BLUE AND GOLD TRI- UMPH IN SEASON'S FIRST GAMES

**MEN'S SECOND TEAM DEFEATS
KISSIMMEE HIGH 21-19 —
ROLLINS GIRLS WIN
14-12.**

These Were the First Games of the Season and All Teams Displayed Inexperience.

The girls first team and the boys second team journeyed to Kissimmee Friday afternoon to play the Kissimmee High School teams. These were the first games of the season and both teams showed their inexperience and need of practice. Numerous fouls on both sides spoiled the game to a great extent for the spectators. With the further handicap of an outdoor court the Rollins teams were necessarily slowed up and did not play in their usual form.

The First Game

The game between the Rollins second team and the Kissimmee High School first team was called at 4:15. The game started off rather fast, with Rollins playing in splendid form. This burst of speed gave immediate results, for Vincent slipped the ball through the hoop for the first goal in less than a minute of play. This same play was repeated twice successfully although four fouls were called upon Rollins in rapid succession. However, only one of these was thrown leaving the

PHI ALPHA FRATERNITY IS PETITIONING SIGMA ALPHA EPSILON

**GOING NATIONAL OF ROLLINS

**S. A. E. One of Largest and Most
Highly Regarded National
Fraternities**

Phi Alpha Fraternity is petitioning Sigma Alpha Epsilon which is one of the largest and most highly regarded national fraternities in the country. The petition will be presented to S. A. E. by Raymond W. Greene and J. Harold Hill, who go to represent Phi Alpha at the annual convention of the S. A. E. Fraternity, which will be held at St. Louis, Missouri, December 28, 29, 30.

Sigma Alpha Epsilon is one of the largest national fraternities in the United States and is especially strong in the South where it was founded at the University of Alabama in 1856.

But S. A. E., in spite of the fact that it had its origin in the South, has but one chapter in the state of Florida and this located in the northern portion at the University of Florida.

The establishment at Rollins of a chapter of S. A. E. would be no small moment to the college and at the same time give the national a better distribution geographically in the South. The reputation which Sigma Alpha Epsilon bears the nation over is of such a character that the high ideals Rollins bears would be strengthened rather than weakened, for this national is favorably known wherever it is located.

Phi Alpha has collected and organized a large amount of interesting data about itself, Rollins College, Winter Park, and the prosperous section of the state in which Rollins is located, which will be presented to Phi Alpha Fraternity is petitioning

PRES. GEO. M. WARD TO GIVE CHRIST- MAS ADDRESS

**CHRISTMAS VESPER SERVICE
TO BE ONE OF THE TREATS
OF THE YEAR**

Most Interesting College Function
Closing Pre-Holiday Work to Be
Held in Knowles Hall To-
morrow Evening

The Rollins students will receive one of the treats of the college year tomorrow evening when the annual Christmas Vespers will be held in Knowles Hall, the service beginning promptly at 8 o'clock. As usual, President George Morgan Ward will preach and this fact alone will insure a crowded auditorium of interested listeners—a large number of his former students who come in for this annual service for miles about.

Under the direction of Miss Dyer, the glee clubs have prepared a most unusual program of old English and French carols. Another interesting feature of the program, which is given below, is the vocal solo which will be sung by Miss Jean Knowlton, soprano. Mrs. Hayward will be the organist.

Order of Service

Organ Prelude: The Three Wise Men—Malling.

Invocation—Four Old Carols: a. Carol of the Birds—Old French. b. Carol of the Flowers. I Saw Three Ships. d. The Golden Carol—Old English.—Glee Clubs and Orchestra.

Noel—Gounod.—Miss Knowlton.
Address: Rev. George Morgan Ward, D.D., LL.D.

Established in 1894 with the following editorial:

"Unassuming yet mighty, sharp and pointed, well-rounded yet many-sided, assiduously tenacious, yet as gritty and energetic as its name implies, victorious in single combat and therefore without a peer, wonderfully attractive and extensive in circulation; all these will be found upon investigation to be among the extraordinary qualities of The Sandspur."

FARE YE WELL

Ye Staff of Ye Rollins Sandspur chorus themselves to bid ye bon voiage and a happy vacation, a vacation in ye goode olde Rollins way. May la bon St. Nick, fair Dame Fortune, and care-free Bacchus fill your stockings of happiness with all ye joys of this festive season. Go ye on your several ways; have a gr-r-rand and glor-r-rious time, but hie ye back again with a fine load of pep to send those basketball teams to victory.

GO NATIONAL YOUNG FRATERNITY; GO NATIONAL

The Sandspur contains this week an article on the petitioning of Phi Alpha, a local fraternity here, to Sigma Alpha Epsilon which meets in national convention at St. Louis. To our knowledge this is the first attempt on the part of a local at Rollins to seek entrance into a national brotherhood—a step in the right direction, for Rollins anxious to encourage nationals on the campus.

The students are especially fortunate in having a faculty which not only is kindly disposed toward fraternities but which heartily endorses them; and any efforts on the part of a local to enter a reputable national is sure to meet the faculty's endorsement.

Let the locals get the spirit of nationalization, for nationalization is one of the finest means a fraternity has to help its institution—a material way of displaying that loyalty to Rollins which is the highest ideal our locals have.

One by one the colleges all over the country are becoming less and less prejudiced against fraternities. There is only one answer for these changes: fraternities are becoming sources of strength rather than sources of weakness to the institutions in which they are located. The old order has changed in many instances and especially is this true in the case of most of our national fraternities for they have awakened to their responsibilities and many chapters have been withdrawn simply because the members which composed them failed to live up to the high ideals for which the national organization stood.

Rollins will welcome the day when she will have a number of national chapters. And the one big thing which will speed the day is the success of the Million Dollar Endowment Campaign.

WHY SO MUCH ADVERTISING?

On several occasions the Sandspur has been harshly criticised because of the fact that it contains a large amount of advertising. But if the complaining parties will stop to think a minute they will "sing a different tune." The cost of producing The Sandspur has increased over 50 per cent in the last two years; the subscription price has been increased 20 per cent and the advertising rates have increased but slightly.

This large increase in the cost of production can be met in one way only. The Sandspur must contain a normal amount of advertising. In fact, the Sandspur would not now be in your hands if it were not for the advertisements we have been fortunate enough to secure. Advertising is the backbone of the Sandspur, and much credit is due the advertising staff, which supplies said backbone.

Do you realize that you hold the success of the Sandspur in your hands? The business men of Winter Park advertise mainly because they expect, and justifiably, your patronage; your patronage means continued advertising and a successful Sandspur.

Fraternity News

K. E. KICKS

Miss Edwards and Fluffy Hanna were in Orlando Thursday afternoon doing Christmas shopping. They had dinner at the San Juan Coffee Shop.

The K. E.s won't forget the elaborate spread which their pledges gave to them last week. It was by far the "Best Ever."

Spencer Mitchell, well known in Tampa, was the guest of the McKays one day last week.

Mr. and Mrs. Everhard, who are spending the Winter in Orlando, were Sunday guests of Helen Everhard and Marian Rickard. They were accompanied by Mrs. Rickard and Miss Mildred Rickard.

K. E.s and their pledges will spend the Christmas holidays in the following places:

Mary Whitehead, Fulton, Kentucky.

Mary Knoske, Winter Park.
Florence Bumby, Winter Garden.
Helen Hanna, Tampa.

Miss Edwards, Winter Park.
Lee Wilkerson, St. Petersburg.
Marion Rickard, Tampa and St. Petersburg.

Helen Everhard, Tampa and St. Petersburg.

Dorothy Darrow, Okeechobee.
Georgianna Hill, Maitland.

Helen and Margaret McKay, Tampa.

Florence Bumby will spend part of her vacation visiting Helen Hanna in Tampa.

ALPHA ALPHA SCANDAL

From various floating rumors it seems as though the bunch will enjoy (?) their Christmas vacation in a wide variety of ways.

"Fat" Henderson—In Miami with his parents.

"Pee-rade" Sloan—In bed "at the House."

"Bill" Sherman—Sighing for Mary's return.

"Don" Knowles—Washing windows and making beds at "the House."

"Archie" Griener—Keeping the Dort together.

"Bob" Wright—Keeping his dates in order, etc., etc.

"Steve" Stevens—Roaming around Moore Haven.

"Eddie" Dow—Helping Steve roam.

"Cheesey" Y. Arrants—Stalling off bill collectors at "the House."

"Corey" Roberts—Nobody knows.

"Caveman" Hatch—Playing tag at Palm Beach.

"Nemo" Wright—In bed with "Pee-rade."

"Slickhair" Klintworth—Tickling the ivories. (not rolling them.)

"Jimmie Pratt" Foley—Keeping the "Biscuit Shooters" content at the Seminole.

"Smut" Alden Fletcher—Dodging "Pat's" rolling pin.

"Goof" Boyle—"Quien Sabe."

Dance—O—Mania

Limber up, all ye shoulder shakers, for the night of January the eighth belongs to Alpha Alpha. Some of the famous mysteries of this fraternity will be revealed to you on this evening. These sacred mysteries were discussed for a long time and at length it was decided to allow the outside world to see light on a few of the things that surround them in this college.

Here is a tip on a few of them.

"Pratt" will show how he grew to be 6 ft. 4 in. in such a short time.

"Pee-rade" demonstrates his methods for conducting "snake dances," etc., and how he keeps sober while in action.

"Bill" will explain his much sung ditty, "Mush and Milk."

"Cheesey" will inform the world that the "cheese" in "Cheese of Police" is entirely different from the "cheese" in "Cheesey."

"Nemo" speaks on the "Value of Sleep and How I Do It."

"Goof" will—nope, some of the mysteries must be saved for January the eighth. However, this much can be guaranteed. There will be much music, much pep, much eats (?), much noise, and in fact, much everything.

Au Revoir. Be good over Christmas and bring the old pep back in its highest form. We wish you all a Merry Christmas and a Happy New Year.

Conservatory Notes

Twilight Recital.

The Second Faculty Concert of this season at Rollins Conservatory took place Sunday afternoon, December 12, when a Twilight Recital was given in Knowles Hall by Elizabeth Harris, pianist, and Frieda Siewert, soprano, both of the Conservatory staff.

A large audience gathered to hear these young artists and testified their approval by hearty applause. This was the first appearance of Miss Harris in Florida and she made a delightful impression.

Her playing is marked by delicacy of feeling and her technique is clean cut and vigorous. Miss Harris has recently come to Rollins from Virginia and is a pupil of Harold Randolph and Ernest Hutcheson.

Her numbers were varied and interesting and gave full scope to the display of her ability.

Miss Siewert, who is well known to music lovers in Winter Park and Orlando, has gained in breadth and finish in her singing during the past year. Her voice is of a beautiful quality and her diction was especially fine. Miss Siewert is a member of the Conservatory staff and is studying with Miss Knowlton, the head of the vocal department.

MISS ROUS TO GIVE RECITALS DURING HOLIDAYS

Miss Rous, head of the piano department, will spend the Christmas holidays in Montgomery, Ala., and before returning to Winter Park will give three recitals of modern music. One in Montgomery, another in Atlanta on January 5th before the Music Study Club at Miss Booth's School of that city, and the third in Savannah on the following day, before the Savannah Music Club.

MRS. HAYWARD TO TOUR EAST COAST

Mrs. Hayward will spend her vacation automobiling with Mr. Hayward through the East Coast section of the State. On the 30th of December she will be in Tallahassee to speak before the Annual Meeting of the Florida State Teacher's Association on the subject of "Music in the Primary Grades of Public Schools." Mrs. Hayward recently addressed the monthly meeting of the Orange County Teacher's Association in Orlando, her topic being "Music in the Rural Schools."

ROUS—GREENUP RECITAL

The third concert in Winter Park will be a Faculty Recital by Miss Rous, head of the piano department, and Miss Greenup, head of the violin department of the College. This will take place on Friday evening, December 17 in Knowles Hall at 8:15. The public is cordially invited to attend as is customary with Faculty Concerts given on the campus. At that time the following program will be given:

Program
Miss Rous
Symphonie Espagnole..... Ialo
Allego non troppo
Andante
Miss Greenup
Minuette..... Zanella

MAJOR BRETT, ROLLINS ALUM- NUS SECURES ARMY CANNON FOR PARKS

Guns and Carriages Ordered From
Key West and 12-pound Cannon
Balls to Come From
Waterville, N. Y.

In a recent communication received by President Ward of Rollins, it is interesting to note that the columns of the Sandspur had something to do with securing from the War Department, through the efforts of a Rollins alumnus, Major Morgan L. Brett, two 3.2 inch guns with carriages and forty 12-pound cannon balls which will be placed in the parks of this town as relics of the recent war. Major Brett says, "The fact that Sandspur published a news item placing upon me the responsibility for getting these cannons literally spurred me to immediate effort to get hold of the material so that Winter Park is getting this ordnance with undue promptness."

In an official to the Mayor of Winter Park, Major Brett has turned over to the town the ordnance mentioned above, the guns to come from Key West and the cannon balls to be shipped from the Watervliet Arsenal, in New York.

Marian Rickard (while sewing on hooks and eyes): "Have you a black eye, Helen?"

ATHLETIC NOTES

Little was accomplished at the S. I. A. A. meeting, except to make a break in the association because no action was taken to prohibit summer baseball and to adopt the one-year residence rule which was favored by the larger institutions, but which would naturally hurt the smaller colleges.

A great many substitutes for the above amendments were proposed but all were tabled quickly.

Stetson was refused admittance to the association because she plays academy men. This refusal came from the Executive Committee, but Stetson might have won out had her representative brought it before the Association.

About a dozen men are now taking up wrestling and indications are that there will be still others to take it up. We hope that every boy will voluntarily be engaged in some form of athletics after Christmas.

Oglethorpe and Furman Universities are eager to make a trip into Florida in March playing two games apiece with Florida, Stetson and Rollins.

With the election of Bob Wright to lead next year's football team, the boys have made a fine start. Bob has the pep and fight and the qualities of a good leader.

HIGH SCHOOLS AFTER DR. WARD —MANY INVITATIONS TO BE COMMENCEMENT SPEAKER

As an indication of the place President Ward of Rollins holds in the educational work of Florida, it is interesting to note that already those in charge of next commencement program are in correspondence with him, inviting him to be the principal speaker. Supt. Sexton Johnson of the city schools of Orlando was a visitor on the campus this past week and called on Dr. Ward with this purpose in view. It is understood that Dr. Ward has accepted this invitation from the Orlando High School to deliver its baccalaureate sermon some time early in June.

Last year the commencement calls which came to him numbered between fifteen and twenty, from among the largest schools of the State.

MRS. CROOKER GIVES CHAPEL TALK ON OPPORTUNITIES OF COLLEGE LIFE.

It was indeed a treat to hear Mrs. Florence Crooker in her short talk during the chapel hour on last Tuesday. Mrs. Crooker is an old friend of Dr. Baker, and it was through his kind thoughtfulness that the students were given the opportunity of hearing her. Talking from years of experience and her keen realization of the wonderful opportunities of college life today, Mrs. Crooker, in a quaint and charming manner, impressed upon all, the importance of making the very most of every advantage offered.

Mrs. Crooker is, herself, a college woman, having graduated from the University of Wisconsin.

You tell him Sandspur, you've got the point.

BOB WRIGHT ELECTED CAPTAIN THE 1921 FOOTBALL ELEVEN

Popular Quarterback Selected By
Teammates to Pilot Them Through
Next Year's Season.

At a meeting of the football team last Tuesday in the Gym, Robert Wright was elected captain for the coming year.

It is useless to mention that "Bob" will be a good captain. A better man for the position could not have been found. His work at quarterback this year never failed to arouse the enthusiasm of the spectators. As a ground gainer he was unequalled, for innumerable times a first down would have been lost had it not been for his generalship. "The right play at the right moment" seemed to be his motto and he certainly lived up to it.

The best wishes of the College are extended to Captain Wright for the coming year and it is hoped that he will have a team of huskies to work with who will show the opposing elevens that Rollins idea of clean athletics is the one and only method to follow.

BLUE AND GOLD TRIUMPH

(Continued from page 1)

score, 4-1. Overstreet, Kissimmee's one-shing light, however, soon speeded things up by caging a pretty shot bringing the score to 4-3. Rollins forged forward after this without great difficulty, adding two field baskets and two fouls before the end of the half, while Kissimmee pushed their score up two points with fouls. Half ended, 10-5.

In the second half several substitutions were made for Rollins. Caldwell for Stone, Sullivan for Vincent. For Kissimmee, Sears for Chapman. Kissimmee came back strong and held the Rollins team to but three field goals while they themselves scored four field goals and three fouls, tying the score, 16-16. In the overtime period of five minutes, the Rollins team showed the proper spirit once more and shot two field goals and one foul holding the Kissimmee team to three fouls. The game ended with the final score 21-19.

Time, 15 min. halves; Referee, Sloan; Timers, Campbell, Wright. Field goals, Starr 5, Vincent 3, Dow, Palmer.

Lineup:

Vincent..... R. F.Graham
Dow..... L. F.Chapman
Starr..... C.Overstreet
Stone..... R. G.Bullock
Palmer..... L. G.Simpson

The Second Game

The girls, when they went upon the floor found that they had to play under entirely new rules. At first there was a little difficulty in adaptation to them but this soon cleared up and the only lasting effect was an increased number of technical fouls. Starting out strong Margaret McKay began the scoring by dropping a neat shot easily through the basket. This was followed by two field goals by Margaret Sedgwick. Kissimmee made only one field basket during the first half and scored two out of five chances at fouls. Margaret McKay shot two out of four chances at fouls. The half ended with the score 8-4.

In the second half the Kissimmee girls staged a comeback similar to that of their boys team and started rolling up the score at an alarming rate. Mary Knoske was substituted for Vivian Holbrook and Marion Clock took the place of Margaret McKay. Kissimmee had managed to cage two field goals and four fouls, while Rollins got one field goal and one foul the score standing tied with four minutes to play. Babe Clock then came to the front and broke the tie with the prettiest shot of the day. Kissimmee was unable to break through the defense put up by the two guards and the game was won. Margaret Sedgwick sewed it up in the last minute of play by making the final foul. The game ended 14-12.

Lineup:

McKay..... R. F.Oliver
Sedgwick.... L. F.Oliver, R.
Russel..... J. C.McLeon
James..... R. C.Leslie
Holbrook.... L. G.Makinson
Eaton..... R. G.Sanderson
Time, 15 min. halves; referee, Edwards; umpire, Smith. Field goals, McKay, Sedgwick 3, Clock. Fouls, Rollins 4 of 11, Kissimmee 6 of 9.

GIRLS' ATHLETIC NOTES

Rah! Rah! for Babe Clock, the child wonder, our budding basketball star and the only academy girl in the squad. Good work, Babe!

Enough girls have come out to practice to make up both a college and an academy girls' basketball team. Keep coming girls—that's the spirit!

Say, girls, get on to the new basketball rules. There is now only one line, running across the center of the court. The forwards and the jumping center are on one side of this line and the guards and the side center are on the other. They must stay back of this line and neither the centers nor side-centers are allowed to shoot for baskets. Study 'em, girls, we don't want any fouls called.

The Stetson game on the 16th, was played according to the old rules.

In response to the call for girls war canoe crews to drill for the

Founders' Week Regatta, twenty-six girls turned out for the first practice. How's that for Rollins spirit? Look out, boys!

Tuesday has been set as the regular day for the girls war canoe drill and there is to be one called practice thus giving us two drills a week.

Have you tried the new dock, girls? It's great! And the spring-board! Well—ask those who have tried it.

RECEPTION TO DR. AND MRS. WARD

The reception given last Monday afternoon by Chancellor and Mrs. Brooks in honor of President and Mrs. Ward was a very pleasurable occasion to all those who were present. The reception was held in the College Library, which was decorated with magnolia branches and trailing vines. Delicious refreshments were served by several of the college students.

Those present besides the faculty and members of their families, included Mr. and Mrs. Charles H. Morse, Mr. and Mrs. William R. O'Neal, Mrs. Maud N. Whitman, Mrs. Evaline L. Smith, Mrs. E. H. Brewer, and Prof. and Mrs. Hiram Powers.

COUNTRY CLUB DANCE

A smart event of Saturday evening was the dance given at the Winter Park Country Club under the auspices of the Dancing Twigs for the benefit of the Woman's Club.

To Mrs. W. C. Temple who was chairman of the committee in charge, is due much of the success. The Rollin's Jazz Orchestra was unusually good and the girls in their charming dancing frocks made a pretty picture in the ball room.

Dainty sandwiches and punch were served throughout the evening.

After Christmas these dances will be held every Friday evening and it is hoped that many of the college set will attend.

Among those from the college present were Margaret Sedgwick, Helen Hanna, Charlotte Swain, Louise Hoskins, Ann Gram, Marguerite Harris and Gadsen Sullivan, Kenneth Warner, Robert Wright, Robert Hatch, Charles Lawrence, Ray Green, A. J. Hanna. Miss Barret chaperoned.

JOLLY HOUSE PARTY IN TOWN

Helen Dickenson will be hostess to a number of the college girls this week-end at her attractive home on New England Avenue. A number of wonderful parties are included in this week-end revelry, the most interesting being the dance given this evening. The boys from the college have been invited for the dance.

There will be an informal picnic, a slumber party and numerous other good times to fill in the time, which will pass all to soon.

K. E. EATS BOTH QUANTITY AND QUALITY.

If Ceasar should have been a K. E. Friday night, not only would he have lamented "how tempus doth fugit," but also how food doth fugit. For it certainly disappeared on this particular evening.

Such good eats as chicken salad

luscious sandwiches of lettuce, bananas, nuts, some more sandwiches of tuna fish and lettuce, cocoa, pickles, cookies, candy, and a tempting last course composed of dark and delicious cream and nuts were consumed. Dear little favors were also in the red and white color scheme.

Room 50 in Cloverleaf was charming with its gaily colored blankets and college pillows arranged in a typical spread fashion. The active chapter and pledges present were Mary Knoske, Florence Bumby, Mary Whitehead, Helen Hanna, Helen and Margaret McKay, Lee Wilkerson, Helen Everhard, Dorothy Darrow, Dixie Hill, Marian Rickard and Miss Edwards.

OHIO CLUB RE-ORGANIZED AT GATHERING IN FREEMAN HOME.

The Ohio students attending the college were the very grateful guests of Wilhemina Freeman last Saturday evening at her home on Lake Osceola. The Ohio Club was re-organized and under the able guidance of Mary Knoske as president, and Wilhemina Freeman as secretary-treasurer, a very successful year is anticipated.

The most "striking" feature of the evening was the piano solo, "Can't You Hear Me Calling Carolina?" It was rendered by Miss Edwards. The second verse of this ancient number exhausted her repertoire. Zorbaugh's convict socks knocked the assembly cold and thus relieved Miss Edwards of the responsibility. The trick class, which has taken the starch out of more than one celebrity's stiff shirt, failed to fool Bob Wright and he came out on top.

Charlie Ward's nonsense and Little Wordsworth's (Helen E.) million dollar smile lent the finishing touches to the very successful evening.

LUCIUS J. KNOWLES DIES IN LONDON.

Formerly Owned Large Part of Winter Park—Leading Loom Maker in Massachusetts.

News has just reached Winter Park that one of its former residents, Lucius J. Knowles, president of the Crompton & Knowles Works of Worcester, Mass., died in London, England, last week. Mr. Knowles and Major Rufus S. Frost, also of Worcester, went to Europe on a business trip Nov. 2 and had visited France and Belgium and were, on their way home when Mr. Knowles was stricken with influenza in London.

Mr. Knowles was the son of the late Francis Bangs Knowles, for whom Knowles Hall was named. His mother, Mrs. Hester A. Knowles, whose picture hangs in the Treasurer's office, was also an interested donor to the work of the college.

After his father's death, Mr. Knowles inherited the greater part of Winter Park and spent one season here with Dr. Ward looking after his property interests. Later he sold these interests to Mr. Charles H. Morse who has so highly developed them to the good of the town.

Mr. Knowles' father, F. B. Knowles, was one of the pioneers of the town and built the Seaboard Air Line branch running through Winter Park.

J. H. BRINSON, FORMER ROLLINS PROFESSOR, NOW HOLDS STATE OFFICE.

It will be of interest to the many friends of Prof. J. H. Brinson, who had charge of the Rollins Business Department for a number of years, to learn that he was a recent visitor to this part of the State in the interests of the Jeannes Slater Rosenwald General Education Fund for Negro Schools, for which fund he is the State Superintendent. Prof. Brinson's special work in this part of the State has to do with the rural problem.

to the Latin American Institute of West Tampa was easily realized.

The gym was beautifully decorated and represented much work on the part of many. The main features were, of course, the Needlework Booth under Ada Brockman, Food Booth in charge of Ruth Hoyt, Flower Booth in charge of Dixie Hill, and Doll Booth in charge of Florence Bumby. The decorations were so chosen as to set off these different booths. The windows were hidden by interlaced palm fronds thru which the light filtered, and the sides of the balcony were obscured by magnolia branches and trailing vines. Couches and chairs gay with bright pillows and rugs were casually placed here and there and the wall space was festive with various pennants.

Refreshments of ice cream, cake and salad, were served by flitting maids at little tables gay with cosmos. Miss Kerr had charge of this feature and was ably assisted by Mrs. Brewster. Between 5:30 and 6:30 dancing was in full swing and couples wended their way among the tables in true cabaret fashion.

The flower booth was a bower of the Mexican rose vine and holly, marigolds, roses, pansies, cosmos, and hibiscus were the wares displayed.

From the doll booth all sorts of attractive dollies peeped through their frame of snow and icicles,—this booth contrasted very pleasingly with the flower booth.

Guest towels, coat hangers, candle sticks, pin cushions, shootrees, aprons, and collar and cuff sets, the most attractive of their kind were found at the fancy article booth. Beautifully decorated with vines and coquetish daisies was very charming and attracted many purchasers.

Delicious cakes and candies were on sale at a very Christmasy looking booth near the door,—a booth of red and green ribbons and big red bells. Nearby, a table held such material vegetables and fruits as radishes and lemons. These were embedded in fern.

This yearly bazaar is one of the big events on the Y. W. Calendar at Rollins and one into which this splendid organization puts a great deal of time, thought, and work. Much credit and commendation is due them not only because of the worthiness of the object but also because of the opportunity given to all to do their Christmas shopping early.

Walking Record.

Walking from Hanover to Winchester, a distance of 85 miles, in twenty-four hours, a Junior in Dartmouth shattered all records of the Dartmouth Outing Club, Saturday night, Oct. 23. This is two miles farther than the record made last Spring by two other Dartmouth men.—The Bates Student.

**PHI ALPHA PETITIONS TO GO
NATIONAL**

(Continued from Page One)

S. A. E. in the form of a handsome
and well-written booklet. Mr. J.
Harold Hill, who is one of Phi Al-
pha's representatives to the conven-
tion, is also a member of Sigma Alpha
Epsilon into which he was initiated
in 1918 while attending the Univer-
sity of Florida.

Phi Alpha is the oldest local fra-
ternity on the campus at Rollins. It
was founded in 1903 at the Florida
State College which was located at
Tallahassee. It was first known as
the Seminole Club and was organ-
ized for the purpose of petitioning
Sigma Alpha Epsilon. The petition
was presented at the S. A. E. conven-
tion in Memphis in 1904 which re-
sulted in the club being placed on
probation for a year and given the
privilege of assuming the name "Phi
Alpha," a part of the S. A. E. em-
blem. The club was forced to dis-
band within the year because the
college was abolished at that time.
A number of the club's founders
came to Rollins College where they
reorganized Phi Alpha in 1906.
From that time on Phi Alpha has
been one of the most progressive
growing organizations on the cam-
pus.

At the beginning of this year the
Phi Alpha Association was organized
and incorporated for the purpose of
erecting and controlling a fraternity
house near the campus. The archi-
tectural plans for the new building
have been completed, the building
site has been located, and the work
of construction is to be started in
the near future. This together with
the fact that the Million Dollar En-
dowment Campaign is appearing
more and more successful and that
the fraternity was originally organ-
ized for the express purpose of pe-
titioning S. A. E. for a charter are
going to be big arguments in favor
of the establishment of a chapter at
Rollins.

ATHLETIC COUNCIL MEETS

(Continued from page 1)

were read by the Chancellor. A brief
survey of the proposed amendments
are as follows:

Meetings may be called by any of-
ficer of the Council or by ten mem-
bers of the Association, provided the
notice is read at the previous chapel
assembly.

No one shall hold more than one
office in the council or hold an office
and an official position on any team.
(Capt. or Manager.)

Just what shall a quorum consist
of?

Two-thirds of the members pres-
ent must pass on any business before
it becomes valid.

There shall be at least three nom-
inations for each office in the Asso-
ciation.

Vacancies occurring in any office
during the year shall be filled by
nominations from the association and
elected by the council at the earliest
opportunity.

Not more than two members of
any given student organization shall
be nominated for any given office in
the Athletic Association.

Before any student's election to
office becomes legal it must be ap-
proved by the Faculty Committee on
Scholarship.

It was decided in the meeting to
put these suggestions before the stu-
dents at the next regular assembly
day. In this way it will be certain
that every association member is
present and a discussion will be held
in which any member may partici-
pate. These proposed amendments
should be studied beforehand in or-
der that they can be properly dis-
cussed. A vote will be taken on each
separate one after the discussion is
finished.

Only by having a keen interest
shown in the various student organi-
zations is it possible to have them
reach a high degree of efficiency.
Everyone must show this interest at
all times and not let it lag as has
been the case of late. Brace up, be
a booster, and the different organi-
zations will prosper beyond expecta-
tions.
