer vacation might be a good time to start work on music or a script, which will be selected winter term next year.

with the bicycle which might have had disastrous results. "We were finishing a bicycle paint job in back of French House she reminisces. "There we were — two dismantled Meadow green bicycles, and three Meadow green girls in Meadow green bathing suits on the Meadow green lawn, with an empty spray can of Meadow green paint. At this point, who should come around the corner but one of the college's leading benefactresses, accompanied by the vice president of the college, who was in the act of pointing out to her the beauty of the view from the French House patio!"

On the subject of fraternities and sororities, Phyllis stated, "I think they are a detriment on small campuses. They defeat their own purposes. I believe many fraternity and sorority members agree with me on this."

"Unfortunately, I don't know what can be done about doing away with them at Rollins. If I did, I'd have done it," she smiled.

Phyllis seems to have a tendency to laugh at the wrong time, and she finds solemn initiations and making Vespers speeches amusing. "I expect to find graduation highly hysterical," she predicted.

At the end of the interview, Phyllis arose and mildly stated, "I originally made up my mind never to be spotlighted in the Sandspur — but I guess I've mellowed in this past term."

Hours 4:30 to 12:00

And the campus breathes a sigh of relief that Campus Sing and the 7:00 A.M. song practices are over for another two years. The Delts celebrated at Dubs Sunday night by serenading a couple on their 30th wedding anniversary. Yield: two rounds of drinks for all. Meanwhile Talbot Lovering chugged from the Trophy Cup as he stood on a table! Patty Stevens, Gamma Phi's songleader, can still only utter an occasional "I don't believe it!" Last word in Collegiate-ness at the Sing: the Lambda Chi's in madras and shades!

The after-beans hang-up sessions on the Center steps by the Clubbers are in full swing. Girls all agree that there is no more unnerving experience in the world than being stared by 15 or more boys while taking the long walk from Orlando Hall to the center door any evening about 6:30. Monday night, one-armed Claude Crook gave a performance for his whole fraternity there. . . Don't ask!

At the Sigma Nu party Saturday night, winding up a wild weekend, someone told Tom Dolan to drop dead — which he promptly did, flat on the floor. But, alas, Baby Hewitson's efforts to revive him with a drink were in vain. . . flowers were sent by the Kappa pledge class.

Anita Tanner, June bride-to-be, was given a lovely shower by the Theta's yesterday. The senior party was sweet and sad, but general mood in the Theta house is one of celebration over winning the Intramural Trophy — again! The Kappa senior party is this afternoon at L'Auberge.

The German singing TKE's will entertain tonight at the Haufbrau House. Nothin' like singing for your supper! We understand that some people are gung-ho science, but why did Ted Bradley have to stay in Knowles Hall Saturday till 3:30 A.M.? Was he REALLY classifying plants all that time, or did he just plain get locked in?

Rich Cole has a new system for going to sorority steak fries — like he asks himself! He says the Pi Phi party Friday was worth it. (Richie is the type of person who lends "character" to our campus, if you get the picture!)

Katie Moore was "sittin' (rather, dancing) on the top o' the world at the Chi O dinner dance at Pine Hills Country Club Saturday. With a date like Debonaire Denny Casey, who can blame her! Chi O Kaiser (some people know him as Jerry Fraizer) had no complaints, either!

Bonnie McSwans comment at the Alpha Phi party Saturday nite — "I'm so-o-o relaxed. . ." Must have been due to the soothing personality of her date Bob "Gigolo" Bunim!

The Chi O's and KA's had a joint party at the senior Green's house in honor of the approaching marriage of Ruth Wilder and son, Bob.

Roland Lamontagne & Larry Breckenridge can't make up their minds whether or not to join the Olympic high-jumping team. . . Meanwhile, they expect to enjoy the heralded "best Lambda Chi party in years" at the Pine Hills Country Club tonight.

Certain Gamma Phi seniors aren't satisfied with the 12:00 P.M. curfew, but then . . . who is?

Engaged: Sandy Logan (Kappa) to Dick Bishop (Club)

Pinned: nobody, as far as the Grapevine knows.

Unpinned: MANY!

Pledged: Sandy Rainey, to Kappa

Wedding tomorrow: Muff Murphy (Kappa, '59), in Chapel.

Tray and silver man-of-the-week: Ken Salmon

Ferment signing off for this year . . . Hope your summer has many educational adventures in store for you!

# Program Changes Include Return Of IM Football

Several changes were made in the Mens Intramural program for next year, the major one being the return of flag football in the fall. At the last meeting of the Intramural Board this was voted in 6 to 2 and several changes were made to help keep down injuries.

## Theta's Capture Volleyball First; Varsity Named

By BABS BERTASH  
Sandspur Sports Writer

With the completion of the volleyball games the women's intramural season closed. The Theta's captured the number one spot in the volleyball round robin after having an undefeated season. The Women's "R" Club released the names of varsity volleyball team; the following girls have been elected to the team: Sandy Smith, Linda Qualls, Debbie Williams, Bonnie Stewart, Shay O'Brien, Julie Van Pelt, Gena Pendergast and Joan Pinkerton. Scores of the final week's games were:

- Indies were defeated by Kappa's — 15-2, 13-8
- Theta defeated Gamma Phi — 15-4, 7-10, 15-3
- Alpha Phi bowed to Phi Mu — 13-9, 7-11, 10-8
- Pi Phi defeated Chi O — 6-15, 15-0, 12-7
- Gamma Phi defeated Indies — 12-7, 6-11, 13-11
- Phi Mu bowed to Kappa — 10-12, 10-3, 11-6
- Theta defeated Pi Phi — 15-5, 14-2
- Alpha Phi defeated Chi O — 15-3, 9-11, 15-3

The Women's "R" Club officers for the coming school year were recently elected. Gayle Jordan will take the chair as president, June Worthington is the new secretary and Gena Pendergast will hold the money. One of the highlights of the club this past year was the banquet at Orlando Country Club on May 17th. The food, fun and champagne were enjoyed by all!

## FIC Schedule Set

The Florida Intercollegiate Conference Soccer schedule for fall 1960, announced last week. Rollins' booters will play eight games, six of which are conference matches. The Tars open their season October 15 against Emory University. The schedule for next year is:

- Oct. 15 Emory University
- Oct. 22 Florida Southern
- Oct. 29 Stetson
- Nov. 5 Jacksonville
- Nov. 9 Florida Southern
- Nov. 12 Univ. of Fla. Soccer Club
- Nov. 19 Stetson
- Thanksgiving
- Dec. 3 Jacksonville

## X Club Wins Second Annual Men's Field Day

The X-Club won the second annual Field Day held in the Sandspur Bowl last Saturday, May 21. The Club's Sam Scales took individual honors with three firsts for a total of 15 points.

Scales won the 100 yard dash, the 200, and the 440, setting new records in all three events. The time for the 100 was 10.8; the 200, 25.4; and the 440, 59.1.5.

X-Club won the 440 yard relay with Ronnie Brown, Jim Cooper, Jerry Beets and Mabrey Manderson making up this team. They also won the 880 yard relay, after Sigma Nu was disqualified from the race.

Barry Barnes of the X Club took the high jump duel from Ralph Tanchuck at 5'8 1/2". Tanchuck set the record last year at 5'10 1/2".

The Club scored a total of 44 points, with Sigma Nu, last year's Field Day winner, second with 25. Lambda Chi scored 22, TKE 8, Delta Chi 6 and KA, 2.

There will be no blocking allowed down-field; however blocking will be allowed on the line. The receiver of the kick-off may choose to throw a forward pass if he does not take more than three steps with the ball.

Other changes were the scheduling of IM tennis for the fall, with golf being held in the spring term.

The golf will be on an elimination basis with a three man team from each club, each of the three playing the other team's players in match play. The club winning two of the three matches will be the winner. The matches will be scheduled and will be nine holes. Basketball will be played outside on the courts back of the Physical Ed building. Volleyball will be played at the end of the winter term and beginning of the spring term.

The 12 pound shotput will be added to the Field Day and horseshoes will be held as a tournament with points being given for this activity.

A soccer tournament for a trophy will be held the first of January with varsity players being allowed to play. The tournament will be open to all clubs but there will be no intramural points for this.

Swimming and table tennis will be held in the Spring.

## Lambda Chi Overcomes Indies To Take Table Tennis Championship

Lambda Chi won the Table Tennis Championship for the second straight year, winning six matches and losing only one in the League play, which was held in the KA and TKE and Sigma Nu houses, on Tuesday nights for the past seven weeks.

The Lambda Chi team, composed of Mike Alegra, Mort Dunning, and Luis Dominguez, is the same team that won for them last year.

Their only loss was to the X-Club but they were indeed fortunate to win the championship this year as the Independents challenged them all the way and on the last Tuesday of the league play these two teams were tied for first place.

Rollins Berger defeated Luis Dominguez in the afternoon and Bob Mays of the Independents was leading Mort Dunning 20-15 the final game of their match, but Mort steadied down and with the help of two net cord shots and some fine placements went on to win 22 to 20. Jim Levy tried to give the Independents their first trophy in intramural play but Mike Alegra was too

tough for him and he lost in two close games.

The Sigma Nus defeated the Faculty 2 to 1 in the final play while TKE took the measure of the X-Club by the same score in the final night.

The final standings in this league are:

Team	Won	Lost
Lambda Chi	6	1
Independents	5	2
Sigma Nu	5	2
X-Club	4	3
Faculty	3	4
KA	3	4
TKE	2	5
Delta Chi	0	7

## Only Senior On Tar Baseball Team, Bunky Davis 'Hard To Replace'

BY WAYLON LEE

SANDSPUR SPORTS WRITER

I went over to Coach Justice's office and asked him to give me some original statement about Isaac "Bunky" Davis, the only senior on this year's Tar baseball team. There was no hesitation as he stated flatly, "Well, I tell you right now, Bunky is going to be hard to replace. Ever since 1951 Rollins has been blessed with a little left-hander with a style similar to Bunky's and Bunky has held his own with the best of them."

During the last three years Joe has called on "little Bunky" to win the tough games, and these tough ones are the kind he has specialized in winning. Against Ohio State, Florida, and Miami, the strongest competition Rollins faces, Bunky has handled all three of them as though he owned them.

Joe will tell anybody that Bunky is a pleasure to have around the school, because he not only excels in sports but also, is a good student. A "B minus" average is something to be proud of even if he were a

DAVIS

theatre-arts major. But when you combine a "B minus" average with a 21-8 won and lost record, and a .250 batting average, for four years, you have to agree with Joe; Bunky Davis, will be hard to replace.

## Mutert Earns Batting Crown

Carl Mutert has won the coveted triple crown batting title for the Tars for the 1960 season driving in 21 runs, hitting seven homers, and ending the season with a .345 average. Mabrey Manderson finished second in hitting with a .333 average, and Mike Pohlman was third with .316.

Up until this year, there has never been any trouble deciding the winner of the batting title because it has always gone to someone who played regularly throughout the season.

This year, however, a problem arose, but Coach Justice decided that since Mutert had played in over half of the games and done such an outstanding job of hitting, he deserved to receive the award.

## Delts Win First Game In Final Softball Playoff

Delta Chi won the first game in the final Shaughnessey play-off for the Spring Softball Championship by defeating the X-Club 5-0.

## Pelican Chairman Reveals Schedule

Jim Brown, chairman of the Pelican committee, has announced the Pelican dates which have been assigned for the 1960-61 school year.

The Alpha Phi's will have the first Pelican of the fall term, on October 8. The following weekend, October 15, is left open because of rush. Anyone desiring to do so may use the Pelican on open weekends.

TKE will use the New Symrna beach house the weekend of October 22; X Club, October 29; Sigma Nu, November 5; Chi Omega, November 12; and Delta Chi, November 19.

Over Thanksgiving vacation, November 23-28, the Pelican will again be open to anyone who wishes to use it. The Gamma Phi's will have the use of the Pelican on December 3, and the Independent men have the last Pelican of the fall term, December 10.

The first weekend of winter term, January 7, is open weekend. The Independent Women will have the Pelican January 14; KA, January 21; Theta, January 28; Kappa, February 4; Lambda Chi, February 11; and Phi Mu, February 18.

February 25, Founder's Weekend, will be a closed weekend. The Pi Phi's will have the March 4 Pelican, and the Sigma Nu's will have it the weekend of March 11.

Following spring vacation, March 15-23, which will be open dates for the Pelican, the TKE's will use it on March 25 and X Club on April 1.

Fiesta Weekend, April 8, will be open. Alpha Phi will have the use of the beach house April 15; Chi Omega, April 22; Delta Chi, April 29; Gamma Phi, May 6; Independent Men, May 13; and Independent Women, May 20. May 27, the final weekend of the school year, will be open.

## Modern Artists In 'Deep Water'

(ACP) — Modern art has reached the point where it all looks alike, in the opinion of one Fresno City College art instructor.

"At some of the big shows one gets the feeling that all the work could have been done by one person," Walter E. Witt told a FCC RAMPAGE reporter.

"The individualists have defeated their purpose," Witt said.

Witt was reminded of a saying he had heard: "The modern artist is like an oyster fisherman; he has to go farther into the water for each catch."

As an afterthought, he added, "And some of them are in over their heads, and will drown fast if they don't watch out."

Jack Bofinger, pitching the best game of the season, had a one-hit game, with Bill Lauterbach of the Club getting the only hit on an infield bunt.

Bofinger had great support in the field, especially by Cope Garrett who made some excellent catches in center field.

The X-Club boys were hitting the ball hard but every one went right to some fielder.

Dave MacMillan was the heavy hitter for the Delts with a single in the first and a home run in the sixth. Bofinger did his share at the plate and scored two of the runs for his team.

In the play-off for second place, Delta Chi had eliminated Lambda Chi while the X-Club beat the Faculty two straight games, each by the same score of 10-4.

The Faculty had a real workout the last week of play tying for fourth place. They played KA on Monday and won. Then on Tuesday, they beat Sigma Nu and took on the X-Club Wednesday and Thursday.

"Old Iron Man" Chubb, who was a great baseball pitcher in his day, did all the chuncking for the faculty while Dan Nyimica and Joe Justice added a great deal of strength to the faculty for the last few games. In the last game with the X-Club Nyimicz made eight put outs without an error. Norman Copeland was the big gun at the plate for the Faculty with two hits, a double and a single.

## Douglass Speaks At Commencement

"A cold was is going on behind the 'age curtain' quite as surely as the political war behind the 'iron curtain,'" Dr. Paul Douglass, Rollins professor of government, told the graduation and honors convocation of Palm Beach Private School last week.

Teenagers, he pointed out, are reaching toward adult status through experimentation with adult roles as they feel their way toward taking their places as contributing members of society.

At a time when leisure is superseding work as the organizing factor in life, with more disposable time, energy and money than ever before in history, much tension is eliminated. Dr. Douglass asserted, when parents keep young by understanding their children in the context of the times and recognize that their children are already seriously experimenting with adult roles.

Likewise, the teenagers are worthy of being called adults rather than juveniles to the extent that they understand the necessity for inner discipline in the age of abundance, and pursue authentic, self-accepted goals.

## X Club Takes Men's IM Trophy With Record Total

The X-Club has won the Intramural Championship with a new record of points for the J. Gordon Clerk Trophy.

Last year they scored a total of 1888½ points, to win the trophy and they have at the present time, without the completion of the Shaughnessey play-off in softball, a total of 1936½ points. If they should win the play-off they will get an additional 50 points, but if they finish second they will have only 25 to add to this total.

Lambda Chi will finish in second place with a total of 1520.

Delta Chi will probably take third place if they win the softball play-off, with Sigma Nu fourth.

## ODK Decision Criticized, Explained

(continued from page 4)

dates worthy of the award, or for other reasons, which need not even be stated, to decide against presenting the award at any time they choose.

One member of Council recently expressed the feelings of his group by saying, in effect, "We feel that it is unfair to not award the trophy, and announce it so late in the year, because we have been working all year to win the trophy."

The letter printed above points out that many times men need a little "push" because they do "not have the confidence or incentive" to do things on their own.

Or the first complaint, I would only like to point out that this proves, as was stated in Tony's letter, that many social groups participate in activities merely for the sake of winning the trophy. This was not the purpose behind the trophy, and it has been discontinued, for this year at least, and until we can find a satisfactory method of evaluating

Rollin government students, under the auspices of the Center for Practical Politics, again worked with local television station WESH-TV last Tuesday night, phoning in precinct results in the gubernatorial election.

Nearly 120 Rollins government students served as special reporters in the Democratic run-offs earlier this month, working with two central Florida television stations, WESH-TV and WLOF-TV to phone in election returns. Two students were stationed in each precinct in Orange County and two traveled to each of the even adjoining counties to tabulate results.

The result of this experiment, organized by Rollin Berger, Jamie Magirl, Lynn Maughs, Sally Satchwell, and Ginny Willis under the direction of Dr. Paul Douglass, was "total satisfaction."

these qualities for which it is to be awarded.

Among these qualities, and of primary importance, is leadership, as the title of the trophy implies, and leadership, as I see it, does not often go hand in hand with lack of "confidence and incentive."

Exactly how the "Pink Palace" figures into the above mentioned "elimination of competition" I have been unable to discern, but I would like to point out that the decision to discontinue the awarding of the trophy rested in the hands of the student members of ODK, by virtue of the number of deciding votes, and these represent the majority of the men's social groups on campus.

If the trophy is the only stimulation of inter-fraternity competition, and its elimination eliminates at the same time competitive spirit, then there is indeed no group worthy of the award, for its purpose was not to stimulate competition but to recognize the group which entered into this competition and participated exhibiting attitudes of outstanding character and sportsmanship.

It being the prerogative of ODK to award the trophy when and if it chooses, it is our prerogative to use "good judgement" if such has been used, especially if our decision has been, as we feel it is, more conducive to the encouragement of the attitudes which the trophy will seek to recognize if it is presented again.

Walt Cain

faction," according to Walter Baker of WLOF and Al Moffett, of WESH. WESH asked the Rollins students for help in Tuesday's runoff.

Said Baker, "We needed young mature people to give intelligent reports in covering these precincts. The assistance given by the Rollins Center was very valuable."

Dr. Douglass called the program not only a public service for central Florida, but a valuable experience for Rollins' students in the fundamentals of American politics.

## Degree Candidates

(continued from page 1)

ber, Sefton Barnes, Valerie Baumrind, John Bofinger, Jody Boulware, Tager Bowman, Edward Brady, Vallorie Burnette.

Ellen Sydney Burt, Virginia Butler, Julie Cade, Margaret Carmichael, Cleo Chambliss, Isaac Davis, Helen Dettra, Richard Diversi, Marilyn Dupres, Arthur Egan, Carol Lynn Egry, Charles Barth Engert, Raymond Greene.

Valerie Greene, Elizabeth Halperin, Gorham Harper, Melody Stearns Hastings, Karen Nordberg Hendrex, David Hewitson, Francis John Hickey, Eleanor Kenyon, Robert Kipp.

Daniel Laurent, Laura Kay Leimbacher, Robert Lerner, Suzanne Lewis, Carla Sandy Logan, Nelle Snow Longshore, Betty Sue Lukins, James Lyden, Allan Burnam MacLeod, William MacLeod, Stephen Mandel, Richard Mansfield, Bruce McEwan.

Virginia Owen McHaney, Nathaniel Mendell, Richard Mertz, Sandra Miller, Thomas Miller, Dale Montgomery, Stanley Mores, Charles Morley, Franklin Morse, William Moulton, Carol Muir, Juanita Cameron Murray, Ralph Oestricher, Louise Palmer.

Nancy Pfanner, Charles Gilbert Pierce, Wellington James Ramsey III, Priscilla Ransom, Robert Rauch, Jean Riggs, Gwynva Ogilvie Salyer, Arlene Crew Sanderson, Sally Satchwell, Phillip Scott, Carol Sitton, Gail Smith, Kathleen Cecelia Smith, Patricia Stevens, Robert Stewart.

Scott Edward Strahan, Gail Sutcliffe, Anita Tanner, Mark Tiedje, Robert Todd, Elizabeth Van Mater, Juliet Van Pelt, Gerit Verburg, Nancy Watzek, Joan White, Mary Whitman, Deborah Williams, Joseph Wingerter, and Phyllis Zlatin.
