# THE ROLLINS SANDSPUR

73rd Year No. 12

THE ROLLINS SANDSPUR, WINTER PARK, FLORIDA

February 10, 1967

## Shakespeareana Events Set For Founders Week

The 21st annual Shakespeareana, a program of scenes, songs, sonnets and music, will be presented by Nina Oliver Dean and her Shakespeare class in Strong Hall Courtyard at 4:00 p.m., Friday, Feb. 24, as an event of Founders Week. Two new features have been added.

The Shakespearean Concert, composed of Rollins students and directed by Alphonse Carlo will play lively dances of the period. The students who are members of the new instrumental group, the Baroque Ensemble, also directed by Carlo and formed this year by Dr. Ward Woodbury, chairman of the Music Department and Director of Music, are: Claudi Chevalier, Mitra Farnum, Patricia Frauenberger, Miriam Howe, Catherine Minabb, Rheua Skakely and Stefan Young.

A modern touch has been added, but it will be in the spirit of Shakespeare when he was in a comic mood. Robert Juergens, director of the Annie Russell Theatre, and Roger Miller, the lead in HOW TO SUCCEED IN BUSINESS WITHOUT REALLY TRYING will sing "Brush Up Your Shakespeare" from KISS ME KATE, the musical upon which THE TAMING OF THE SHREW was based.

They will advise you to "start quoting him now" as the admission to Shakespeareana is a quote from the "Swan of Avon". The eastern gate on the campus side of Strong Hall will be open at 3:30 and seats will be saved on the college side for students until 3:45. A pretty orange girl or a handsome usher will hear your quotation.

## Annual Parents Weekend To Begin Activities Today

More than 255 parents are expected for the fourth annual Parents' Weekend to be held at the College on the 10th, 11th, and 12th of February. They have come to the campus from as far away as Canada and California. There is a strong representation from the Northeast and Middle West.

Following registration in Crummer Hall from 12 noon till 5 p.m. on Friday afternoon, parents will be given the opportunity to tour the Crummer Building. Faculty members have been requested to remain in their offices so that parents may talk with them in the afternoon if they like. Friday night has been left free for parents to relax and spend time with the students.

Saturday morning there will be a breakfast at the beanery scheduled from 9-10 a.m. so that the parents may meet and talk with those faculty members involved in the new curriculum. At the same time there will be a short address by Dean Hill explaining exactly what the new curriculum is like.

At 11:00 a.m. on Saturday, at Crummer Hall, there will be the annual meeting of the Parents' Association, at which time there will be an election of officers and the setting of the goals for the coming year.

Following this, at 12 noon, there will be an all College picnic attended by parents, students and faculty members on the Horse-shoe in front of Mills Memorial Library. At 1:00 p.m., Rollins and the University of South Florida meet in a tennis match.

At 6:45 p.m. at the Langford Hotel, Pavillion D, there will be a reception and dinner. Entertainment will be provided by the Rollins Singers, Dr. Ward Woodbury, Conductor. President Hugh F. McKean will address the parents and give an outline of the plans and aims of Rollins College in the coming years.

Sunday morning, Dean Darrah will conduct a special service in Knowles Memorial Chapel at 9:45 o'clock. Following this, there will

be Residence Hall coffees, including one in both Elizabeth and New Halls.

The Weekend officially comes to a close at 12:00 noon on Sunday.

We want to take this occasion

to welcome all parents to Rollins College Campus. We are especially appreciative of the interest which you have evidenced in your attendance. With your solid support and encouragement, we know that Rollins College will become a better school.

## Chapel Fund Drive Sets Charity Goal

The 1967 Rollins College Chapel Staff Fund Drive has officially begun. The goal of the Fund Drive, the only campus-wide charity drive, is \$4,500. The chairman of the drive is Al Holton.

The Fund Drive is devoted to raising money for local and international charitable work. None of the money collected goes to the Chapel itself. Rather, the funds are distributed among several different organizations and funds. The largest sum, \$2,000, pays for the room, board, books, etc. of a foreign student chosen by the Chapel Staff. The College provides for the student's tuition.

The World University Service, an international organization, receives an allotment of \$1,000. This organization co-ordinates student contributions from around the world toward the intellectual and material advancement of underdeveloped areas.

The Chapel Staff provides for the care and necessities of two foster children, one in Hong Kong and the other in the Philip-

ines. The care of these two youngsters necessitates an annual allocation of \$400.

Through Community Service, Rollins students are given a chance to help direct the social welfare of local underprivileged persons. The service requiring \$250 entails an annual Christmas party for orphans and helps underprivileged persons by co-operating with city, country, and state welfare agencies.

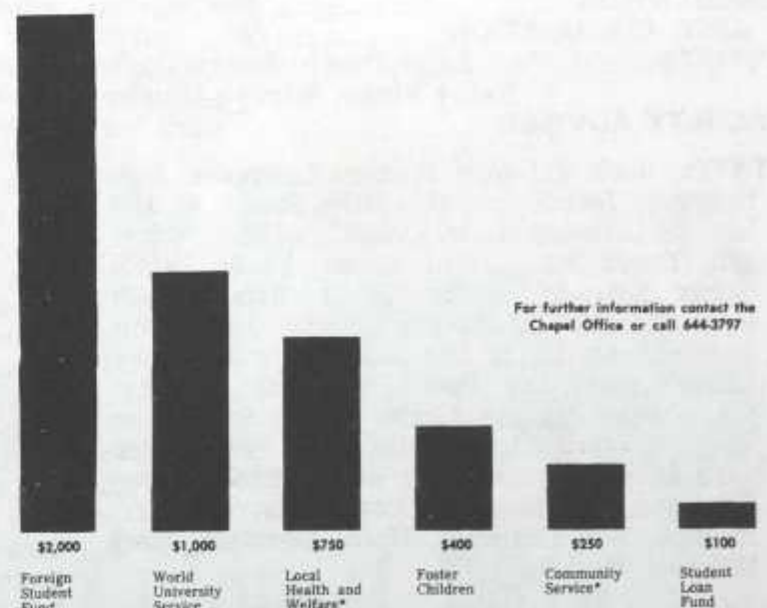

The Student Loan Fund will receive \$100. This fund enables Rollins students to borrow up to \$25 at any time.

There is \$750 earmarked for various local facilities. These include: Winter Park Colored Day Nursery, operated for children ranging from one to five years in age; Eatonville Kindergarten, an establishment for children of working mothers earning a maximum income of \$3,000 a year; Hannibal Square Library, supported by gifts and donations from concerned parties; Mary Lee DePugh Nursing Home, urgently in need of funds to provide for proper care of its thirty-five occupants.

### CHAPEL SERVICE FUND

Where is your money going in 1967?

GOAL: \$4,500.00

For further information contact the Chapel Office or call 644-3797

\*Local Health and Welfare includes contributions to Winter Park Day Nursery, Eatonville Kindergarten, Hannibal Square Library, DePugh Nursing Home and a scholarship. Community Service includes aid to children, parties for underprivileged, Stammering Institute and emergency assistance.

The Rollins College Young Democratic Club and the Rollins College Young Republican Club will give their annual joint reception for the state committeemen of their respective parties on February 9, in the Alumni House from 4:30 to 6:00 p.m.,

Mr. Hollan and Mr. Jenkins invite all members of the student body and the faculty and staff to the reception.

#### What are his political views?

Mr. Judd is a conservative. But he is not a reactionary, as he is quick to point out. His views on domestic affairs, I would say, lie somewhere between a Romney and a Goldwater — if that makes any sense to you.

#### Do you consider Mr. Judd enough of an authority to speak on American Foreign Policy?

Certainly. He was a member of the major foreign policy committee in the House and he has made foreign policy his special field. While he was in the House he was considered one of the most outstanding Republican spokesmen on foreign affairs.

## Republican Walter Judd To Speak Here Tuesday

Recognizing that the speaker which the Educational Entertainment Committee of the Rollins Student Center should represent a wide range of philosophies and opinions, the Student Center takes great pride in bringing Dr. Walter Judd, former Republican Congressman from Minnesota, to Rollins College on February 14th. Recognizing the fact that many Rollins Students might be unaware of Mr. Judd's ideas and qualifications, Norman Freedland, chairman of the Educational Entertainment Committee, interviewed Dr. Jack Lane of the History Department in order to give the students a better idea of Dr. Judd's position. Dr. Judd will speak next Tuesday in Crummer Hall at 7:45.

#### What do you know about Mr. Judd?

Well, while I am no authority on the man, I do know that he has had a very colorful background. During the 1920's and 30's he served as a medical missionary in China where he came very near being executed by the Chinese Communists. When he returned to the United States just prior to Pearl Harbor, he began

President and Mrs. McKean cordially invite the Students of Rollins College to a special preview of The Morse Gallery of Art on Thursday, February 16, 1967, from 4-6 p.m.

The remodeled and redecorated Gallery, the setting of probably the finest exhibition of Louis Comfort Tiffany's work, will open to the public for the first time on Saturday, February 18.

Rollins faculty, staff and students will have the first opportunity to view the Gallery at the Thursday preview.

## THE SPUR SPEAKS

### Parents Welcomed

All of us often hear the phrase "The Rollins Family" tossed about by the faculty and staff in discussing the school. What do these words actually mean in practice? Well, we will be given a major portion of the answer to that question today, when the annual Parents Weekend opens.

Parents Weekend is the only time that the entire "Rollins Family"—parents, students, faculty and administration—can meet together on the campus in the college environment of study and extracurricular activities.

In this age of computerized mass education, which at such nearby schools as Stetson, requires students to punch in and out of classes on IBM time clocks, it is refreshing to know that Rollins is different. Even with the great progress in construction changes that have taken place in the past year, Rollins still makes it a point to take time to be interested in the education of the individual student and realizes that college life affects not only the student, but his entire family as well.

Naturally all parents are deeply interested in the campus life activities of their sons and daughters. Parent's Weekend gives them a first hand opportunity to see for themselves what takes place at Rollins.

As you can see, Parents Weekend is an important event, not only from the viewpoint of the parents, but from the standpoint of the administration as well, because a small college like Rollins that does not have the interest and support of a strong parent's organization is missing out on a vital source of strength for future expansion.

At the business meeting of the Rollins Parents Association on Saturday we would like to see the parents organization given a definite role to play in the growth and development of the college. As everyone knows these parents have an abundance of talent and ability which could easily be put to work for the benefit of Rollins.

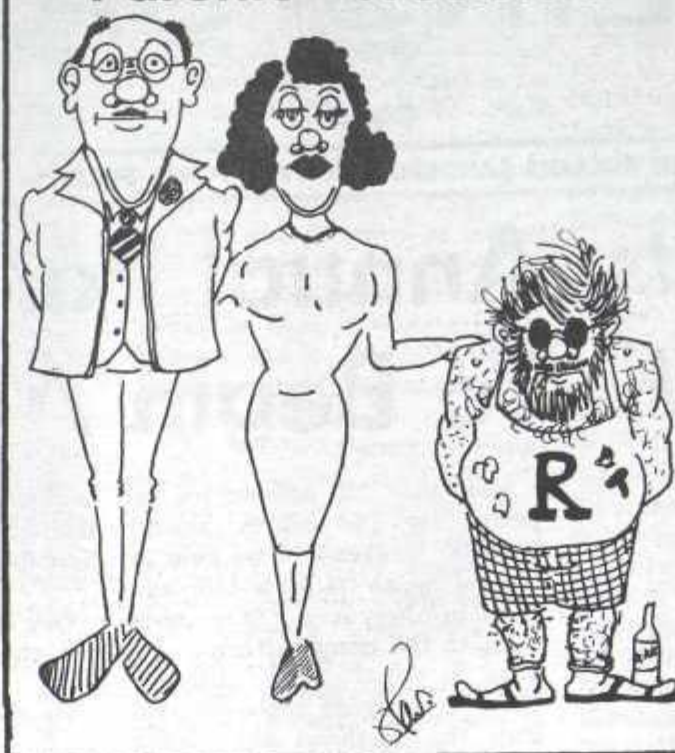

During this weekend we hope that all students will take advantage of this opportunity to give the visiting parents an accurate and lasting impression of Rollins.

### Parents' Weekend

"Fred, Isn't it wonderful how college has help our Little Johnny Grow Up."

### Letters To The Editor

Dear Editor:

I was very interested (and surprised to see any reaction) to read the letter of Mr. W. E. S. concerning the speakers hosted here at Rollins.

The Student Center is well aware that there are different points of view involved in issues of a national nature. We therefore try to represent as best as possible both sides of opinion.

It is true that the Educational Entertainment Committee has presented very liberal points of view in the past, however, a notable exception to this will be the arrival on February 14 of Walter Judd, Congressional Representative from Minnesota. Mr. Judd is one of the most prominent spokesmen for the Conservative movement in the United States. This man is well versed in his field, a controversial figure, and a well-known lecturer.

It has been the policy of the Student Center to bring to the campus men of diverse ideas; we hope that the students will support all of these speakers regardless of how they personally feel about an issue, since it is only through student support that we will be able to bring notable figures in the future.

Sincerely,  
 Barbara Warthan, Pres.  
 Rollins Student Center

Dear Editor:

Seldom, if ever, have I had the displeasure to encounter an article so improperly written or inaccurately reported as is the article dealing with Spring Weekend in the *Sandspur* dated January 20, 1967.

Since the article displeased me in two capacities (Faculty Adviser to the *Sandspur* and Chairman of the Faculty Spring Weekend Committee), I feel that I should hastily write this comment.

To begin with, I find it hard to believe that Mr. Renforth could have announced that Spring Weekend will definitely be held this year. It seems to me that no definite plans for such a weekend have been committee, or the faculty as a whole.

Moreover, no meetings have been held between the student committee and the faculty committee. Any and all statements about Spring Weekend which have been made as of this date are wholly tentative. These tentative statements, moreover, have originated entirely from the faculty committee. No positive, definite suggestions have yet been made by the student committee, which at this date has only held one meeting. These ideas are not the result of any joint agreements. As for the questionnaires which were circulated among the entire student body, no members of the faculty committee have been apprised of the results of these questionnaires.

If we are to have a Spring Weekend, both this year and in years to come, it is imperative that the student body get behind this event 100% and strive to make the Spring Weekend a complete success. No article about Spring Weekend should have appeared in the *Sandspur* because there are no definite facts to write about. Unless a positive effort is made by the student body, the Spring Weekend will die of inertia and Fiesta will become Siesta.

Sincerely yours  
 Cary D. Ser

### GRAPEVINE

#### The Grapevine Current Events Exam Part I

Test your knowledge of national, state, and campus affairs and personalities.

**DIRECTIONS:** Circle the letter of the answer that you think is best:

- "Disney World" is:
  - a communist inspired plot to undermine U.S. urban development
  - a risque adult foreign film coming soon to the colony
  - a practical joke
  - a publicity stunt to match Roy Rogers' stuffing and exhibiting his late horse, Trigger.
- Charles DeGaulle:
  - is writing the present day sequel to "Silas Marner."
  - created the "mod" fashion movement.
  - starred opposite Haley Mills in the recent film, "Damn Yankees"
  - is Bobby Baker's kid brother
- Rollins College can best be described as:
  - meaningful
  - relevant
  - infantile
  - tenable
  - viable
  - co-operative
  - credible
  - democratic
  - benevolent
  - none of the above
- The beanery food can, at best, be described as:
  - unpalatable
  - unappetizing
  - barely edible
  - disgusting
  - garbage
  - all of the above
- Bill Haley and the Comets are:
  - an ancient scandinavian legend.
  - a fairy tale used by parents to scare little children too sophisticated to believe in the boogey man.
  - just catching on in central Florida.
  - all alive, and living under assumed names in Argentina.
- The "Cosa Nostra" is:
  - an extinct reptile that was a denizen of verdant areas—commonly known as "a snake in the grass"
  - another name for the Rollins placement bureau
  - the scientific name for Dristan's Nasograph.
  - the title of a new course to be taught by Miss Martin-Trigona.
- The "Rollins Family" is:
  - A nudist colony 10 miles north of Vero Beach.
  - a novel about a group of students shipwrecked on an island.
  - a recently discovered species of rodents thought by most people to be "unreal"
  - history
- Who said, "Although I am in favor of the maximum amount of freedom for college students, it is important for them to realize that there are grave responsibilities that go hand-in-hand?"
  - "Doc" Obrien
  - Niccolo Machiavelli
  - Fleet Peeples
  - Jimmy Hoffa
  - Dean Howden

Is this a mathematical or administrative problem?—Take the number of games the basketball team has won this year; subtract from this amount the number of digits on your right hand; and the answer is the number of gymnasiums we have — ZERO! Imagine That.

The White Whale once again maimed his car. By now it must be internally hemorrhaging. The grapevine suggests that he forms a new national organization: The AA-AAA, for those who drink and drive.

**NOTICE:** Anyone who doesn't have a car can borrow Jean Morris's upon request — apply at the Pi Phi house.

**LOST:** An old high school ring of great sentimental value — see Mike Corbett.

**FOUND:** Some old sentimentalist's high school ring — see Candy Wheeler.

Every day, many people depend on the efficient activities of the U.S. Mail and other express services. Clyde Fritz, for instance, recently had his tuxedo and dress shoes "rushed" to him — only to find out Wendy asked an older man. How is Texas this time of year?

A nightmare is one thing, and reality is another. Russ Taylor recently "went to sleep" in the Maitland Civic Center and woke up in an entirely different building — without sleepwalking.

And now for a look at this year's weather. It appears that during a weekend this spring there will be a "dry" spell.

# Alliance Francaise Sets Kenya Topic Thursday

The Alliance Francaise of Rollins College will meet on Thursday, February 16, at 4 p.m., at the Maison Provencale on the Rollins Campus. Countess Rudolphe van der Stegen will give a lecture in French entitled "Kenya . . . . . ten years later". Refreshments will be served. The public is invited.

Countess van der Stegen, a native of Belgium, spent ten years in Kenya, from 1946 to 1956, with her husband who was a member of the Association of Professional White Hunters. The couple and their four children lived on a small farm in the highlands near a little town called Nyeri. At first conditions were extremely primitive and quite different from the sophisticated and cultured life they had known in their native country. As time went on, however, they acquired more and more "modern conveniences", even a kerosene motor to generate electricity.

The van der Stegens were very happy in Kenya. Life was free and pleasant and, because of the abundance of servants, easy on the housewife. It was British colonialism at its best. People were kind, friendly and hospitable. Of course the white man was king in those days and he

had no social contacts with the African.

When Count van der Stegen took hunting parties from abroad on safaris Countess van der Stegen often went along. If there were women in the party, however, she usually had to stay in camp to keep them company and calm their fears. Women were usually not too welcome on safaris as they were very particular about their comfort and often very nervous.

Then came the dreadful years of the Mao Mao terror and the van der Stegens had to leave their farm and move into the vicinity of Nairobi. In 1956, when they understood that there was no longer any future for the foreigner, they returned to Europe, and a year later they moved to Winter Park. Count van der Stegen passed away in 1960, after a long illness.

This past summer Countess van der Stegen returned to Kenya for the first time since she had left the country ten years earlier. She found an enormous change and, for the African, a great change for the better. It is about these impressions and her experiences upon her return that she will tell the Alliance on the 16th.

# Baseball Executive Joe Cronin Plans Speech For Annual Animated Mag

American League President Joe Cronin — the only top baseball executive to work his way up through the ranks — will speak on the 40th Animated Magazine to be "Published" by Rollins College Sunday afternoon, February 26.

Rollins College President Hugh McKean announced today that Cronin has joined Governor Claude Kirk in accepting an invitation from the Board of Trustees to participate as guest of honor in major Founders Week events.

Both Cronin and Governor Kirk will attend the College's 82nd annual Convocation Saturday, February 25 at 7:30 p.m. in Knowles Memorial Chapel. They will speak on the Animated Magazine Sunday at 2:30 p.m. in the Country Club of Orlando.

Cronin, 60, went from the sandlots of San Francisco through the minor and major leagues and eventually to the presidency of the American League.

He began his professional baseball career in the summer of 1924, signing a contract with the National League Pittsburgh club.

He played for Pittsburgh in 1926 and 1927, and was then traded to the Washington Senators, where he began one of the American League's most illustrious playing and managing careers.

Joe Cronin was a player with Washington from 1928-1932, was player-manager for the Senators from 1933-34 and was then traded to the Boston Red Sox, where he was player-manager from 1935-45.

During this period, Cronin played on seven American League All-Star teams, and twice managed the American League All Star team. He was voted the Most Valuable Player in the American League in 1930.

As manager of the Senators in 1933, he directed the team to the pennant. His Red Sox team won the pennant in 1946, the year after Cronin's playing career ended when he broke his leg sliding into second base at Yankee Stadium.

This month the Chapel Fund Drive will start its annual campaign to reach its goal of \$4,500. In the past, many students have not been aware that this is an all college function which needs your support.

The fund drive provides many useful services as well as much needed money for various organizations on and off campus. An example of the fund drive which effects us more directly is the foreign student scholarship which is provided through your contributions. For the past several years we have had students from Greece, Italy, and Sweden just to mention a few of the countries which have sent students to the Rollins campus. This year we once again will bring a foreign student to Rollins through your contributions.

If we are to reach our goal, however, we as students must realize our responsibilities and get behind this fund drive effort. The Faculty, too, must realize that we need their support as a vital part of the Rollins community.

Getting down to more factual figures, the fund drive will need an average of three dollars per person to obtain its goal. This is neither impossible nor unreasonable. It can be achieved, but we must urge every organization and every individual to accept his responsibility for the success of this truly all-College effort. We cannot afford to take this

# Gustafson Discusses Issues

Bob Gustafson

lightly, for it provides a challenge to all members of our Rollins community.

Let us then make a pledge to get behind those leaders who have worked so hard to make this fund drive a success. If any student or Faculty member would like to become a part of this drive, he should contact either myself or Al Hollon, Chairman.

Once again, I would just like to state that I hope every student will participate in helping the 1967 Chapel Fund Drive reach its goal.

Sincerely,  
Bob Gustafson,  
Pres. of Student Asso.

# Local Schools Give Student Teachers Work, Experience

Student teaching activities are underway this term as one of the largest groups of Rollins College seniors begin their "work and study" experience in the local public schools. Eighteen percent of this year's senior class is engaged in student teaching.

The 30 student teaching seniors this year are assigned to 16 different schools in Orange county.

The largest number of student teachers, 17, is in Elementary Education. Other areas of teaching include seven in English, two in Mathematics and one each in History, Spanish, Sociology and Art.

Student teaching this year are: Betsy Gaffe, Barbara Liverett, and Linda Reischal at Audubon Park; Mtrie Cubellis, Carol Mulock and Linda Stanerson at Dommerich; Kris Brown and Judy Hoffman at Dover Shores; Sheryl Eagle and Joy Klinkman at Killarney; Beverly Butler and Alice Clement at Maitland Hill; Trudy Byerly and Pam Lewis at Pine Hills; Jane Santamaria and

Barbara Wells at Washington Shores; and Eric Schabacker at Orange Center.

English majors and their high school assignments are: Helena Walker and Peggy VanDyke at Glenridge; Teresa Burke at Robert E. Lee; Carol Ann Bagnell at Robinswood; Marcia Carow at Boone; Scott Gifford at Evans; and Sarah Kavandal at Winter Park High School.

The two student teachers in Mathematics are Sherrie Branyon at Evans and Nancy Stange at Winter Park High School.

The other high school student teachers are: Dee Dee Todd in History at Edgewater, Frances Richardson in Spanish at Boone, James Sawyer in Sociology at Edgewater and Gayle Fitzwater in Art at Winter Park High School.

Dr. Kenneth Griswold, associate professor of Education and co-ordinator of student teaching at Rollins supervises the experiences of the elementary school interns. Secondary school student teachers are supervised by Mr. Harold Peebles, Instructor in Education.

The Rollins plan for the student teaching program is unique in several aspects. "It is a university today," according to Dr. Griswold, "where the student teachers receive the number of observational visits, the supervision, and the personal attention that we are able to carry out at Rollins."

Rollins student teachers are visited in their classrooms every week throughout their term of internship. In addition, on campus seminars are held with the student teachers every week.

Another practice that is unique to the Rollins plan is the 12 week fall term of observation and study in which the student teachers make weekly visits to their schools, conduct studies of individual students and of the school and become acquainted with their approaching winter term of fulltime student teaching.

Visiting the Ringling Museum of Art and Asolo Theater from Rollins College are, from left: Cary Ser, instructor of English Literature, Rollins College; Mrs. Daphna Yackey, Head of the Education Department, Ringling Museum of Art; Dr. John Carey, Professor of art history, Rollins College; Mrs. George Huntington, Ringling Museums' docent; and Miss Ann Wine, Museums' Education Department.

## Rollins Class First To Tour Ringling Museum

SARASOTA — Twenty-five students from the Baroque art history class at Rollins College, Winter Park, were recent visitors to the Ringling Museum of Art in Sarasota.

This is the first time that the Education Department of the museums have had a Baroque art class make special plans to participate in a lecture-tour at the art museum, according to Mrs. Daphna Yackey, head of the museum's Education Department.

The group was accompanied by two Rollins College instructors — Dr. John Carey, visiting professor of art history from Northern Illinois University, DeKalb;

and Cary Ser, instructor of English literature. They viewed a film about Baroque churches in the 18th century Italian Asolo Theater and were given a gallery talk by Miss Ann Wine of the museum's Education Department.

Students in the group are presently engaged in an intensive four-week study period of the 17th, 18th and 19th centuries in preparation for their approach to the 20th century. "This type of study involves individual research as well as collective group study such as the field trip to the museums," Mrs. Yackey added.

## Chapel Staff Fund Drive Gifts Help Support World University Service

The Chapel Staff Fund Drive which was organized in the 1920's is once again in full-swing, seeking its goal of \$4,500. One of the major parts of this goal is the contribution to the World University Service.

The World University Service is a student orientated endeavor

to help child refugees from Vienna. From its humble beginning, it has become a major contributor to educational facilities in 60 countries. The contributions come from the efforts of college and university communities in

the United States. The funds are distributed to projects for lodging and living facilities, student health facilities, educational facilities, and emergency aid to individuals.

The World University Service operates on the belief that "today's students are tomorrow's leaders," and that the future of one will affect the future of all. It provides the impetus that gets a project done. Seldom does the World University Service completely finance a project. Rather it relies on the philosophy that students and faculty must be willing to help themselves. The World University Service has been so effective that the United States Government has relied on it to carry out special projects.

The past few years, Rollins contributions have helped to establish a book store and library at Chung Chi, a university in Hong Kong. Just recently the library has become self-perpetuating and will no longer rely on the World University Service.

Are they right? The Rollins girl whiles away time in "the country club" environment.

# The Rollins Coed As Others See Her

Editors Note:  
(The following article appeared in *Where The Girls Are*, a comprehensive social guide to collegiate women, published by the staff of the *Daily Princetonian*. This selection gives us a picture of the Rollins Coed not found in the official administration publications.)  
A Rollins alumnus stepped onto campus recently, noticed that student were carrying books, and moaned, "What happened to The Country Club?" His fears were unfounded. Despite the pressures to reform and modernize, Rollins has remained The Country Club. Blessed with year-round sunshine (thanks to its handy location in Winter Park, Florida), the college predictably attracts a large number of Yankee socialites (sixty percent) who are looking for just the right sun-fun combination with a minimum of work. Rollins has all of that and more: fraternity-sorority buildings as large as the administration's, a charming lakefront campus, and a cosmopolitan, if pleasure-seeking, student body. For the visitor or the Rollins man, there are over 430 eager women who like nothing better than a fast car and a not-too-fast date.  
For energetic Rollins students of both sexes, fun is available in a variety of forms. Fraternity parties are common, but more common are trips to nearby Daytona, where a sweat-shirted couple can bask in ananymity among thousands of other sweat-shirted couples. Winter Park is quiet, but adpacent Orlando has plenty to offer in the way of drive-ins and night spots. For the athlete, the colleges' front lawn provides a comfortable chipping green and boats and skis are never very far away.  
Rollins girls are easy to pick out: collegiate dress, good looks, and the inevitable tan. For the most part they are easy to get to know, provided you have a complementary tan and the necessary cool to go along with it. Your Rollins date will talk about anything as long as it doesn't wander too far from cocktail conversation, and she is always willing to leave her dark glasses behind for a trip to another college (anything to get away from the incessant noise of express trains which rumble through the lower campus at all hours). With the proper touch you may get her to leave her post-high-school world long enough to discuss her academic work. But don't worry: This shouldn't take more than a few minutes. If you plan a trip to Rollins but your car's in the garage, don't let that stop you. Rollins' own private airport will be more than happy to keep track of your plane for the weekend.

## Chapel Staff Charity Drive Funds Help The Foster Parents Plan Support Needy Children

For about fifteen years the Chapel Staff has sponsored two foster children. One is a little girl who is a Chinese refugee in Hong Kong and the other is a young boy in the Philippine Islands.  
Through the Foster Parent Plan we—all of us at Rollins who contribute generously to the annual Chapel Fund Drive—are able to help support these children in feeding and clothing them. But, the greatest benefit which these children enjoy is the privilege of being able to attend school; without our financial aid this would be impossible.  
Two members of the Chapel Staff write the children each month, and they (Shui Lin, the Chinese girl and Edmunda, the

Philippine boy) return the letters. As you can see we as Foster Parents mean a great deal.

## New Alum Director Walter Hundley Arrival Scheduled Here Next Week

Walter M. Hundley, formerly field director of the Alumni Fund at Washington University in St. Louis, has been appointed Director of Alumni Affairs at Rollins College.

R. F. Stonerock, President of Rollins Alumni, Inc., said Hundley will assume the position February 15. Marcus T. Young resigned the post in September to become Director of Alumni Relations at Northwestern University.

Hundley, 36, has served as Field Director of the Washington University Alumni Fund since 1963. In fiscal year 1966 his department set a new record in both total alumni gifts and participation of alumni.

He attended Missouri University from 1947 to 1949, and Washington University from 1949-1950, majoring in business administration.

A Marine Corps veteran, Hundley has held sales management positions with major food firms, including Ralston Purina. He was Director of Business Relations for the Better Business Bureau in St. Louis prior to his appointment at Washington University.

He is a member of the Sales and Marketing Executives International, American Alumni Council, and the St. Louis and Big Eight Conference Football Officials Association. A member of the Shrine, he has served as director of the Kirkwood Khouri Baseball League and the Greater St. Louis Athletic Association.

Hundley is married and the father of three children.

The Union Fine Arts Committee is presenting an oil painting display in the Student Union beginning Friday, February 10. The display consists of paintings by Nick Starano, Randi Ackerman, Pam Dixon, Becky Klamer, Heidi Nivling, and Mike Thiedeman. These works were done Fall Term at Rollins; and thus, this will be the premiere.

"We in the Rollins Alumni Association are extremely pleased

Walter Hundley

that Mr. Hundley has accepted this position," said Stonerock. "He has distinguished himself in the field of alumni activities at Washington University, and we expect to set and reach new goals at Rollins under his leadership.

According to Stonerock, among Hundley's immediate projects at Rollins will be servicing alumni clubs throughout the country, reactivating former clubs and organizing new clubs. Rollins has more than 8,000 active alumni in the United States and foreign countries.

# Lambda Chi, Snakes Battle Fac-Grads For Cage Lead

Hot shooting guard Gary Mercer canned 78 points in his last two games to boost Lambda Chi into a three-way dogfight with Sigma Nu and the Faculty for the intramural basketball crown.

Lambda Chi (4-1) meets Sigma Nu (4-1) Monday in a game that will decide which two teams vie for the number one spot in the cage playoffs Feb. 20. The Faculty-Grads presently lead the league with a 5-1 chart, losing only to Lambda Chi.

After winning its opener 39-27 over KA, Lambda Chi was upset by the Indies 49-43 Jan. 26, as Mercer tied Freshman Calvin Leech for scoring honors with 19 points.

Since that defeat Lambda Chi has knocked off the Faculty-Grads 52-35 Jan. 30, and routed X Club 79-39 and Sig Ep 67-35. Mercer hit for 17 and Tony LeVecchio contributed 13 against the Faculty. Jim Brown, playing without backcourt mate Boyd Coffie, tossed in 24 for the losers.

Against X Club Feb. 2, Mercer registered a record 41 markers,

outscored the entire Club, and Monday he hit for 37, two more than the Sig Ep squad. Hurting with Scotty Green on the injured list, X Club was paced by Corky Higgins' 15 markers.

Tom Eaton guided the Sig Ep attack with 20 markers.

Featuring a balanced attack, Sigma Nu has kept pace with Lambda Chi in victories over Delta Chi, X Club and TKE. The Faculty-Grads slipped by the defending champion Snakes 55-54 Jan. 26.

Sandy Sulzycki was top man in both the Faculty-Grad and X Club games with 17 and 11 markers respectively. Sigma Nu tripped Delta Chi 50-42 and dumped the Club 57-39 despite 14-point performances by Jim Oppenheim and Eliot Stedman.

After dropping its first two games, KA has rebounded to take a firm grip on fourth place with three straight wins. Gary Daring scored 19 points to pace KA by the Club 50-37 Feb. 1, and Harry Lester tossed in 29 as KA edged the Indies 53-49. KA

tripped Sig Ep in overtime Tuesday.

Leech hit 27 points versus KA and added 18 as the Indies upset TKE 56-45 Jan. 31. Terry Hay led the Tekes with 17 markers.

The Indies and Tekes share fifth place with 2-3 slates, followed by X Club (2-4), Delta Chi (1-3), and Sig Ep (0-5).

## BASKETBALL

## Rollins Netters Blank FSU, 9-0

By Bernard Jarman

Coach Norm Copeland's varsity netters began right where they left off last year as they swamped the University of South Florida 9-0 in Tampa, last Friday.

South Florida's Brahmins invade the Rollins campus Saturday for a return match beginning at 1 p.m. on the Rollins courts.

No player was extended to three sets as the defending NCAA College Division champion Tars rolled to their 38th victory in their last 41 starts.

Senior captain Bob McCannon, sophomores Jim Griffith, Cliff Montgomery and Bill Kinne, senior Ferd Starbuck, and freshman Bernie Jarman all posted singles victories. Jarman, who downed John Morton 10-8, 6-3, in his first collegiate match, was the only starter pressed.

McCannon and Montgomery, Griffith and Kinne, and Starbuck and Jarman also found easy going in doubles competition.

Two Tar starters, transfer Ron Van Gelder, who is ineligible until Mar. 3, and sophomore Chick Hawley, did not play in the opening match.

After Saturday's engagement, the Tars are idle until Feb. 23, when they meet Florida Intercollegiate Conference rival Florida Southern in Lakeland.

Matches with Stetson and Southern are on tap Mar 1 and 2, before daily action begins Mar. 15. From Mar. 15 through Apr. 12, the Tar netters host such teams as Kentucky, Florida State, Pennsylvania, Clemson, Davidson, Duke, Amherst, Hope, Notre Dame, Florida, Furman and East Kentucky State.

### Rollins 9, South Florida 0

**SINGLES** — McCannon (R) d. Heath 6-4, 6-3; Montgomery (R) d. Howze, 6-3, 6-1; Griffith (R) d. Rinehart, 6-3, 6-3; Kinne (R) d. Blevins, 6-1, 6-0; Jarman (R) d. Morton 10-0, 6-3; Starbuck (R) d. Bell, 6-1, 6-3.  
**DOUBLES** — McCannon-Montgomery (R) d. Heath-Howze, 6-3, 6-1; Griffith-Kinne (R) d. Rinehart-Blevins, 6-2, 6-2; Starbuck-Jarman (R) d. Morton-de la Mardiere.

Freshman Dick Morrison (43) takes to the air on a drive despite lead by Mercer's Bill Naylor (44).

## Bucket At Buzzer Hands Tars Defeat

DADE CITY — St. Leo center Walt Tabor scored a layup in the final second Wednesday night to hand Rollins its tenth straight basketball defeat 69-67.

In the first meeting between the two teams last year Tar pivot Millard Nixon drove for the winning basket in a 70-68 victory with just a second remaining.

Playing their best game since Christmas, the Tar cagers shot 52% from the floor and canned 15 of 17 free throws as they took the lead 20-19 with 10:35 left in the first half and never trailed until the buzzer.

With Tabor and guards Richie Wallace and Joe Orchulli tallying 62 points between them, St. Leo surged from eight points back to tie the score 63-63 on Charlie Knudsen's steal with 4:07 left.

The victorious Monarchs rebounded Jim Murphy's missed layup with about two minutes left in the game, then stalled for the final shot.

Sterling Case (19), Rick Loghry (16) and Mark Stewart (13) all finished in double figures for the Tars.

After opening the season with a 5-4 slate, coach Boyd Coffie's Tars have slumped to a 5-14 slate with six of the losses coming in the past two weeks.

Tampa concerted 37 of 47 free throws Jan. 26 to hand Rollins a 97-72 Florida Intercollegiate Conference defeat. Guard Vic Thixton pumped in 27 points for Tampa, while freshman Frank Valenti paced the Rollins attack with 16.

Shooting only 29% from the field Jan. 28, the Tars were routed by Augusta 83-52. 6-10 center Bill Kinchen sparked the Jaguars with 22 points and 14 rebounds and Ed Siemer's 16 markers paced Rollins.

Things began looking brighter Jan. 30 as Rollins bowed to F.I.C. rival Stetson 69-58. With Case scoring 20 points and Mark Ste-

wart and Siemer adding 15 and 14 apiece, the Tars stayed within five points before the Hatters outscored Rollins 12-1 in a four minute stretch late in the second half.

## Kappas, Thetas Stay Unbeaten

Women's intramural softball enters its final four days next week with the league's two unbeaten teams, Kappa and Theta slated to meet Thursday.

Behind the pitching of pledge Lynn Cooper, Theta, has rolled to five straight wins, ranging from a 14-4 pasting of Alpha Phi to a 5-3 decision over Gamma Phi. Theta has also downed Pi Phi 13-5, Chi O 11-4 and the Indies 7-0.

Defending champion Kappa was undefeated in three games going into Thursday's match with Pi Phi. Kappas' big bats have claimed Phi Mu 23-2, Chi O 22-8 and the Indies 13-0 as victims.

Virtually out of the title battle, but still scrapping for the number three spot are Gamma Phi, Phi Mu and the Indies, which boasted 2-2 slates Wednesday.

Nona Gandelman's Indies downed Alpha Phi 16-4 and Gamma Phi 9-3 before being blanked by Kappa and Theta. Phi Mu has defeated Alpha Phi 8-4 and Pi Phi 15-9, while losing to Kappa and Gamma Phi 12-1.

Gamma Phi, a pre-season pick to battle Kappa for the crown behind senior hurler Margie Fifer, boats wins over Chi O 15-0 and Phi Mu to balance losses to the Indies and Theta.

Alpha Phi and Chi O meet in a key game Monday with sixth place at stake. Both stood 1-3 Wednesday with their lone wins at the expense of winless Pi Phi, 0-4.

# Cagers Travel To Erskine, Augusta

Trying to halt their skid at 10 straight, the Tar cagers head north for games with Erskine in Due West, S. C., Friday and Augusta College in Augusta, Ga., Saturday.

This year the Tars renew an old rivalry with Erskine's Flying Fleet, who presently stand 11-8 on the season. Against Augusta the Tars will be trying to avenge an 83-52 defeat administered two weeks ago.

Playing primarily other South Carolina colleges, Erskine is led by 6-4 senior forward Don Whitehead, who is scoring better than 22 points per game. Two other Fleet starters, center Mike Jenkins and forward John Davidson are consistent double digit scorers.

Augusta's chief offensive threat is sharp-shooting forward Bill Dumen, who tallied just 13 points versus Rollins despite his 20-plus point average, but center Bill Kinchen at 6-10 poses the biggest threat to the Tars.

Kinchen hit for 22 points and

grabbed 14 rebounds against Rollins Jan. 28. Guards Howard Ray and Bill Denny are two of the best ball-hawks Rollins will see this year.

The Tars, who stood 5-4 on the season before collapsing after the Christmas layoff, are still led by guard Sterling Case, averaging 18.1 points per game.

Forwards Rick Loghry and Ed Siemer are also hitting at an 11-point clip. However, junior Mark Stewart has finished in double figures four straight nights since moving to guard in the second Stetson game.

With Stewart in the backcourt the Tars have turned in three good performances in four outings. Sophomore Jim Murphey (6-4) or freshman Kim Kramer (6-3) will start in the center spot. Neither has been successful to date in replacing 6-5 junior Donnie Smith, who was averaging 10.3 points and 9.9 rebounds when sidelined by a broken ankle ten games ago.

## Lambda Chi's Mercer Gains On Boyd Coffie

Lambda Chi guard Gary Mercer tossed in a record 41 points last Thursday to lead his teammates to a 79-39 victory over crippled X Club and take second place in the league scoring race.

Tallying 18 field goals and five free throws, Mercer shattered league scoring leader Boyd Coffie's 39-point high against Lambda Chi last season.

Despite the record breaking performance, Mercer could not catch Coffie in the scoring race. In four games Coffie has registered 110 points for a 27.5-point average, 11 points better than Mercer's 99-point total and 24.8 point mean.

Coffie's Faculty-Grad teammate Jim Brown is right behind Mercer with an average of 23.6 points per game, followed by Delt Van Lawrence (22.3), Sig Ep Tom Eaton (20.7) and Indie Calvin Leech (20.3).

Sandy Sulzycki of Sigma Nu (19.0), Chuck Gordon of Delta Chi (17.0), Scotty Green of X Club (16.7) and Harry Lester of KA (16.0) round out the top ten scorers.

Last year Coffie won the regular season scoring title with a 29.2-point average, edging Sigma Nu's Fred Suarez by a tenth of a point. Including play-off action, Suarez outscored Coffie 28.6 to 28.3.

Sigma Nu House

Sigma Nu's Ricky Mello meets Delt welcoming party as he passes toward Delta Chi goal. The Snakes won 2-1.

## Tekes Upset Snakes, Confusing Soccer Race

TKE upset Sigma Nu 2-1 last Thursday, to throw the intramural soccer race into a tie between defending co-champions Delta Chi and Sigma Nu and set the stage for a possible playoff Feb. 24.

Tying 2-2 in their only meeting, the Deltas and the Snakes finished last season with identical 5-1-1 records, but no playoff was scheduled.

Both clubs stood 5-1 through Wednesday. Sigma Nu, which defeated Delta Chi 2-1 Jan. 25, met KA Thursday in a must game. Delta Chi plays Lambda Chi Friday and both teams have games with the Phi Deltas this week.

Waiting in the wings in case both Sigma Nu and Delta Chi falter are a pair of surprises, KA and TKE. Both stand 3-1-1 with their only losses coming at the hands of the Deltas.

Although Sigma Nu controlled the game offensively, TKE handcuffed the Snake attack with hustling defense and capitalized on offensive breaks as Norm Friedland and Larry Roberts scored in scrambles in front of the goal.

Friedland sent the Tekes ahead shortly before halftime, but Ricky Mello tied the score on a beautiful boot late in the third frame. Roberts' deciding tally came with 4:45 left in the game.

Tom Thompson scored one minute into the second half Jan. 28, to give TKE a 1-0 decision

over Lambda Chi and get the Tekes rolling on a three-match win skein. Their third victory was a 4-0 win over the Indies Monday.

## Rollins Golfers Trip Wisconsin

Rollins' golfers opened their 1967 season with a pair of victories over the University of Wisconsin Jan. 25-27.

After dropping the first match 15-12 at Dubsread, Coach Bob Kirouac's linksters rebounded to defeat the Badgers 18½-8½ at Rio Pinar and 14-13 at Bay Hill.

Wisconsin's John Hogden turned in consistent performances, winning all three matches and turning in low scores of 73 over the Dubsread and Bay Hill courses.

Juniors Russ Taylor and Ron Lehr, who shared low medalist honors with John Kirouac at Rio Pinar with 75's, also won all three of their matches for the Tars. Taylor won each 3-0, while Lehr took two opponents 3-0 and the third 2½-½.

Senior Sam Martin, who was named with Terry Law and Bob Lewis as a tri-captain, of the squad, won two of his three encounters.

## Scuba Diving Course Scheduled In Spring

Scuba diving will again be offered as part of Rollins' physical education program this spring, according to Harry J. Meisel, physical education director.

Bill Carpenter, a veteran of more than a decade of scuba and water safety instruction, will direct the course.

Scheduled for two hours a week during the 12-week spring term, the course will also include field trips to nearby springs and a possible excursion to the tropical reefs of the Florida Keys.

The course is designed to introduce the beginner to all phases of the sport diving with special emphasis on safety. About 40% of class time will be devoted to study of the physical and mental aspects of diving, plus dis-

cussion of hazards in various marine environments.

Actual diving time makes up the remainder of the class schedule. Students will learn how to use different types of scuba equipment and proper techniques of safe sport diving. Instruction in underwater photography is also available.

A registration fee of \$45 provides students with all equipment except mask, fins, snorkel and text. This equipment will also be available to class members over weekends and holidays.

Enrollment is limited and interested students are urged to pre-register at the P. E. office this term. The course is open for P. E. credit or non-credit to all students who are good swimmers and are in good physical condition.

## Gal Netters Crush Two Foes

Rollins' women's tennis team boosted its record to 5-0 with easy victories over Florida State University and the University of South Florida the past two weekends.

Miss Virginia Mack's Tar girls polished off F.S.U. 8-1 Jan. 27, with junior Nona Gandelman the only loser, falling to Nancy Hammerstrom 6-4, 6-3. Rollins defeated F.S.U. 10-2 in Tallahassee earlier this season.

Only junior Kathy Blake, who topped Linda West 6-3, 3-6, 6-2, was extended to three sets as the Tars swept five singles matches and all three doubles. Wendy Overton, Mary Ann Foniri, Lucia Turnbull and Rheua Stakely posted easy singles wins, then teamed for a trio of two-set wins in doubles.

The Tar girls made it five straight Saturday by downing South Florida 6-1. Gwenda Adams handed freshman Lucia Turnbull

her first defeat of the season 6-3, 6-0, for USF's only point.

Jane Butts went three sets before tripping Dabbie Garrison, 3-6, 6-1, 6-2, but Miss Blake, Miss Overton and Miss Foniri had easier times with their singles foes. However, Tish Adams kept Miss Overton busy as she lost 7-5, 6-4, and Elesa Nelson pushed Miss Blake to 7-5 before falling 6-1 in the second set.

In doubles Miss Blake and Miss Overton overpowered Tish Adams and Miss Nelson 6-2, 6-0, while Miss Turnbull and Miss Butts downed Gwenda and Jacquie Adams, 7-5, 6-4.

Rollins next appearance will be in the Florida State Invitational in Tallahassee Mar. 3-5, if classes permit. The Tar girls meet the University of Florida in Gainesville Mar. 25.

342 Park Avenue, South  
Winter Park, Florida

## Austin Reaches Four-Ball Finals

HOLLYWOOD, Fla. — Freshman Debbie Austin and her partner Tish Preuss fell to Roberta Albers and Sharron Moran 3-2 over 32 holes Jan. 29 in the finals of the Hollywood Women's Four-Ball Tournament.

Miss Austin, who was Florida High School champion while at Pinecrest School in Pompano Beach last year, and Miss Preuss reached the finals by edging Nina McKeegan and Emily Gail 1-up, Margo Walden and Lancy Smith 2-1 and Pam Higgins and Sue Roberts 1-up.

Senior Jane Blalock and her partner Dorsey Johnson fell to Miss Higgins and Miss Roberts 2-3 in the first round.

Miss Austin, a Oneida, N. Y., resident, and teammates Preston Alexius, Miss Blalock, Mezie Pritchett, Susan Gregory and Connie Hirschman will play in the Florida Intercollegiate Tournament in Gainesville Mar. 31-Apr. 1. The Tar girls won the F.I.T. last year and in 1964.

## Grads Pass Indies In Bowling Race

The Grads knocked off Sigma Nu 3-1 Feb. 2, to jump ahead of the Indies in the intramural bowling race.

Having defeated Lambda Chi, TKE, X Club, and Sigma Nu by identical 3-1 margins, the Grads stand 12-4 overall, one notch better than the Indies, who lost to Delta Chi 3-1 last week.

Lambda Chi, which posted a 4-0 shutout of TKE last week, advanced into a second play tie with the Indies at 11-5. X Club and the Phi Deltis are third with 10-6 records.

Clip this coupon  
and cut your fare in half.

If you're a student under 22, you can go half-fare almost anywhere Eastern goes with an Eastern Youth Fare ID card. Simply fill in the coupon. Enclose proof of age, plus a \$3.00 check or money order payable to Eastern Airlines.

If everything's in order, we'll send you your Youth

Fare ID card entitling you to fly coach on Eastern for half-fare anytime there's a seat available at departure time. The Youth Fare is not available for a few days during the Thanksgiving, Christmas and Easter holidays.

Now isn't that a great ID?
