## Fairbanks Closing is Near

### Sunday Concert To Feature Duo Of Rollins Profs

At 4 p.m. Sunday in Annie Russell Theatre, baritone Ross Rosazza and pianist John Carter will appear in the second event of the 1965-66 Rollins Concert Series.

Both artists are long-time professors at the Conservatory of Music and are popular recitalists in the South.

Prof. Robert Hufstader, conservatory director, announced that the duo will present a program of German lieder (songs) Sunday afternoon giving students and faculty a rare opportunity of hearing this type of musical literature.

Students of Rollins are reminded that they are given complimentary admission to all events in the Concert Series. Faculty and staff pay half price (only \$10) for two tickets to all concerts - and there are eight more on the season's program.

Sunday's recital by Prof. Rosazza and Prof. Carter will be repeated by them twice next month in Virginia. One performance will be presented in Richmond for a symposium of 19th Century Art and the second one will be offered in Suffolk.

### Bulletin Boards Not for Public

The Student Union says its bulletin boards are overloaded by students using the boards for non-union means. Starting today the Union Publicity committee will prohibit any non-union notices and posters on these boards.

The Union will put up boards in or around the Union for the specific use of student barter, getting rides, publicizing non-union events, etc.

## Reviewers Give High Praise To Dr. Rhea Smith's 'Spain'

Dr. Rhea Marsh Smith, professor of history, is receiving plaudits from reviewers on this recently published book, "Spain", a comprehensive history of that colorful country.

Here are a few quotes from outstanding newspapers in the U. S.: "Here's an exciting and often violent story which Prof. Smith tells with scholarship and dedication to the truth." (The Chicago Tribune)

"...she has thoroughly immersed herself in Spanish history. The author maintains the high scholarship of earlier volumes in this series (Univ. of Michigan History of the Modern World). He is impartial in presenting historical facts but adds some interpretive comments to help in understanding them. This book will be helpful to the prospective tourist and to the student of world affairs as well as those taking a college course." (The Dallas News)

"This scholarly volume is worthy of a much longer review than our limited space makes possible. The histories from the presses of Univ. of Michigan are unsurpassed for their scholarship and timeliness." (Excerpt from Daniel A. Poling in the Christian Herald)

"It is certainly the most readable single-volume history of Spain that has appeared in many years." (From a critique by Jose Sanchez, author and assistant professor of history at St. Louis Univ.)

"This is a first-rate account of the developments in the Iberian Peninsula...Prof. Smith lucidly deals with events. This is a thoroughly scholarly book, reflect-

One of the earliest airplanes of KLM Royal Dutch Airlines was the historic Yorker. The SANDSPUR will frequently carry articles and pictures of the history of Holland, our "Country of the Year."

## Council Reports

The Kingston Trio concert cleared \$563 after subtracting \$124 in expenses from the \$687 income from ticket sales. The expenses included such commodities as lights, cost of printing the tickets, and the rental of the sound system. The concert was assessed as the most successful in Rollins history.

The Beanery Committee announced that the formal dinner to celebrate Thanksgiving will take place on Tuesday, November 23. Of course, there will be another Thanksgiving dinner Thursday evening for students remaining on campus over the four-day holiday.

The Beanery Committee also reported that there is a lock on the ice machine at the rear of the dining hall because it produces only a certain quantity of ice, and the total amount is necessary for use within the Beanery. Last year, because of a lack of ice due to student use, the Beanery was forced to purchase large quanti-

ties of it from outside sources.

An amendment, proposed by Women's Rules Committee, passed unanimously allowing women to petition the Dean of Women for permission to hold open houses on the first and third Sundays of every month. The amendment stipulated that at least three girls must be present in the rooms and the doors must be left ajar.

The Traffic Committee explained that it is presently discussing the possibility of another parking lot on campus with vice-president John Tiedtke. The problem obviously exists since there are 753 registered cars on campus and only 540 parking spaces.

The Publication Board proposed that after this year the editor of the Sandspur should assume office in September and serve his term straight through the school year. The proposal was unanimously approved.

The Women's Rules Committee will report next week on the newly proposed telephone system for the girl's part of the campus. According to a memorandum issued by Dean Howden, girls would be able to have private telephones in their rooms at a cost of \$45 per school year. Certain details, however, still must be clarified such as restrictions on long-distance calls, etc.

### Army OCS Team Slates Visit Here

A selection team of Army Officer Candidates will visit the Rollins campus Wednesday and Thursday, Dec. 8-9, team leader Lt. Jay R. Hackleman announced today.

Lt. Hackleman and SFC Floyd Taylor, both from the U. S. Army Third Recruiting District headquarters at Fort McPherson, Ga., will interview interested college seniors and graduates at the student union for the officer candidate enlistment option.

Fort Benning and Gordon, Ga., Fort Sill, Okla., Fort Knox, Ky., and Fort Belvoir, Va.

Graduates of OCS are commissioned second lieutenants in the Army. They must agree to serve a minimum of two years as commissioned officers after completing this training.

The Army team visiting campus is one of ten touring selected colleges and universities throughout the nation this fall. The recent action of increasing the size of the armed forces has caused a need for a corresponding increase in the Army's officer corps.

## Rerouting Hazardous 426 Promises United Campus

Work may begin by early December on rerouting State Road 426 (Fairbanks Ave.) around the Rollins campus, deputy district engineer C. A. Benedict announced Tuesday.

From his Deland office Benedict said that Hubbard Construction Co., of Orlando has won a \$129,865 contract from the State Road Dept. in Tallahassee to do the work, which will take 80 working days, or about four months.

## Uruguayan Envoy Talks On Alliance for Progress

The ambassador from Uruguay to the United States, Juan Felipe Yriart, visited the campus this week as the guest of the Rollins Latin American Studies Department. Wednesday evening he delivered a public lecture in Bingham Hall on the subject of the "Alliance for Progress Focused on the Individual American Republics."

During his three-day stay at Rollins Ambassador Yriart met with several classes in the Latin American Studies field and was guest of honor at several receptions organized by students and faculty members. He was the guest of President Hugh F. McKean at a coffee with members of the Rollins Board of Trustees on November 16.

Dr. William G. Fletcher was faculty host, and student hosts were Kathy Coward, Mrs. Sandra Jones, Frank Amatea, George Filippone, and Bob Gustafson.

Ambassador Yriart has been in the diplomatic service of his country since 1939. He has served in Uruguayan embassies in several countries and was Ambassador in Sweden, Finland, and The Netherlands before being appointed Ambassador to Washington in 1963. His first diplomatic post was in the Uruguayan Legation in London. He has also served his country in such international agencies as the Inter-American Economic and Social Council and the General Assembly, the Food and Agriculture Organization, and individual committees of the United Nations, and was delegate of Uruguay to the Conference in 1959 which established the Latin American Free Trade Association.

### Deaths

Dr. Edwin Osgood Grover, former vice president and professor of books Rollins who died Nov. 8 at the age of 95, was founder in 1933 of the Book-A-Year club, revenues from which so far have totaled \$124,565.

In addition to his academic career, he was a publisher, author, and poet.

It has been a tradition at Rollins to establish Book-A-Year memorials for trustees, administrators, faculty, staff, students, and alumni.

Dr. Grover's daughters have requested that in lieu of flowers, gifts be made to the Book-A-Year memorial. The gifts will go toward an endowment fund of \$150. The income from this fund will be used to provide for the purchasing of books for Mills Memorial Library.

Checks for any amount may be to Rollins College, or to the Book-A-Year club, and addressed to Box 86, campus mail.

President and Mrs. Hugh F. McKean have taken out a memorial membership.

The low bidder, Hubbard Construction Co. had 16 days in which to sign and return the contract, when it was awarded Nov. 4.

That part of SR 426 affecting Rollins is Fairbanks Ave. from Park Ave. When rerouting of 426 is complete, Rollins will take possession of portions of Chapman, Comstock, and Fairbanks Avenues, much in that manner as it now controls Holt Ave. In return, Rollins contributed the bulk of the property necessary for the road change, and many of the buildings on the north campus were moved specifically for the new road.

The new routing for SR 426 will begin with a turn north from its present course east of the Shell service station at Fairbanks and Park. It will cross Comstock Chapman north of its present crossing then merge with Comstock at Interlachen. From there it will angle into Chase Ave.

## City Commission Reverses Order

The Winter Park Board of City Commissioners recently reverse the Planning and Zoning Board's decision turning down a request by Rollins to rezone certain Winter Park lots to the classification of "Rollins College Campus".

The lots involved are located on Chase and Ollie Avenues, a short distance from the campus proper. The college intends to build at least one, and possibly two, new dormitories on the sites, according to vice-president John Tiedtke.

The Park and Zoning Board originally turned down the Rollins request to designate these lots as "campus" because they are not directly adjacent to the present physical plant.

In order to reverse a Planning and Zoning Board's decision, the City Commission must vote 4-1 in favor of such a move. In this case, the Commission unanimously in favor of the Rollins request since there were no complaints from neighbors or anyone else.

Frank Weddell performs at a second Union sponsored folk sing Sunday night. Weddell has charge of arranging the folk sings under the fine arts committee.

## Libra Inducts Seven New Members

ORDER OF LIBRA (l. to r.) Jean Britt, Mrs. Nina Dean, Carol Bagnell, Barbara Beegle, Patsy Blackburn, and Dutchy Bodenheimer.

The Order of Libra, women's leadership organization, has announced the induction of seven new members. They are Patsy Blackburn, Barbara Beegle, Carol Bagnell, Elizabeth Bodenheimer, Jean Britt, Lynn Hunter and Mrs. Florence Linck.

The sign of the Libra is a pair of scales signifying balance. Women who earn the honor of wearing this symbol have been selected because they combine qualities of leadership, scholarship and character in the highest form of womanhood.

The group awards the Nina O. Dean Libra Leadership trophy annually to a women's social group. Mrs. Dean, professor of English, is Libra's advisor.

Patsy Blackburn, of Homestead, has received the Algernon Sydney Sullivan award, is currently vice president of the Student Association, and is former Tomokan editor. She has been a Miss Rollins contestant as well as vice president of Phi Beta Phi sorority.

Barbara Beegle, from Boca Raton, has been a student counselor for two years and has been active in the Spanish Club. She has been on the

Dean's list several times and serves as secretary of Phi Society. A member of Chi Omega, she recently was nominated for a Danforth Fellowship.

The following members were included in the November 3 tapping:

Carol Bagnell, from Levittown, New York, received Honors-at-Entrance as a freshman and has been on the Dean's list every term. She has been active in the student legislature and Orientation committee. A Miss Rollins contestant, Carol currently serves as a student counselor.

Elizabeth (Dutchy) Bodenheimer is a junior English major from Shreveport, La. A cheerleader, Dutchy also has been chairman of the Rally committee. She is pledge trainer of Kappa Kappa Gamma. In addition, she has been a chapel reader and a member of the Orientation Steering committee.

Jean Britt from Winter Park, has participated in many extracurricular activities but still maintains a Dean's list average. She has appeared in numerous theatre productions including "Kiss Me Kate." Also active in sports, she represents Kap-

pa Kappa Gamma in intramural sports, a cheerleader, and has achieved membership in the Women's R.C. Club. Lynn Hunter, from New York City, is president of Panhellenic Council. She is a member of Phi Society and has sung in the Chapel Choir. She now acts as vice president of Gamma Phi Beta.

Mrs. Florence Linck was tapped as an honorary member of Libra. Mrs. Linck came to Rollins in 1951 as house mother of Chase Hall. For seven years she was secretary to the Dean of Women and has been on numerous faculty advisory committees. Mrs. Linck currently is house mother of Cloverleaf Cottage.

Carol Clark

## Clark-Mulock Set June Wedding Day

Mr. and Mrs. William H. Clark have announced the engagement of their daughter, Carol, to Bruce Knight Mulock, son of Mr. and Mrs. E. McCord Mulock.

Bruce and Carol were engaged on August 31, in Greenwich, Conn. The planned marriage will be June 4 in Knowles Memorial Chapel by Rev. T. S. Darrah.

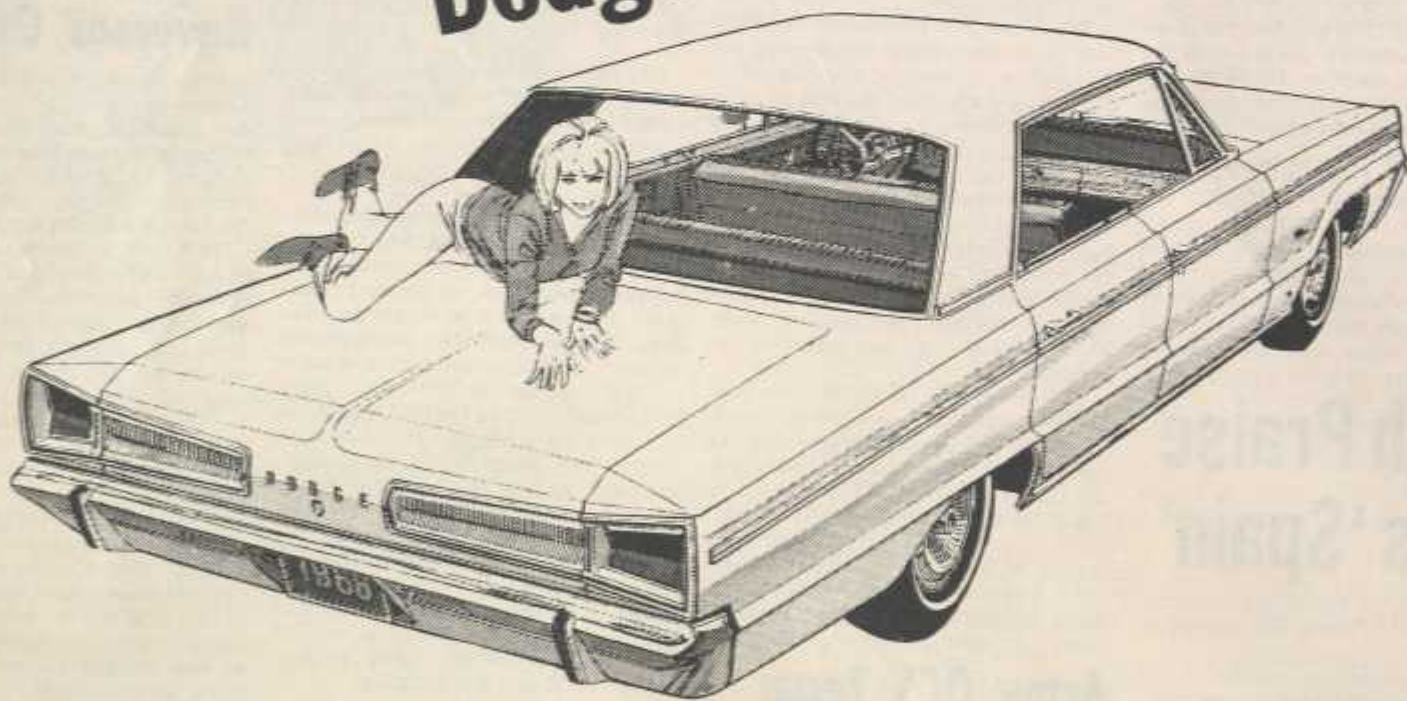

Janet Clark, Carol's younger sister, is to be maid of honor. Sally Shinkle, KKG, is to be a bridesmaid. There are no definite plans as of yet to the type of gown to be worn by the participants except that it will be a formal wedding either late afternoon or evening ceremony and the girls will all wear long dresses.

Bruce Mulock, TKE from Greenwich, Conn., is 22 years old and a resident advisor at Lingerlong. He is majoring in Economics and hopes to attend the Crummer Graduate School next year. Bruce will graduate from Rollins June 3.

Carol, of St. Petersburg, Florida, is 20 years old and president of Kappa Alpha Theta. She is a junior majoring in elementary education and will graduate in March 1967.

They plan to live in Winter Park and work here this summer.

**Demand more  
"big" in your big car.  
Insist on  
Dodge Polara!**

Go ahead. Be rebellious. Demand more "big" in your big car. And get it at a price that won't take a big bite out of your budget.

By Dodge, you've got it. Polara! More "big." More "hot." More of everything others have not.

Ever see the likes of it? Neither has your next door neighbor or the doorman at the club or the parking attendant who can easily pick Polara from a lot full of "me, too" cars.

Polara's different, all right. Looks, drives, performs like the elegant piece of machinery it is. Covered by a 5-year/50,000-mile warranty.\* Complete with all these items that used to cost extra: Outside mirror. Padded dash. Variable-speed electric windshield wipers and washers. Backup lights. Turn signals. Seat belts, two front and two rear.

Insist on Polara at your Dodge Dealer's. A beautiful new way to break old buying habits.

Enlist now in the Dodge Rebellion.

DODGE DIVISION

CHRYSLER  
MOTORS CORPORATION

'66 Dodge Polara

**HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU:** Chrysler Corporation confidently warrants all of the following vital parts of its 1966 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings.

**REQUIRED MAINTENANCE:** The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Join the Dodge Rebellion at your Dodge Dealer's.

## Kingston Trio Huge Success

By Patti Fran McCrary

In what was acclaimed by most students as the most successful Rollins concert so far, the Kingston Trio delighted a full house at the Winter Park High School last Wednesday.

The Trio, accompanied by Dean Reilly on bass, performed many of their best-selling songs during the two-hour concert.

On a nationwide tour primarily college-based, the group came to Rollins from St. Augustine. From Winter Park Nick, Bob and John headed for New York, where they will appear on the Mike Douglas Show this week.

The three, all with families, are together a total of about six months out of the year. They now concentrate on tours and recordings, and plan more TV shows in the future.

In an exclusive Sandspur interview, Nick discussed his other main interests—building and racing sports cars. He will be at one of the tracks in Florida later in November.

Trio member John Stewart, it was discovered, is a songwriter. The Wee Five (his brother is a member of that group) has recorded one, and Paul Revere and the Raiders are to do one fairly soon.

## Rollins Receives \$11,030 in Grants

Several companies have made grants to Rollins totaling \$11,030 since October 1.

The Algernon Sydney Sullivan Foundation gave \$5000 for the George Hammond Sullivan Student Loan Fund and another \$5000 for the Annual Grant for Scholarship Aid. The Foundation also appropriated \$200 to the chapel. President of the Algernon Sydney Sullivan Foundation, William E. Bardusch, presented the grants.

James Jones presented a grant of \$200 in behalf of the John Deere Company. The Continental Can Company gave Rollins a grant of \$430.

Many of the grants were made through the Associated Florida Private College Fund. The member colleges are Rollins, Barry, Stetson and Florida Southern. Money received through this fund is divided equally among its members.

## Literary Club Meets Tonight

The Literary Club has begun its meetings again. The club meets Thursday evenings in the Woolson House at 7:15 p.m.

T. S. Eliot will be the topic of discussion Thursday night. On Dec. 2, Martin Derida will lead a discussion on Dostoyevski, and on Dec. 9, David Legge will talk on the plays of Edward Albee. Students interested in the club are encouraged to read thoroughly in the field that is to be discussed.

Dr. Ross Brackney is advisor to the club.

## Rollins Co-eds Excavate South Coast of England

Priscilla Zeigler and Susan Stiles spent an unusual summer in England. Together they helped to excavate an important site on the South coast of England under a program which enables American students to make a valuable contribution to the many archaeological investigations requiring help in England today.

The two girls first attended a three-week training seminar in British archaeology and techniques at Westminster College, Oxford and then went off to the South coast.

They were both members of a large team working on the excavations at Fishbourne of what appears to have been a palace erected soon after the Roman Conquest in the first century A.D. The buildings, more than 100 yards square, cover a larger area than any other from that period in Britain. Interesting mosaics were discovered and the size of the place so early in the Roman period suggests that it was built for the first governor of Britain or even for the Emperor Claudius. The girls stayed in an empty schoolhouse and had the opportunity of going to Sir Laurence Olivier's new theater in nearby Chichester.

A similar six-week program, half seminar and half "dig", will be repeated in 1966. Total cost of the

program will be not more than 675 dollars, including round trip transportation. Part scholarships are available to suitable students with a B plus average.

Information is available from Ian A. Lowson, Association for Cultural Exchange, 539 West 112th Street, New York City 10025. Closing date for application is expected to be January 1.

## Griswold Heads Teaching Group

Dr. Kenneth Griswold, associate professor of education, was elected state president of the Florida Association for Student Teaching last week at the association's annual state conference here.

Attending the state conference, of which Dr. Griswold was chairman, were approximately 100 educators from Florida colleges, universities, and public schools.

Rollins students conducted registration, served at the coffee hours, and assisted the guests throughout the conference. Students were also active at the banquet when the Rollins Singers provided entertainment.

The Florida Association for Student Teaching is a division of the National Association and is dedicated to the improvement of the laboratory experiences of pre-service teachers. The association has memberships in every county and teacher education institution in Florida.

## THE 'SPUR SPEAKS

A recent report indicates that American colleges and universities this year are accommodating approximately 5.4 million students, an increase of eight per cent over last year and two million more students than five years ago.

It's an oft-repeated statement that things began to tighten up on the educational scene after Russia launched Sputnik in 1957. And things still are changing. As a nation, we took a second look at our educational system, especially higher education but also its foundations, and then we made a sharp turn toward the more serious attitude that seems to be getting more so each year.

As one northern newspaper said on its editorial page, "Most of the new generation are extremely serious students. They will never know that collegiate type of life, for the most part, that made college a memorable experience for their elders, but they know that they must prepare themselves for a world that is rapidly changing and they cannot afford to be left behind."

A student who does not want to be left behind must hustle these days just to get into, let alone stay in, college. For example, New Jersey colleges this year turned away about 25,000 applicants, some who were honor students and valedictorians. That's quite a change from eight or ten years ago, when a good student usually had little trouble finding a college (disregarding any financial insufficiencies, which always are present among a large percentage of students).

Like the rest, Rollins too has undergone change. We have noticed a significant change here in the last three years alone. It was not so long ago that students were virtually immune (especially if they sported a sizable bank account) to dismissal on academic grounds. Not so anyone, as some freshman of last year, and yes, a senior or two, will testify.

## Make Way for Culture

Rollins College has just taken a large step backward in the academic field. Professor Lane, working through Vice-President John Tiedtke's office, recently issued a memorandum to all night school professors ordering them to dismiss their classes early so that "Music Man" playgoers will have sufficient places to park. The early dismissal of classes is to continue until the closing of the play.

Many of these more than 1000 night students affected by the memorandum travel nightly to Rollins from as far away as Cape Canaveral, Cocoa Beach, Daytona Beach, and Leesburg. Most of these students work at least an eight hour day but choose to devote their few leisure hours to education. Often times these students are judged as second-rate by the regular student body at Rollins and obviously by the administration.

The situation brought about by the recent memorandum is much more serious than "who is to park when and where." The memorandum illustrates a set of administrative value judgements that believes a social event for the community should take precedence over academic pursuit by dedicated Rollins students. The situation is most disturbing.

## Outdated Restroom

Let's get down to some unpleasant facts: The men's restroom in the Union basement is disgusting.

Now we won't get into the minute details but the filth was enough to turn away some distinguished alumni recently who had intentions of freshening up after a long trip to get here.

We suggest that the restroom either be remodeled with modern plumbing and lighting or closed down. The present image given by the restroom is one which we can do without.

## Spur Bulletin Board

Since the union says that only Union publicity may be put on the bulletin boards in the mail room, The SANDSPUR is making ready a bulletin board of its own to be placed outside the Spur office in the Union basement. We realize it's a little out of the way, but all are welcome to use it to help themselves buy, sell, trade, get rides and so forth.

All, that is, except the Union.

-0-

"Do girls who go to college have becoming engaged uppermost in their minds?" asks a columnist. Yes. Girls who go anywhere have this goal uppermost in their minds.

## Silent War With Russia

A WESH-TV editorial.

With the wars going on in Viet Nam and Kashmir, trouble spots such as Cuba, the Dominican Republic, and Korea are noticeably missing from the news headlines of today. Of particular note is the apparent "peaceful co-existence" between the United States and Communist Russia.

Both countries are currently telling India and Pakistan to cease their fighting over Kashmir, immediately. Russia is telling the world that she is NOT involved in the Viet Nam situation. And until this past week, we have not been bothered too much by the power of the Russian veto in the United Nations Security Council. Everything seems to be going smoothly between Communist Russia and the U.S.A. The villain now focuses on Communist China.

Still, it wasn't too long ago that a short round man with a balding head informed us, "We will bury you." And not too many moons have passed since we were told by this same man, "Your grandchildren will grow up under Communism."

Experts, in analyzing these words, have informed us that this would not be brought about through a global war between these two powerful countries, rather through slow, methodical, deliberate infiltration of Communist ideologies into our democratic way of life. Back in the days of Karl Marx, when the entire history and future of communism set down on paper, this was given as the main goal... to be done under the guise of "peaceful co-existence."

Nikita Krushchev is gone from the public eye now. But although he might be described as a "little" man in size, he was never known to speak hastily, or unwisely, insofar as Communist Doctrine is concerned. Those who have taken his place in the leadership of the Communist Party are just as dedicated, if not more so, to the cause of burying us under a blanket of Communism.

If the U.S. ever went into a so-called "hot" war with Russia, every man, woman and child in the nation would be affected. But we are not approaching a hot war, nor a cold war. We are involved, greatly involved, in a silent war. And it's time for everyone to take an active part in it. From the President and Supreme Court, right down to you and me.

We can first begin by voting in every election, we can improve our education through books and news media, we can and must be ever on the alert for Communism, in any form, infiltrating our American way of life.

The lights in the Kremlin are glowing brightly. Let us not be blinded.

## THE GRAPEVINE

Latest craze in the Delt house is bombing practice from the tower.  
Maxey says that Carol is still paying.  
Nice car, McKibben.  
Dubious achievement award of the month (safe driving department):  
Bruz Minich and Steve Wyss.  
Ralph, how's the john floor?  
It is true that Bob Schabes leads the F.I.C. in scoring.  
John and Pam gave Cary a party.  
It's a "do-nothing" for the PFers. Bartlett and Gig COULD be doing something about it.  
Which team in the F.I.C. has the best actors?  
Jim says he's leaving the Royal Castle, but we don't believe it.  
Shealor won't give up his cane.  
Booth, how is Pete?  
Corbin invaded the campus last weekend but has since wheeled back off into outer space.  
Larry Clark has a new toy.  
It's about those basketball games in the Sandspur office.  
Pinned: Nick Jones (TKE) to Joanne Mercer (Alpha Phi). And that's PAT Marks, not Pam, who is lavaliered to Bob Schabes. Also we hear that Gary spells his last name LAVIN (sorry).

## The Chapel Tower

By T. S. Darrah

This is an old twister. But George Stimpson puts it this way:

A man had a two-dollar bill and wanted to buy a railroad ticket that cost three dollars. He took the two-dollar bill to a pawnshop and pawned it for \$1.50. He met a friend at the railroad station and sold him the pawn ticket for \$1.50. Then with three dollars, he bought his ticket.

Obviously, there is something wrong here, and we ought to figure it out. For there are too many things that look all right on the surface, but have a catch. No one ever gets anything for nothing and someone always gets hurt in sharp deals. (If you haven't got this one figured out by next week, I'll tell).

Want to keep the folks up to date? Then why not send the Sandspur home this week? Second class postage for this paper is only 4 cents, and extra copies are available FREE from the Spur office. And be sure to tell the gang back home that they can get the Sandspur each week by mail for only \$3.50. We have a new circulation department that just won't quit.

Remainder of academic year \$3.50 (regular \$4); two terms \$3; one term \$2.

## How to build a port for a storm

A little stockpile of U. S. Savings Bonds can turn into a mighty snug harbor in an emergency.

If an emergency never crops up (and we hope it doesn't), you're ahead considerably more than your Bonds cost you.

Bonds earn interest at a guaranteed rate. At maturity, you get back \$4 for every \$3 you invest. And your investment is backed by the United States of America.

And there's that quiet satisfaction that comes from knowing your Bonds are helping Uncle Sam build the cause of freedom throughout the world.

So get with the millions of Americans who have found Bonds a safe port in a storm. And a solid base for the future of their families.

### Quick facts about Series E Savings Bonds

- ✓ You get back \$4 for every \$3 at maturity
- ✓ You can get your money when you need it
- ✓ Your Bonds are replaced free if lost, destroyed or stolen
- ✓ You can buy Bonds where you bank, or on the Payroll Savings Plan where you work

Buy E Bonds for growth—  
H Bonds for current income

## Buy U.S. Savings Bonds

STAR-SPANGLED SAVINGS PLAN  
FOR ALL AMERICANS

## Alums Record First Records

Rollins alums have been active in the popular recording fields. Highlighting the talent is Suzanne Goddard ('65) who signed a contract in July with Tener Records.

Her first release is an upbeat song called "Anything Can Happen." Since the release of the record, she has been on tour throughout the South. Sales are presently going especially well in the Mobile, and Atlanta areas. Miss Goddard's new record will be released soon and plans are being made for a long-playing album.

Roy Ruby, another one-time Rollins student, has joined the Goldberg-Miller Blues Band. The group recently signed a contract with Epic Records. Their first release is entitled "The Mother Song" and features Ruby on the guitar.

Reports from Old Town in Chicago characterize the group as "the hottest thing to hit this area in a long time." Epic is promoting the record through articles and pictures of the group in such trade magazines as CASHBOX, etc.

Not an alum of Rollins but certainly a well-known talent in this area is

No one under 21 gets by Officer Jerry Gnazzo. Obviously Mitzie Giesendanner, Stu Smith and an unidentified female friend passed the age test.

Dexter Ball, Barrie Gray, Frank Amatea, and Bill Robinson toast to the St. Valentine's Day days.

## Campus Clippings

The traffic committee moved and passed that anyone who acquires four or more tickets in a term will be brought before traffic court to answer charges of excessive violations.

The Jimmy Dorsey Orchestra will furnish the music at the formal Christmas dance Dec. 4 at Maitland Civic Center. The Union-sponsored dance will begin at 9 p.m. and end at 1 a.m.

It will be similar to the President's Ball held during Fiesta last April.

### WEDNESDAY

Latin American Forum at 7:30 concerns "The Alliance for Progress Focused on the Individual American Republics," by his Excellency Juan Felipe Yriart, ambassador from Uruguay, in Bingham Hall.

### THURSDAY

Students and faculty are invited to a talk entitled "Inside Andrew Jackson's USA," at 8 p.m. at the Conservatory of Music.

The talk will be given in English and French by Mrs. Robert Hufstader and Countess Elizabeth van der Stegen. It will concern Alexis de Tocqueville's observations of America.

Sponsoring the event is Alliance Francaise of Rollins College. Refreshments will be served.

Circle K meets at 6:30 in Alumni House. Norma Arnold will speak at Vesper services at 7 p.m., and in-

ter-American Experiment meets at Casa Iberia at 7:15.

### FRIDAY

The Union will host a dance in the Union at 8 p.m.

### SUNDAY

Following the morning service in Knowles Chapel, the Chapel Guild will host a coffee in the Chapel Garden for trustees, faculty and staff and wives and husbands.

At 4 p.m. Ross Rosazza, baritone, and John Carter, pianist, will perform in the Rollins Concert Series at Annie Russell Theatre.

Alpha Phi will hold open house in the Union from 7:30 to 10 p.m. Also at 7:30 is the foreign film series and "Playboy of the Western World" in Bingham Hall.

### NOVEMBER 24 (Wed.)

A special Thanksgiving service for Rollins will begin at 9:40 a.m. in Knowles Chapel. Speaking will be Richard Wolfe, registrar. The choir will sing two special numbers and lead the congregation singing Thanksgiving hymns.

Mattie, Dick Barnett, Mrs. Barnett, and Don Daus serving up some potent potables of the 1920 variety.

## Roaring Twenties Party Success

This past week Harper's held its first party of the 1965-66 school year. The purpose of the party, Roaring Twenties, according to Dick Barnett, was to acquaint new students with each other and with Harper's. In the past there have been five annual Jamaican Festival parties that always take place the first week after Fiesta.

Frank Amatea, chairman of the party, started his committees work-

ing over two months ago. The committees, which included publicity, research, entertainment, and most important, decorations, held weekly meetings on Tuesday nights. Clark Smith headed up the decoration committee. The members of the committees are especially chosen from all social groups on campus so that the event takes on a universal atmosphere.

The 1965 Special Achievement Plaque for the most outstanding committee member was awarded to Bill Robinson, Lambda Chi Alpha. Dexter Ball emceed the entire event.

Goddard

Little Marion. His first record release on the Destination label is entitled "Let Me Back in Your Arms." His manager, Bob Stockman ('65) reports that the record is beginning to move in the Northeast.

Spinning the discs in the Winter Park-Orlando area will be Gay Hendricks ('66) under the pseudonym of "Sir Arthur Knight" for WLOF. Sir Arthur Showtime is Monday thru Friday, 10 a.m. to 2 p.m. and Sunday afternoon.

Tina Godwin, pick up your free Colony movie pass in the SANDSPUR office.

## Park Ave. Shop Makes "Dollars for Scholars"

Students have been issued a special invitation to visit the unusual Scholarship Shop of Rollins College located at 150 Park Avenue South.

## Summers Heads For Washington

Professor Lionel Summers left Tuesday for Washington where he is attending the meetings of the Foreign Service Retired Officers. Summers is an internationally-known expert in arbitration and international law, former consul general in Japan, and former dean of the School of Foreign Affairs of the Foreign Institute, Department of State.

Following a briefing by Secretary of State Dean Rusk, Professor Summers will carry on discussions with the World Peace Through Law Center Organization in Washington, headed by Charles Rhyne, president of the American Bar Association.

Under direction of Mrs. Madeline (Midge) Dunn, the shop is producing "dollars-for-scholars" through generosity of Rollins' friends.

Items donated to the shop - such as silver, crystal, china, linen, antiques, books, jewelry and paintings - are appraised, put on display and sold for benefit of the scholarship fund.

The shop is open from 10 a.m. to 5 p.m. daily except Sunday.

Mrs. Dunn suggested that when parents of Rollins' students are visiting here, they are also especially invited to see this new project.

Applications for the position of SANDSPUR editor are due by Nov. 30, to Larry Schrumpt, Publications Union chairman, campus mail. The term will begin with the first issue of Winter Term and end in June.

S. Combs, editor

# Unbeaten Sigma Nu, TKE Tangle Friday

Unbeaten Sigma Nu meets second place Tau Kappa Epsilon at 4 p.m. Friday on Sandspur Field in a game which may be the key to the intramural football crown this fall.

The Snakes, who boast a 28-game winning streak that spans four seasons, are favored to move a step closer to their fourth straight grid title Friday by halting the rise of TKE, a newcomer among intramural football powers.

Containing the Teke passing attack, with left-handed quarterback Dave Bussler firing to six veteran receivers, is the chief Snake problem.

However, the Sigma Nu defense has proven itself best in the league by holding Delta Chi to 14 points and shutting out the Faculty-Grads a week after they had beaten TKE 34-32.

The Teke defense has also been virtually flawless except for the Faculty-Grad fiasco. Key to the TKE attack is the speed of ends Al Curtis and Dan Pincetich, flanker Boyd Gruhn and center Ed McNair.

Sigma Nu quarterback Bill Jackson will not be hurting for receivers either with ends like Jack Zimmerman and Cliff Montgomery joining flanker Bob Lewis in the Teke secondary. None of the Snake players have ever seen Sigma Nu lose a football game.

On defense Sigma Nu presents a 3-1-3 alignment while TKE goes with a 2-2-3. Rushing for the Snakes are veterans Brian Payne and Jim Ehle, plus freshman Rick Shotwell. Sophomores Dan Pincetich and Gene Shippen lead the Teke charge.

Except against the Faculty-Grads, the opponents have produced comparable results as both teams have soundly whipped the Indies and Sig Ep.

Sigma Nu may have the advantage of depth although most of their reserves are freshmen. TKE normally dresses only 11 players and speedster Dave McKibbin is slowed with a leg injury.

Even if TKE upsets the Snakes, they may be forced into two more meetings with the league leaders, one to determine playoff position and another for the playoff crown.

Each team has one more game with a top contender as TKE faces Delta Chi Dec. 3 and Sigma Nu meets Lambda Chi Dec. 2. Both teams must play KA and Sigma Nu has a game with the X Club remaining.

Thursday, Lambda Chi and the X Club tangle.

League scoring leader Chuck Thomas scored three touchdowns and passed for three more Tuesday to lead Delta Chi to a 51-0 shutout of Sigma Phi Epsilon.

Quarterback Barry Milner scored twice and Les Abberley, Murray

## The Records

### SIGMA NU

Sigma Nu 57, Sig Ep 6  
Sigma Nu 15, Delts 14  
Sigma Nu 27, Faculty Grads 0  
Sigma Nu 41, Independents 0

RE Brian Payne	Dan Pincetich
LE Jim Ehle	Gene Shippen
MG Rick Shotwell	Ed McNair
LB Bob Heineman	Dave Bussler
HB Bob Lewis	Al Curtis
HB Jack Zimmerman	Boyd Gruhn
HB Cliff Montgomery	Mario Mazzonetto

## Faculty Keeps IM Net Lead

The Faculty moved closer to the intramural tennis championship last week, but lost a little ground to second place TKE. Faculty netters just edged KA 3-2 while TKE was beating Lambda Chi 4-1.

A good battle for second place is shaping up between TKE (17 wins in 25 matches), the X Club (14 in 20) and Sigma Nu (14 in 25). However, both the X Club and Sigma Nu have matches remaining with the Faculty.

The only other team with a fair chance at first or second place is Delta Chi with an 11-9 record.

Geiges and George Lamb single scores. Sig Ep never threatened.

Sigma Nu extended its winning streak to 28 games Monday with a 41-0 blanking of the Independent Men. Jackson fired four touchdown passes to lead the Snake attack.

Zimmerman scored twice for Sigma Nu and Lewis, Montgomery, Steve Fehmerling and Dennis Mulen added a six-pointer a piece.

TKE chalked up its fourth win Friday with a 9-6 victory over the X Club pass at the Club 25 to set up TKE's only score late in the first quarter.

Dave Bussler passed to Dave McKibbin for a five-yard touchdown and then hit center Ed McNair for what proved to be the winning point. The X Club cut the lead in the third period as Scotty Green ran eight yards with a pass from Chuck Olsen. Olsen's conversion pass was batted away.

Dan Pincetich downed Olsen in the end zone near the end of the game to boost the Teke margin. TKE penetrated the Club 10 twice without scoring as the end of the first half and Green's interception thwarted the threats.

With less than a minute left in the game, the Club took over at the Teke 23, but a loss and two incompletions kept the Club from reaching paydirt.

Bill Jackson passed for three scores in the first half to give Sigma Nu a 2-0 win over the Faculty-Grads Thursday. Cliff Montgomery opened the scoring on a 60 yard pass and Bob Lewis added two more touchdowns on aeriels of 60 and 44 yards.

Jack Zimmerman accounted for the final Snake tally with a 35-yard interception return.

Delta Chi coasted to an easy 45-12 win over the Indies Nov. 10 behind the running of Chuck Thomas and the passing of Barry Milner.

Thomas, who took over the league scoring lead, chalked up five touchdowns and pair of extra points. Pete Cowin and Les Abberley also scored six-pointers for the Delts and George Lamb picked up an extra point.

Bill Myers and Larry Schruppf accounted for the Indies touchdown on passes from Bruce Behrens.

## TKE Approaches Ping Pong Title

Tau Kappa Epsilon has taken a commanding lead in intramural ping pong by winning six straight matches and needs only one more individual match victory to clinch the crown.

Sigma Phi Epsilon is TKE's closest challenger, 18 match points behind.

The Faculty and Graduate teams have dropped out of competition.

Ping pong matches scheduled for Nov. 10 were postponed to Nov. 17 for the Kingston Trio performance. All remaining matches have been set back a week.

### Results

TKE 3, Delts 0; TKE 3, X Club 0; Delts 2, KA 1; KA 3, Sigma Nu 0; Indies 2, Sigma Nu 1; Lambda Chi 3, Grads 0; Sig Ep 3, Faculty 0; Sig Ep 3, Grads 0; X Club 3, Faculty 0.

Delts 2, Indies 1; TKE 3, Indies 0; Sigma Nu 2, Lambda Chi 1; Lambda Chi 2, Delts 1; Sig Ep 3, X Club 0; Sigma Nu 2, Sig Ep 1; TKE 3, KA 0; KA 3, X Club 0.

### Lambda Chi-KA

Lambda Chi--Gustafson 23 pass from Lynch (Fonts pass)  
KA--Dering 31 pass from Ward (Whitehead pass)  
KA--Dering 5 pass from Ward (pass failed)

DEAN JACK LINDQUIST, TKE BACK BATTLE FOR BALL ... as Faculty-Graduates upset TKE 34-32

## Delts' Thomas Nabs Grid Scoring Lead

Delta Chi's Chuck Thomas more than doubled his scoring total with five touchdowns and two extra points against the Independents Nov. 10 to vault from fifth place into the intramural football scoring lead.

Thomas' 62-point total gives him a 19 point bulge over X Club's Scotty Green. Last week's leader, Boyd Gruhn of TKE, was shutout by the X Club Friday and slipped to third place.

In the passing department TKE's quarterback Dave Bussler retained his lead, but lost a little ground to runnerup Steve Ward of KA. Bussler has accounted for 141 points on 21 touchdown passes and 15 extra

points, while Ward has 78 points. TKE held on to its teams scoring lead despite a scant nine-point effort against the X Club. The Tekes lead second place Lambda Chi 204-120. Defensively league-leading Sigma Nu is tops, permitting only 20 points in three victories.

Gary Dering of KA jumped from seventh place to fourth with a pair of scores against Lambda Chi last week. Tekes Ed McNair, Al Curtis and Dave Bussler, Sigma Nu's Bob Lewis and Jack Zimmerman and Lambda Chi Pedro Fontes round out the top ten.

Barry Milner moved into the number three spot in passing with five touchdown passes against the Indies. Behind Milner's 58-point total are Chuck Olsen of X Club, 56, and Don Phillips of Lambda Chi, 54.

The X Club is the only other intramural team at the century mark, boasting a even 100-point total. On defense the X Club, 35 points, and Delta Chi, 39, trail the Snakes.

## Students Show Average Fitness

Eighty-five per cent of Rollins men enrolled in physical fitness this term rated at least average on the physical fitness test, according to Coach Harry Meisel.

Of 66 men taking the test, 21 achieved high rating (65-89%) and 35 were average (35-64%). Only 10 students scored in the low bracket (10-34%). No students rated very high (90-100%).

Top scorer on the test was freshman Cliff Montgomery, who compiled 703 percentile points for an 88% average. Montgomery had the fastest time in the 600 - yard run-walk, 1:29.

Other individual leaders were Richard Duncan, 140 in hand grip; Jon Reynolds, 15 pullups; Larry Melin, Rick Shotwell, James Whitehead, George Chapin, George Draper and Gale Coleman, 100 situps.

Also, Frank Hill, 8.6 second shuttle run; Vic Laporte, 8-5 foot standing board jump; Rick Heath, 5.7 second 50 - yard dash; Jeff Burns, 256 foot softball throw.

At the end of the term the men will be retested to evaluate their progress in the physical fitness program.

## Gridders to Play

The KA-Sigma Nu flag football game, rained out Oct. 18, will be played Nov. 23 at Harper-Shepherd Field. The Faculty-Grads vs. Sig Ep contest will be played at Sandspur Field the same day.

### Top Ten Scorers

(Through Nov. 14)

	TD	EP	Pts.
Thomas (Delts)	10	2	62
Green (X Club)	7	1	43
Gruhn (TKE)	6	5	41
Dering (KA)	6	1	37
McNair (TKE)	5	5	35
Fontes (Lambda Chi)	5	2	32
Curtis (TKE)	5	2	32
Lewis (Sigma Nu)	5	0	30
Bussler (TKE)	4	3	27
Zimmerman (Sigma Nu)	4	1	25

### Passing Leaders

(Through Nov. 14)

	TD	EP	Pts.
Bussler (TKE)	21	15	141
Ward (KA)	12	6	78
Milner (Delts)	9	4	58

Sigma Nu	99	20
Kappa Alpha	97	58
Delta Chi	90	39
Faculty-Graduates	60	99
Independent Men	18	233
Sigma Phi Epsilon	12	198

## Tarpaper Season Is Here!

By BOB RICHARDSON  
Sports Editor

Basketball season is nearly here, much to my surprise, and the Tar cagers will be faced with their perennial problems when they open against Florida Intercollegiate Athletic rivals Stetson University in DeLand Dec. 1.

Although Coach Boyd Coffie hopes to have his first winning campaign in four years as head coach, he again finds lack of height and depth staring him in the face. Millard Nixon, 6-5, is the tallest player in a starting quintet that averages only 6-2. Coffie's squad numbers 14, with Nixon, Dave Pearlman, Tom Sacha and Gary Kilmer the 1964 letterman back with the Tars. Ed Siemer, 6-2 transfer from Orlando Junior College, is the fifth starter.

Richard Wright, a 6-6 junior transfer from Ft. Myers, is Rollins' answer to opposing big men, ranging from 6-7 to 6-9. Freshman Mike Miller, 6-4, and sophomore transfer Ed Albers, 6-5, are the only other Tars over the 6-3 mark.

Despite the difficulties, Coffie thinks that this year's version of the Tars could be the best in several years, primarily because Nixon, Pearlman, Sacha and Kilmer were four-fifths of the starting quintet in the second half of last season.

Lack of depth in the 1965-66 Tars results from the transfer of 1964-65 regulars Phil Kirk and Phil Amie, the voluntary retirement of Dave Bussler, the illnesses of freshman Jim Murphey and the late refusal of a Tar basketball scholarship. Murphey, here on a rare basketball scholarship, returned to St. Petersburg last week after an appendectomy and lung infection put him behind in his studies.

Of 13 different Rollins opponents this season, the Tars have winning records against only two and are playing four for the first time. The Tar cagers have perfect slates against Southwestern of Memphis, Rollins is even with Tampa (13-13), and Florida Presbyterian (2-2), but trails Frederick (0-1), Florida Southern (9-18), Stetson (4-12), Mercer (10-15), and Sewanee (1-2).

Wondering what NO R.R. signifies on Sandspur field? According to Clarence Varner, R.R. are road runners, that is, people who stand on the sidelines obscuring the view of the fans.

GAMMA PHI BETA'S MARTHA GRIECO  
...moves ball against Indies

## Girls' Basketball Playoffs Begin on Courts Thursday

Chi Omega defeated Phi Mu Tuesday by the 2-0 forfeit score and forced at least a two-way playoff for the women's intramural basketball crown.

Chi O and Kappa Alpha Theta completed their seasons with identical 6-1 marks. If Kappa Kappa Gamma defeated Pi Beta Phi Wednesday, Chi O, Theta and Kappa will meet in a round robin playoff beginning at 4:15 today.

The tie-breaking series will continue next Monday and Tuesday as the teams face each other once. If each team splits its pair of games, first, second and third place points will be divided between them.

Led by Jeanne Maurey and Pat Marshall, Theta defeated Chi O 21-12 Nov. 9 to set up the playoff possibilities. Theta lost to Kappa 33-14 during the regular season. Miss Maurey and Miss Marshall are averaging eight points per game.

Chi O upset defending champion Kappa 23-21 Oct. 28 in the game

that probably did most to force the deadlock. Mary Grantham, 9.2 points per game, and Sue White, 8.7, paced the Chi O attack.

League scoring leader (through Nov. 16) Gretchen Vosters, 15.6

## Bowersock Takes Lead

Carolyn Bowersock of Pi Beta Phi took a nominal lead in the women's basketball scoring race last week as she tallied 23 points against the Independents.

Runnerup Gretchen Vosters of Kappa is only a point behind Miss Bowersock's 79 point total and has played in fewer games.

Miss Vosters leads in scoring average with 15.6 points per game, while Miss Bowersock is second at 13.2. Kappa's Janie Blalock is the only other cager in double figures, averaging 10.4 points in five games.

Theta teammates Pat Marshall and Jeanne Maurey are tied for third spot in the rankings, followed by Chi O's Mary Grantham and Sue White. Miss Blalock, Margie Fifer of Gamma Phi, Nona Gandelman of the Indies and newcomer Susan Gregory of Pi Phi.

Kappa Kappa Gamma still leads in team scoring, 192 points, and team defense, 65 opponent points. Kappa Alpha Theta is second in scoring with 183 and Chi Omega is defensive runnerup with 72 opponent points.

### Cage Scorers

	Pts.	Avg.
Bowersock (Pi Phi)	79	13.2
Vosters (Kappa)	78	15.6
Marshall (Theta)	56	8.0
Maurey (Theta)	56	8.0
Grantham (Chi O)	55	9.2
Blalock (Kappa)	52	10.4
White (Chi O)	52	8.7
Fifer (Gamma Phi)	40	6.7
Gandelman (Indies)	34	4.9
Gregory (Pi Phi)	27	4.5

### Team Scoring

	For	Against
Kappa Kappa Gamma	192	65
Kappa Alpha Theta	183	82
Chi Omega	136	73
Pi Beta Phi	135	117
Independents	99	210
Gamma Phi Beta	80	138
Alpha Phi	72	118

## Soccer Team Meets Hurricanes in Miami

Rollins soccer team tries to salvage a winning season in Miami Saturday as they take on the once-beaten University of Miami Hurricanes.

Victories in Saturday's match and remaining contests with Duke and the University of South Florida would give the Tars a 6-5 mark for the season. However, Rollins booters have beaten the Hurricanes only once in

nine matches and never in Miami. Rollins lost all hope for the Florida Intercollegiate Conference soccer title last Saturday in Lakeland as the Tar booters fell to Florida Southern 2-1.

A pair of penalties gave the Moes a 2-0 advantage before the Tar booters could crack the ice.

Terry Darby opened Southern's scoring on a direct penalty kick with 14:50 gone in the second quarter after Tar fullback Bob Schabes was called for using his hands in the penalty area.

Right wing Wally Wells recorded FSC's second goal with a five-yard boot of Mike Sheiman's indirect free kick midway through the third period.

Freshman wing Chris Gray put Rollins a goal behind with only 56 seconds gone in the final quarter when he headed in Pete Taylor's corner kick. The Tars battled to tie the score, but Southern's defense yielded only six more shots at their net.

Southern outshot Rollins 63-26, but Tar goalie Jim Hardee made 36 saves, including several volleyball spikes, to thwart all but the penalty kicks.

Earlier this season Miami dumped Rollins 4-1 on Sandspur Field as four Hurricanes penetrated the Tar net. Rollins' only goal was scored by freshman Willie Flohr, who is a questionable starter Saturday after bruising a bone in his leg against Southern.

Also missing from the Tar lineup may be halfbacks Steve Feller and Jim Brotherton, center forward Jeff Birch and goalie Lane Taylor who started in the first Miami game.

## Scoreboard

## Joe Justice Meets Execs In N.Y. Today

Joe Justice, Rollins athletic director, soccer coach and baseball coach, will confer with professional baseball officials and other National Collegiate Athletic Association representatives in New York on Thursday and Friday.

baseball committee will discuss current baseball rules in the office of Baseball Commissioner Ford Frick. Chief item on the agenda will be the major league free agent draft, which permits professional clubs to negotiate with college juniors and seniors, as well as recent high school graduates.

Under the draft rule, junior Bob Gustafson and freshman Jeff Burns were selected last summer by major league organizations.

Members of the committee include Chub Feeny of the San Francisco Giants, Everett Barnes of Colgate University, J. O. Christian of the University of Connecticut, Dick Siebert of the University of Minnesota in Minneapolis, the Rev. Joseph Glavin of Boston College and Dave Nelson.

### Rescheduled Matches

Classes and prior commitments have forced the Faculty tennis team to reschedule their three remaining Wednesday matches with Sigma Nu (Nov. 7), X Club (Dec. 1) and Independents (Dec. 8). New dates are as follows:

Nov. 18	Faculty vs. Sigma Nu
Dec. 2	Faculty vs. X Club
Dec. 9	Faculty vs. Independents

## Duke Defense Heads Attack

Duke University, the Rollins booters' Nov. 26 opponent, has only six returning lettermen and "will primarily be a defensive team," according to head coach Jim Bly.

Heading the list of returning veterans are center forward Bob Burgstahler from Birmingham, Mich., and inside Barry Stevens of Aiken, S.C. Also back from a Blue Devil squad that posted a 3-6-1 mark last year are halfback Bill Weinhardt, fullback John Hollowell and wings Curt Lauber and Steve Smith.

The Blue Devils are counting heavily on a number of sophomore prospects and will play a three fullback defense.

"If our sophomores come through, we should be much improved," Bly said. "Our weakness right now is in scoring."

Playing a 12-match slate against as many different squads, Duke's booters have already faced Appalachian State, American University and Davidson and will take on Virginia, N.C. State, Maryland, Navy, Lynchburg, Trenton State and North Carolina before meeting Rollins and Miami in Winter Park.

Three New Jersey residents are the top sophomore candidates for starting assignments of the Duke team. David Jukonowsky of Mountaintop should start at inside and Bob Riesenfeld and Gordon Snyder, both from Oradell, have a shot at fullback and halfback posts respectively.

Halfback Randy Alexander and goalie Jim Bell, both juniors, will probably round out the Blue Devil squad.

### TKE--X Club

TKE	7	0	0	2	—	9
X Club	0	0	6	0	—	6

TKE--McKibbin 5 pass from Busler (McNair pass)

X Club--Green 8 pass from Olsen (pass failed)

TKE--Safety (Olsen downed in end zone)

# Holland

Extensive materials on the Netherlands are on display and available at the Alumni House. Both the library and the bookstore are co-operating in the collection and dissemination of information. Also contributing to the total project will be the new Crummer School of Finance and Business Administration,

which will feature Dutch banking and trade.

Mr. Young says he looks forward to student aid and interest to insure the success of the project and wishes to work with students in planning the year's Dutch events. Plans already under consideration are a spring vacation to the Netherlands and procurement of Dutch Fulbright scholars now in America for speaking engagements.

## EXERCISE: GOOD FOR EVERYBODY

It is generally accepted that exercise is beneficial to the human body. A moderate amount of physical exercise is believed to be of benefit to the heart and blood vessels and the voluntary muscles. There is also a psychic factor in exercise because generally people believe physical exercise makes them feel better.

Most physicians agree that exercise increases the muscle tone and therefore aids in the circulation of the blood. Exercise causes deeper and more rapid breathing, which is desirable in causing the lungs to expand, although whether or not this expansion is important in everyday living is debatable. The effect of mild exercise on the digestive system is declared to have little advantage, while it is definitely known that violent exercise depresses the functional activity in the digestive tract.

As for exercise alone bringing about weight reduction, this is a fallacy. Exercise may whet the appetite of the overweight person, causing him to eat more food than he would if he were not taking exercise.

## PUBLIC NOTICE

Winner of the Reeve Essay Contest, which was open to all Rollins men, is sophomore Robert Austin, music major from East Jesus, Tennessee.

Get your "A" the easy way. Let us type your next thesis or term paper. "HelloOrlando" complete office services, 841-2641, Orlando Exec. Center, off McGuire Road, behind Sears and Millers.
