A Message from the President...

Welcome to Rollins and to the College Family. We have anxiously awaited your arrival and we want you to be glad you came. You bring talents and accomplishments which will enrich our community and I am confident that you and Rollins will be better for the days we will spend together. I welcome you on behalf of all members of the faculty and staff and look forward to our future association. Good luck in the work ahead.

Thaddeus Seymour,
President

Part-Time Help SAGA Needs

Rollins College Food Service employs many students each semester. There are various jobs available in Rose Skillman and the Student Center. If you are interested in employment or a chance for some extra spending money, give us a call!

Food Service Manager
Rollins College
Winter Park, Florida 32789
(305) 646-2671

Your Voice in Rollins Faire

Your Rollins Faire management team is looking forward to meeting regularly with your Food Service Advisory Committee comprised of Rollins Faire customers.

The Rollins Faire Advisory Committee will work to surface customer feedback, menu and service suggestions that will enable and help management to assure a positive dining experience in each of the Rollins Faire dining areas.

Each week random students will be invited to a Director's Dinner in the President's Dining Room. This will give you a chance to discuss the Food Service Program with the Director and the College Business Manager. If you would like to be invited to one of these dinners contact the Business Manager's Office.

Your management team is available at all times to meet with you on a personal basis. Each meal your manager will be in the dining areas welcoming your personal suggestions.

Make Dietary Arrangements

Students with special diets should contact the Food Service Director for their special needs. Students should have a copy of their diet available to review. Every effort will be made to meet your special needs.

A New Variety for SAGA

Throughout the year your Food Service is planning some special dinners and monitory breakers to make your dining experience a more enjoyable one. We'll help you celebrate Halloween, Thanksgiving, Christmas with delicious buffets, offer ridiculous price-off specials, ice cream sundae bar, salad bar extravaganza and much more.

We hope to have consistant and stable prices throughout the school year, however, when certain food items increase drastically we may need to increase the price of the product. Conversely, if the cost of a certain food item decreases drastically we will decrease the price of the product to you our customer. We will make every effort to keep your food costs down.

Now's Your Chance!

We're looking for talented, creative people to fill available positions in writing, photography and advertising. If you've got the knack, let us know...

The first organizational meeting of the Sandspur will be held Sunday evening: 7:30 in the Sandspur office in Carnegie Hall.
