THE FLORIDA HISTORICAL SOCIETY

THE ANNUAL MEETING

As was announced in the last issue, our annual meeting is being held while this number of the QUARTERLY is in press. We are meeting in Miami on April 8-9, at the invitation of the Historical Association of Southern Florida and the University of Miami, with Dr. Charlton W. Tebeau as chairman of the committee on arrangements and program. A full account of the program with the minutes of the business meeting will appear in our next issue.

A NOTEWORTHY GIFT TO OUR LIBRARY

Since the last number of the QUARTERLY appeared, the Society has received a very valuable gift from Frederick W. Dau. For many years Mr. Dau searched for and collected Florida historical material, much of which he used in writing his *Florida, Old and New*, published in 1934. He has now given our Library more than thirty volumes from this collection, many of them rare and which we did not have. The gift also includes Florida maps, and views of the last century.

Among the rare volumes are:

- John Lee Williams, *A View of West Florida*, Philadelphia 1827. (This is much rarer than the same author's *Territory of Florida*).
- The Early Days and Remembrances of Osceola Nikkanochee*. London, 1841.
- The Life, Adventures and Sufferings of Andrew Oehler*. Trenton, 1811. (This traveller was in Pensacola in 1808).
- The Shipwreck and Adventures of Pierre Viaud*. London, 1766. (Wrecked on the coast of Florida).
- Osceola, Fact and Fiction*. New York, 1838.
- Osceola*, Mayne Reid. 3 vols. New York, 1859.
- Biography and History of the Indians of North America*. Samuel H. Drake, 1841.
- Red Patriots, The Story of the Seminoles*. Charles H. Coe, Cincinnati, 1898.
- Letters of a Traveller*. William Cullen Bryant. New York, 1850. (Several of the letters were written from Florida).
- Excursions in North America*. Priscilla Wakefield. London, 1806 (St. Augustine, Pensacola, Florida Indians).
- America*, Arnold Montanus. 1673.
- La Florida del Inca*. Garcilasso de la Vega. Madrid, 1723.
- Maps of Florida. Bernard Romans. (reproductions).
- The Origin, Progress and Conclusion of the Florida War*. John T. Sprague. New York, 1848.
