OLDER BOYS' CONFERENCE WELL ATTENDED

More Than 200 Boys Were Entertained Here.

The Older Boys' Conference which was held at Rollins College December 7-9 under the auspices of the Y. M. C. A. was a great success.

About 200 boys from 12 to 20 years of age were present. Tampa sent twenty-six representatives, Jacksonville seventeen, and Polk County thirty-five.

The boys were entertained on the campus and in various homes in town. Both college folks and townspeople did all in their power to make their stay agreeable and profitable.

From the time that the delegates were seated in the College Dining Hall Friday evening for the opening dinner until the last of them left Winter Park Monday morning, the atmosphere was filled with a spirit of good fellowship and cooperation.

Every session of the conference, according to the reports of the leaders, was marked by earnestness and enthusiasm and real depth of thought and purpose.

It has been said that the youth of America between the ages of ten and seventeen is at this time, "the hope of the world." No one could see the boys attending the conference without feeling that this is indeed true. Most of them were too young to offer their service to Uncle Sam as sailors or soldiers, but everyone of them had powers and capabilities which will be—which are now—of priceless worth to the world. Upon their shoulders will fall the burden of reconstruction after the war; of the moulding of morals and public opinion; of keeping ever before the people the lessons that this war shall have taught so that those who have sacrificed their lives "shall not have died in vain."

Here in this conference they gained a vision of their possibilities and powers and they learned too, that they will succeed only as they put their trust in the Great Leader and win through His strength.

To those who witnessed the closing session of the conference Sunday night, it bore a message of a new hope for the future and an added responsibility, too. If America is to come out of this great struggle refined and strengthened, it will be because the youths of America to-day are taught their own worth, and made to realize the grave responsibilities which are theirs. That was one of the objects of the Older Boys' Conference.

Among the leaders were W. L. Chandler, O. E. Maple, State Secre-

RANNIE LAKE "IS IN THE ARMY NOW"

A letter has recently been received from A. Randolph Lake, a graduate of last year's Senior Academy Class, by one of his old pals on the campus telling of his enlistment in the Signal Corps, Aviation, several days ago. He is now stationed near St. Louis and his address is Company 16, Barracks 3, Jefferson Barracks, Mo. He wishes to be remembered to the "boys and girls" and says "tell them to write me."

Interesting excerpts from the letter read as follows: "I want you to know that I am in the army now, and not behind the plow * * I am now at the "Y," which you will note from the stationery, and I have about come to the conclusion that Ray Greene was right in everything he said in regard to the work it is doing. The secretaries surely make the boys feel at home if anybody ever did, and you can tell Ray that I will be one of the big pushers for it now on. If there is a chance of his coming up here be sure to have him let me know and I will do everything to make it pleasant,—even go to prayer meeting with him!"

"Ran," who was a student in this institution for three years was very popular and has a host of friends here who will wish him every success for the future. He was a member of Alpha Alpha Fraternity and took a prominent part in last year's Commencement play, "The Yellow Jacket."

"RAY" GREENE ENLISTS

R. W. Greene, known as both "Gym" and "Ray" to Rollins folk was on the campus several days last week attending the Older Boys' Conference.

He spoke to the students in chapel Friday morning, telling them more of his work as a secretary in the Y. M. C. A. in Charleston Navy Yards, and urging them to give more to the Y. M. C. A. funds.

At the close of his talk he told them that he would return to Charleston and enlist in the Navy.

This came as a distinct surprise to the college and to the people of Winter Park and Orlando, where Mr. Greene is well known.

The best wishes of his many friends follow him to his new work.

tary of the Y. M. C. A., Blake W. Godfrey, R. W. Greene, M. C. McCannless, and Friend Hoyt.

President French delivered the address at the closing session of the conference Sunday night.

"LIKE FIVE LETTERS FROM HOME"

The following are extracts from a letter recently received by The Sandspur from Paul L. Thoren, '17, who is in training at Camp Grant.

"Our work is running along very nicely and the weekly arrival of The Sandspur is like five letters from home, giving more impetus for each added duty."

"Clay Inman a former Rollins student, sang for the soldiers Thanksgiving afternoon and was appreciated by the large audience. He sends his regards through the writer to all his Rollins friends. We had a little fraternity meeting on the side and it was great."

MARK TWAIN EVENING AT DELPHIC SOCIETY

This week's meeting of The Delphic Society was devoted to a study of the American humorist, Mark Twain. An interesting paper on the life of this writer was read by Florence Stone. This was followed by the reading of sketches from various works, "The Gilded Cage," "Innocents Abroad" and others by Sadie Pellerin. Miss Pellerin selected particularly humorous sketches and read the dialect parts in a thoroughly appreciative way.

Another number on the program was a solo by Jeanne Richie rendered in her usual charming manner.

ALUMNI ASSOCIATION COMPILING LIST OF ROLLINS MEN IN SERVICE.

Students Are Urged to Give Names to Miss Mary Conaway.

The students of Rollins College are earnestly urged to co-operate with the Alumni Association in securing a complete list of Rollins students who are now "with the colors." This list will be published from time to time, and later on a complete list will be published in the Alumni Record.

Please give names to Miss Mary Conaway, treasurer of the association, who is in charge of this work.

STUDENT GOVERNMENT

The Women's Student Government Constitution which has been in process of preparation for the past month, was submitted to the Cloverleaf girls for adoption last Wednesday evening.

It was accepted in practically the same form as presented, only one or two unimportant changes being made.

A complete account of the election of officers will appear in next week's Sandspur.

INTERESTING PAPER READ BEFORE Y. W. C. A.

Mrs. H. B. Gibbs was a Wel- come Speaker.

Last Tuesday evening the Y. W. C. A. met as usual in Cloverleaf. After brief devotional exercises led by Eleanor Backus, Mrs. Harley B. Gibbs of Winter Park read a most unique and interesting paper descriptive of her experiences in Colorado when she "ran" for County Superintendent of Schools.

While electioneering in the country districts she and her husband were caught in a terrible blizzard. For three days they were guests in a two-room cottage, which was heated only by a stove without a chimney. The latter had been blown down by the first blasts of the blizzard.

The scant meals were cooked in a cloud of smoke and the occupants of the cottage were compelled to go to bed between meals to keep warm.

In spite of difficulties and unheard-of experiences, Mrs. Gibbs thoroughly enjoyed her electioneering, although she was defeated by her opponent, also a woman, who did not hesitate to conduct her campaign by the methods of men—by treating to cigars, drinks and by occasionally passing over a bit of money.

The entire paper was filled with alternate bits of humor and pathos, and clever phrases which showed very clearly Mrs. Gibbs' keen insighted into human nature.

FORMER STUDENTS WED

Mr. and Mrs. A. G. Faulkner arrived in Winter Park last Monday afternoon en route on their honey-moon, which is to be spent in true camp style on the Wekiwa and St. Johns' rivers.

While in Winter Park they were the house guests of Mr. and Mrs. A. P. Musselwhite.

The bride, formally, Miss Vannie Clark, daughter of Mr. and Mrs. B. L. Clark of Inverness, was a favorite among her classmates while attending Rollins Academy.

The groom, "Al" as he is fondly called by his many Winter Park friends hailed from Jacksonville, and is known as a former Rollins basketball star. Mr. Faulkner is now in the government service in the Naval Reserve, and is stationed at Ft. Dade, to which place he will return after his furlow of twelve days expires.

Mrs. Faulkner will live in Tampa while her husband is in training.

The Older Boys' Conference is a thing of the past in material existence but not in spirit. The boys have left on the campus a new enthusiasm and a new feeling of loyalty and co-operation among Rollins students and faculty.

During the whole of the week-end when the boys were here, we heard no complaints about any inconveniences, all accepted the cafeteria in the dining hall as a bit of "great fun," students vied with each other in helping in all ways, and the result is that a stronger feeling of sympathy between students and students and faculty and students has been established.

Come again, boys,—you have done us good."

During the past week, there has been a spirit of restlessness among the boys on the campus, and many have expressed the desire to leave school and to enter the service of Uncle Sam.

This desire to serve is commendable—we can only hate the boy who isn't willing—but the world need is now not alone that of having an efficient fighting force, but also of having a well trained army behind the lines to help bear the burdens which the fighting men have laid down.

Dr. French and members of the faculty are urging the boys to look at the matter from all angles before making a final decision.

To those who have already made

their decision, and have enlisted we extend best wishes and wish them God-speed.

FOOD ADMINISTRATION.

Hon. Braxton Beacham, Federal Food Administrator for Florida, is planning to appoint a Food Administrator in each county, to perform for the country the same duties that Mr. Beacham performs for the State. Those who are appointed to these positions must be well recommended and must possess the highest qualifications, intelligence, and discretion.

The appointees will receive no salary but will serve as the State Food Administrators serve—through a patriotic desire to be of aid to their Country and its people.

A conference of Bakers, Wholesale and retail merchants, Hotel Proprietors and editors of the State will be held in Orlando, December 19th. This conference is being held at the request of Food Administrator Beacham. The Orlando Board of Trade will entertain the delegates.

John McCormack, Metropolitan lyric tenor, has given his artistic services to the Red Cross in a series of concerts which he plans to give through out this country. Not only will the net proceeds be turned over to the national committee but the expenses of the tour will be met by himself. Of the gift he says: "I will keep on singing until I have earned \$100,000. The work will be a privilege to me and I will preform it with an enthusiasm such as I never have felt before."

BENEFIT FOR Y. W. C. A. WAR FUND

The entire proceeds of the Baby Grand Theatre in Winter Park last Wednesday evening were given to the Y. W. C. A. War Fund.

Professor Harrington of the College made an eloquent appeal to the people for their aid in this work.

Frieda Siewert and James Noxon sang again the war songs which have been so popular since they were sung at the recent Patriotic Rally in Winter Park.

Many of the faculty and students attended the Baby Grand Wednesday to show their interest in this great work and to find pleasure for themselves.

Miss Lena E. Jackson of Tampa, a cousin of Mr. A. J. Hanna was a guest on the campus Friday afternoon, coming up from Orlando where she was the house guest of Miss Mary Brannham, '11, for several days.

MR. EMERY ADDRESSES Y. M. C. A.

The regular weekly meeting of the Young Men's Christian Association was held Tuesday evening at 6:45 in Lyman Gymnasium. Mr. W. H. Emery was the speaker of the evening and brought out strongly the importance of character, giving valuable suggestions in the building of worth-while character.

FOR TAMPA BOYS

Hildegard Slauter, Guardine Muriel, Helen Hanna, and three of the latter's classmates at Hillborough High School who were attending the conference, Francis Parker, Pete Harris and Newell Henderson, were dinner guests at the "Virginia Inn" Saturday evening. Miss Sara Muriel and Mr. Fred Hanna were also present.

ENTERTAINED AT DINNER

Mr. and Mrs. Payton Musselwhite entertained at dinner Monday evening the guests of honor were Mr. and Mrs. Faulkner, former Rollins students. Other guests were Misses Gertrude Hall and Dorothy Richards.

After the dinner, the party attended the basket ball game at the college. Mr. and Mrs. Faulkner left Tuesday for a camping trip on the Wekiva river.

Mr. and Mrs. Faulkner were the guests of Miss Dorothy Richards at lunch Monday noon.

PICNIC AT "ALABAMA"

William Sherman entertained a number of the students Monday afternoon with a picnic supper at his winter home "Alabama" on Lake Maitland.

The party consisting of Hildegard Slauter, Helen and Alice Waterhouse, Gerardine Muriel, Lelia Russell, Helen Hanna, Karl Tompkins, Bradley Scofield, William Sherman, and Harold Tilden with Miss Gonzaley as chaperon, left the boat house about four o'clock in canoes. On reaching their destination, the boys built a large bonfire and a supper of dainty sandwiches, weiners, hot rolls, pickles, olives, cocoa and fudge was served.

They returned to the college in time for study hour after having spent a jolly evening.

GIRLS' GAME POSTPONED.

Rollins girls were to play Winter Garden December 11th, but the latter called off the game, saying they were unprepared and preferred to play in January or February.

The girls of Cathedral School in Orlando are preparing a play, "The Meeting of the Allied Nations," which will be given Wednesday December the nineteenth at 8:15 in the Cathedral School Auditorium. The admission is to be 35 and 50 cents and the proceeds are to be given to the Y. W. C. A. War Fund. A dance will follow the program.

PEACE WITH FREEDOM.

In the President's War Message, delivered before the two Houses of Congress April 2, 1917, President Wilson referred with great strength and feeling to "the wonderful and heartening things that have been happening within the last few weeks in Russia."

At the present moment the happenings of the last few weeks in Russia are disastrous and disheartening in the extreme. But none the less these recent happenings emphasize the truth of the principle the President laid down in the message in the sentences just preceding his reference to Russia.

It is not by the aid of Germany as now ruled, or by a German peace that freedom, justice, and peace are to come to Russia. Doubtless the sanity of the Russian people makes this plain to them and out of the ruinous chaos of to-day their sober second thought will bring them once more to the side of free peoples fighting for the freedom of all peoples.

The President's words were as follows:

"A steadfast concert for peace can never be maintained except by a partnership of democratic nations. No autocratic government could be trusted to keep faith within it or observe its covenants. It must be a league of honour, a partnership of opinion. Intrigue would eat its vitals away; the plottings of inner circles who could plan what they would and render account to no one would be a corruption seated at its very heart. Only free peoples can hold their purposes and their honour steady to a common end and prefer the interests of mankind to any narrow interest of their own."

WOMEN DRILLING AT UNIVERSITY OF MICHIGAN

The following interesting paragraph is taken from a letter recently received from Norman Fletcher President of last year's Freshman's Class at Rollins, who is this year taking special work in chemistry in the University of Michigan:

“Marine, sailor, and army uniforms are a common sight on the streets and in the class room. Even the ‘Profs’ come all dolled out in the national garb. Military training is the most important class in the University just now and practically comes before the other subjects. I think there are about fifteen hundred men taking it now; even the women have started drill and organized several companies. When the weather is rough so that we cannot drill outside, then part of the class has a lecture while the rest go to the Gymnasium for setting-up exercises or manual of arms. We receive credit for the course and uniforms are furnished free by the Government.”

WHY WE FIGHT.

“You are called into this great service of your country not only for the purpose of maintaining the ideas for which America has always stood—democracy and freedom, and to keep the torch of Liberty burning throughout the world—but also for this more immediate object, the protection of our national rights and the democratic institutions handed down to us as the result of the valor and blood of our ancestors. Those are the things for which you fight.”

From Secretary McAdoo's Address to Men of the National Army.

THE BOY SCOUTS AND THE BERTY LOAN.

The report of the work of the Scouts of America in the Security Loan drive has been made. It shows that the Boy Scouts are directly responsible for the \$101,133,600 in bonds.

This means that they put about 5 1-2 per cent of the total subscriptions to the loan, and the of bonds they sold show they secured 1 subscription out of every 20. This is a splendid record for the boys of America and a hope for the future of the country. The boys of the land are willing to perform such valuable public service.

It is to leave them such a heritage as our forefathers of the Revolution bequeathed to their descendants that the proceeds of the Loan are to be used.

AMERICA'S GREAT SERVICE

In this chaos of civilization the power of America was needed to tip the scales in favor of freedom and democracy as against the enslavement of the world which would inevitably follow the triumph of military despotism. Terrible as war is, and fearful as are the sacrifices it entails, nothing is comparable to freedom and liberty. For thousands of years suffering humanity has been only partially won. It never can be secured until the last remaining stronghold of military despotism in the world is destroyed.

Germany, under the Kaiser, not content with threatening the civilization of Europe, finally sought to destroy

America. For more than two years, while we were scrupulously observing our treaty obligations with Germany, the Kaiser was secretly plotting against our security and subtly undermining America's vital rights. Not alone was the safety of democratic institutions in America challenged by the Kaiser's aggressions, but the very life of our people, and the ideals for which we have always stood, were imperiled. We had to fight to save ourselves and to secure the national integrity. To accomplish that we are bound to destroy Kaiserism. When we shall have performed this great service to humanity and the world we shall have liberated it from the fear of future wars, and we shall have brought immeasurably nearer the day when Christ's divine message of "Peace on earth, good will toward men" will be realized.

MISS MARIAN ROUS IN LECTURE RECITAL.

One of the most interesting and delightful musical events of the present season was the lecture recital on Bach, given at Knowles Hall, Rollins College, by Miss Marian Rous last

Thursday afternoon. That Miss Rous has already endeared herself to the public through her splendid gifts as a pianist, was evidenced by the large and representative audience which gathered to hear her.

The occasion was the initial program of the Rollins conservatory course in "Musical Appreciation," and Miss Rous, with her delightful ease and great personal charm, quite transfigured what is usually a dry and pedantic subject, though never getting out of touch with the educational side. Her avoidance of anything approaching the tedious in her explanations of counter-point, and the many witty sallies which garnished the lecture, won unstinted applause and placed her in the front rank of this line of her profession, and a peer of Amy Fay, Mrs.

And now the lilacs bud again, and all
is lovely there,
And homesick soldiers far away know
spring is in the air;
The tulips come to bloom again, the

To face the flaming cannon's mouth,
nor ever question why,
Are lilacs by a little porch, the row
of tulips red,
The peonies and pansies, too, the old
petunia bed,
The grass plot where his children
play, the roses on the wall:
'Tis these that make a soldier great.
He's fighting for them all.
'Tis not the pomp and pride of kings
that make a soldier brave;
'Tis not allegiance to the flag that
over him may wave;
For soldiers never fight so well on
land or on the foam

grass once more is green,
And every man can see the spot where
all his joys have been.
He sees his children smile at him, he
hears the bugle call,
And only death can stop him now—
he's fighting for them all.

An interesting game was played last
Saturday between Jacksonville and
Madison delegates in the Lyman Gym-
nasium. Madison fought hard but it
was little use. Both teams lacked
team-work. The gallery was packed
with spectators.

What is it through the battle smoke
the valiant soldier sees?

The little patch of ground back there,
the children at their play;
Perhaps a tiny mound behind the sim-

Saturday night the Phillies walked
over a team of Eustis delegates with
a score of 27-16.
Eustis fought a hard and splendid
game. At one time the score was 6-
4 in Eustis's favor but the Phillies
team work showed up to good advan-
tage and they soon took the lead again
which they held to the end of the
game.

Athletic Notes**ROLLINS-WINTER PARK.**

Last Monday evening two basket ball games were played in Lyman Gymnasium. Rollins defeated Winter Park by a score of 29-14.

The Rollins-Winter Park game was characterized in the first half by unsportsmanlike conduct on the part of both teams, but during the second half they settled down to good, hard, clean playing.

The proceeds of the game were given to the Y. W. C. A. war fund.

The line up for the Rollins-Winter Park game was as follows:

Rollins—Fletcher, f.; Ward, f.; Arrants, c.; Hanawalt, g.; Vincent, g.; Cleave, sub.; referees, Faulkner, Rencher.

Winter Park—H. Trovillion, f.; Anger, f.; Hunter, c.; T. Trovillion, g.; Harrop, g.

Goals—Fletcher, 4, (5 of 7 fouls); Ward 2, Arrants 2, Hanawalt 2, Vincent 2.

H. Trovillion, 2 of 4 fouls; Anger 3, 0 of 1 foul; Hunter 2, T. Trovillion 1. Fouls—Hanawalt 3, Arrants 2. Anger 4, Hunter 1, Harrop 2.

PHILLIES VS. ORLANDO.

The Phillies of Rollins played Orlando Grammar School Monday night. The game was snappy and close. The Phillies were not up to their usual stride and the Grammar School boys showed marked improvement since the last contest. The score changed back and forth from Phillies to Orlando, keeping the rooters awake. In the show down the score stood 17-16 in favor of the Grammar School Boys.

Phillies—Scofield, f.; *Clark, f.; Williams, c.; French, g.; Ward, g.; *C. Ward.

Orlando—Channing, f.; Rodeny, f. Mack, c.; Anderson, g.; Haskins, g. Referee—Hutchinson.

VARSITY VS. SECOND TEAM.

The game was exciting and hard fought though the score of 44 to 24 seems to indicate otherwise. Swift passing and quick aim gave the Varsity advantage over the second team as also did their weight and height. Smut shot fancy goals, Ward a long distanced one, while Scofield and Tommy shot under heavy guarding. Cheesey got the tip off as per, Cleave's passing was swift and accurate. Hanawalt's and Tilly's guarding strong as usual; McGaughey was also strong and Vincent was top-notch.

The lineup was as follows
Varsity—Fletcher, f.; Ward, f.; Arrants, c.; Hanawalt, g.; Tilden, g.
Second Team—Scofield, f.; Tompkins, f.; Cleave, c.; McGaughey, g.; Vincent, g.

Referee, Anger.
Score, 44 to 24, in favor of Varsity.

ROLLINS VS OCALA

Saturday afternoon Rollins hung Ocala out to dry with a score of 33-14. Team work and good shooting ended the first half with a score of 20 to 0 in favor of Rollins. In the last half Scofield and Tompkins were put in at forward, Cleave at center and Tilden and McGaughey at guard.

Goals were recorded as follows:
Rollins—Fletcher 9, Ward 1, Arrants 1, Vincent 3, Tilden 1, Tompkins 1, Ocala—Klock 2, Burns 2, Wesson 2, Talbot 1.

REEDUCATION AND REHABILITATION UNDER THE WAR INSURANCE LAW.

If a soldier or sailor is injured in such a way that he can not resume the occupation or trade in which he was engaged when he entered the service, the Government of the United States at its own expense, will reeducate that man to some form of occupation for which he will be capable and which will enable him to spend the remainder of his life in useful work, helpful to himself and contributing to his own happiness.

If the Government reeducates a disabled man to a new occupation, and he earns money, no matter how much, because of his new occupation and because of his own effort, the Govern-

ment will continue to pay him the full amount he is entitled to for his disability. All that he earns belongs to him in addition to what the Government pays him.
