## ALUMNI ASSOCIATION TAKES CHARGE COLLEGE PUBLICITY FOR '24-'25

### GREENE IS SECRETARY

Association Publicity Committee  
Will Finance and Direct  
Publicity

In order to carry out the program authorized by the board of trustees of the college, the Alumni association, through the Alumni council, has taken four very definite steps that should bring the plan of active co-operation between the Alumni and the college into definite realization.

At a meeting of the council this week a full time Alumni secretary was employed, and arrangements made for a bureau of information to handle the publicity for the college; a graduate manager of athletics was appointed; and plans completed for the continuation and expansion of the Alumni Record.

Since the formation of the Alumni council and the increased interest and activity on the part of many local alumni, the trustees of the college have requested the Alumni association to assist them officially in promoting the immediate best interests of the institution. To this end at a meeting of the executive committee of the board of trustees held March 28, the Alumni association, among other things, was authorized by the board to carry on a general campaign to secure a strong student body; to secure funds for current expenses of the college; to secure a complete record of the names and addresses of former students; and to secure such proper publicity for the college as would tend to promote the future

(Continued on page 5.)

## TOMOKAN STAFF SUFFERS BIG SHAKE-UP; APPOINT DRAA EDITOR-IN-CHIEF

Having decided that some definite action must be taken if the Rollins annual is to make its appearance this spring, the junior class staged a "recall election" early this week and appointed Horace Draa editor-in-chief of the Tomokan in place of Herbert Thomas, who was elected to fill this position last year.

Several other changes in the staff are being made this week and will be announced as soon as possible, according to Editor Draa.

The new staff is now working hard on the 1924 Tomokan and expects to have all material in the hands of the printer within a few weeks. The business manager has sold a large percentage of the required amount of advertising and it is thought that the Tomokan will soon be free from financial difficulties. The staff hopes to have the annual printed before the closing of the college in June.

## MAY HOLD FIELD DAY AQUATIC MEET WEEK

College Picnic or Dance Will Follow  
Day of Hard Work

During Aquatic meet week, and probably on Tuesday or Thursday, all Rollins students will turn out with axes, shovels, rakes, picks, etc., for the annual Field day activities, according to present plans of the Faculty committee. There will be no classes on Field day and a dance or college picnic will close the day's festivities.

It is expected that the hard work-

(Continued on page 6)

## STATE SWIMMERS WILL COMPETE FOR 24 CUPS AT MEET ON APRIL 26

### MORE TEAMS ENTER

Winter Park and Orlando Business Men Furnish Cups:  
Value \$1,500

A set of 24 beautiful silver cups will be presented to the victorious swimmers in the Interscholastic Aquatic meet, April 26.

Mr. and Mrs. Henry Kart have contributed the largest cups again this year. In previous meets the Kart cups have always attracted much attention and have created much rivalry among contesting teams.

### St. Pete Confident

Last spring the St. Petersburg girls won the Marguerite Hamilton cup for the second time. The St. Petersburg Times states that the fair swimmers from the Sunshine City are stronger than ever this year and are going to win permanent possession of this trophy on the twenty-sixth. The St. Petersburg girls also expect to carry away first honors for the fifth time. Between three and four hundred St. Petersburg rooters will accompany their swimmers to Rollins.

### Orlando Strong

Bobby Howard, coach of the Orlando high school swimming squad, is at present whipping his stars into shape. For two years the Orlando boys have won the Kart cup and this year plan to take permanent possession of it. Orlando has lost two valuable men in Jack Geier and Ted Johnson, both of whom are away at college, but other material has been

(Continued on Page 6)

## BIG CLOVERLEAF DANCE SLATED FOR TOMORROW NIGHT AT EIGHT SHARP

Cloverleaf girls will entertain the entire college Saturday night at a dance in Cloverleaf parlors, beginning at 8 o'clock sharp.

The dance committee has been trying to secure the Fort Pitt Orchestra for the evening and at the time of going to press it seems likely that these jazz artists will be on hand tomorrow night. In order to play at Rollins it was necessary to break another engagement, it is reported.

Cloverleaf will continue the entertainment schedule next week when it is planned to stage a college picnic on the south side of Lake Virginia. Most of the picnickers will cross the lake in boats and canoes, tho a few will drive to the picnic grounds in cars.

Miss Treat urges that everybody come early to the dance tomorrow night.

## SIGMA PHI FOUNDS ORATORICAL AWARD

Will Give Prizes of \$25 and \$10  
For Public Speaking

Sigma Phi sorority announced in chapel Monday morning the establishment of the Robert J. Sprague Prize for Public Speaking. A first prize of \$25 and a second of \$10 will be awarded to the two students making the best speeches under the regulations of the contest.

"The aim of Sigma Phi sorority is to encourage high scholarship, to develop college spirit thru competition and to show appreciation of the work Dr. Sprague has done in raising the

## TENNIS HOBOS

A student who occasionally plays tennis on the campus has this week taken advantage of the WHAT DO YOU THINK? column to express his opinion of the hobo tennis players who have for several months been monopolizing the lone Rollins tennis court while students have been forced to look on with more or less (certainly less) interest. Not that these racquet wielders and their tennis matches are worth watching; most of them belong to the lowest order of DUBS, and not only with regard to their tennis playing either.

Admitting that a few of these uninvited visitors do not belong to the above classification, it still seems that the one, single, lonesome Rollins tennis court might be kept open for college students. Even with two courts in condition students would still be unable to play as much as they want to and ought to in order to have proper recreation.

We have watched these visiting tennis players from Winter Park and Orlando for a long time. We can say little or nothing in their favor. We have seen two of them play tennis an entire morning while a dozen or more students waited for an opportunity to play as much as one game. But did these outsiders give them a chance? Not at all. They kept right on playing. Any one who plays tennis can cite a dozen similar instances.

It is time for the college to take some action in regard to running this bunch of cheap sports off the campus. It should be done this week and done thoroughly.

## CRUELTY TO ANIMALS

Old Sparkplug is a familiar sight about the campus. For years Rollins students have watched this ancient horse drawing his wagon around the campus drives, and year by year they have watched him grow older. He is no longer young and carefree; he is a very old horse. Doesn't it seem that during all of these years of loyal servitude Sparkplug must have learned to love Rollins and the old campus?

Now then, doesn't it seem unreasonable, almost cruel in fact, to make poor Sparkplug haul wagon load after wagon load of tin cans, bottles, paper and other refuse to the College point to be dumped in unsightly piles in full view of all who pass by on the lake? This point, you know, could be made the most beautiful part of the campus. Surely it must grieve the old fellow to see the scenery becoming so unattractive.

Which ought to be enough about this.

## THE SPRAGUE PRIZE

The Sigma Phi sorority has done a commendable work in establishing the Robert J. Sprague Prize for Public Speaking. The announcement of this public speaking award created a good deal of surprise on the campus, but all are agreed that the sorority deserves the unanimous thanks of the student body. In creating a permanent prize for high grade public speaking at Rollins, the Sigma Phi girls have done much for the future of the college. Such things as this go a long way toward creating college traditions and college spirit.

## ALUMNI PICNIC FOR STUDENTS

On another page of The Sandspur appears an article in regard to a proposed college picnic to be given by the Alumni association for all college students.

This is a novel plan and one which will surely be appreciated by the entire college. To have an alumni association strongly behind a college is something which students appreciate, but when such a body even stages a picnic for every one on the campus, it shows that the alumni have a more than usual interest in their alma mater. The college should show it appreciation for this action of the Alumni association by a one hundred per cent attendance at the picnic.

## A STATEMENT OF FACT

In announcing the Robert J. Sprague Prize for Public Speaking, Miss Wallace paid a high tribute to Dean Sprague for the work he has done at Rollins during his stay here. To the thoughtful person his accomplishments are evident on every hand. Not only has he done much to raise standards and change Rollins into a real, one hundred per cent college, but he is also largely responsible for the success of the Rollins Union project. As Miss Wallace stated, the Dean is naturally quiet and retiring and it is up to others to tell of his works. We are glad that Miss Wallace said what she did in announcing the Sprague Prize.

## Oh, Baby

"I kissed her in the parlor,  
By the log-fire's ruddy glow;  
And the burning sparks that hit us,  
Felt like little flakes of snow."

A limited number of the following volumes of

# EDWIN MARKHAM'S POEMS

autographed during his stay at Rollins

College are available:

1. The Man with the Hoe and other Poems, \$2.25.
2. Lincoln, and other Poems \$2.25.
3. Gates of Paradise and other Poems, \$2.25.
4. The Shoes of Happiness and other Poems, \$2.25.

In addition to his autograph, written during spare moments, while in Winter Park, Mr. Markham has inscribed in each book a little sentiment in his own inimitable style.

Sent postpaid upon receipt of price. Orders should be sent and checks made payable to

# THE ROLLINS PRESS

Winter Park, Florida

### ALUMNI PLANNING PICNIC FOR STUDENT BODY SOON

The student body of the college will soon be the guests of the Rollins Alumni association at a picnic on the shore of Lake Virginia if present plans of the organization are carried out.

At the regular meeting of the Alumni council in Carnegie hall Sunday afternoon Miss Florence Bumby, Mr. Leon Fort, and Mr. Sexton Johnson were appointed a committee to arrange for such a picnic on the first available moonlight night.

Such picnics are always productive of much enjoyment, for they give opportunity for the present students to meet some of those who burned the midnight oil not so long ago, and for those who burned the midnight oil not so long ago to tramp over familiar ground and paddle over friendly waves once again.

### College Comment

Mr. William C. Comstock, Rollins trustee, has left Winter Park for his home in the North.

Cotton Thomas left last week on a visit to the southern part of the state.

Ray Greene and Ted Carroll drove to Gainesville last week. Ray made the trip to advertise the Aquatic meet which will be held at Rollins on April 26. Stops were made at most of the high schools along the Gainesville road.

Brant Watson spent the week-end in New Smyrna as usual.

Dr. and Mrs. Frank Everhard and Mr. and Mrs. J. B. Barlow of Ripon, Wisconsin, were in Winter Park last Saturday for a short call on Mr. and Mrs. Taintor.

Johnnie Bostwick was called away to Jacksonville Friday, returning Saturday night. He was greeted unanimously by his fellow Bums.

Louise Harris spent the week-end with her relatives in Winter Haven.

Ted Carroll, Blinker, Pop, and Ray More started for St. Augustine Tuesday where they took part in the Ponce De Leon celebration.

Philip (Heavy) Trowbridge is once again seen rambling around the Rollins campus. The only difference is that he has changed from a Ford to a Hudson. He must'a sold another "gable."

The Bums held their regular meeting Sunday. Plans for the future were discussed.

Nobody has any kick coming if they went canoeing Sunday afternoon, says Guy Colado.

Here's to the Co-eds,  
We'll drink to their health.  
Drinking on credit—  
They've got all our wealth.

Little dollar dances  
Candy by the pound,  
Makes your daddy's bank account  
Just go round and round.

### HOLD JOINT MEET OF YM AND YW WEDNESDAY

Miss Martha Dennison of Winter Park who has just returned from an extended stay in India, was the first speaker at a joint meeting of the YM and YW last Wednesday evening in Cloverleaf. Miss Dennison is a Y. W. C. A. worker and her work in this field in India proved to be very interesting, she stated.

She said that on an average, the Indian student is older than the American student. This comes from the fact that so many Indian students have to stay out of school for long intervals at a time in order to earn enough money for their education. Also the percentage of young people who attend college in India is very much smaller than that of the United States.

Miss Dennison then went on to tell about a Y. W. C. A. conference in India that she attended. It was very much like American conferences held at Blue Ridge. An interesting feature of the Indian conference was the fact that representatives of several non-Christian religions were present along with the Christian girls.

Miss Dennison said that everyone in India looked upon the United States as a 100 per cent Christian nation and for this reason Americans ought to so conduct ourselves as to not shatter this belief.

She closed her interesting talk in a unique way by dressing up Eva Jones and Tommy Quinn in Indian costumes of today.

The second speaker was Mr. Dye, a business man of Orlando who gave a brief talk of a religious nature. He held that the United States ought to so conduct itself as to serve as an example of a Christian nation always. "The United States is the greatest nation in many respects, in the world and there is no reason why she should not also become the greatest Christian nation," he said.

Though the winter season is over and almost all the tourists have gone, there is no lull in the Conservatory. Both glee clubs have been very busy all week, brushing up on their programs for the big concert last night.

The Men's Glee club had an extra engagement this week when they sang Wednesday evening for the reception given by the town for the visiting ministers of the state. This invitation to sing at the reception was given, after the boys sang at the Y. M. C. A. services at the Methodist church.

On last Tuesday evening, Lillian Eldredge, contralto, appeared in song-recital in Knowles hall.

### The Inquiring Reporter

It has been the custom at Rollins for several years to hold a field day every spring when all students turn out to beautify the campus. A dance or picnic has always been held afterwards. This week a Sandspur reporter asked ten students DO YOU FAVOR A ROLLINS FIELD DAY BEFORE THE AQUATIC MEET? DO YOU PREFER A DANCE OR A PICNIC AFTERWARD? Their replies follow:

Homer Parker—Yes. A dance.  
Curtis Atkisson—Yes. A dance.  
Dickie Dickson—Yes. Dance.  
John Bostwick—Yes. Dance.  
Dean Branch—Yes. Dance.  
T. P. Paige—Yes. Dance.  
Lucille Kingsley—Yes. Dance.  
Ted McCown—Yes. Dance.  
Eleanor Pressey—Yes. Dance.  
Virginia Davis—YES. Dance.

The star cheer leader at an Eastern college was awarded the varsity letter. If this keeps up the varsity letter will be almost as easy to get as the regular college degree.—Life.

### What Do You Think?

This WHAT DO YOU THINK? column is reserved for student opinion. Any student has an opportunity to set forth his views on timely subjects in this space. Articles must be signed, but names will be withheld if the writers desire.

Several times during the past week, the lone tennis court has been monopolized by people from Orlando. Rollins college really needs two tennis courts, always in playing condition, but as long as only the one is in shape, the other being left idle, it is only fair that it should be used only by college students. The court is generally crowded as it is, even when only Rollinsites are playing, and outsiders should certainly be required to find other places for their racquet wielding.—K. A.

"Going home?"  
"Sure. Nice place to sleep."

Bolshi: Wanna go on a sleighing party?  
Viki: Who are we gonna slay?

"The woman thou gavest me," said Blinker as he drew the fourth queen.

### GRADUATE MANAGER TO CONTROL ROLLINS ATH- LETICS NEXT SEASON

At the last meeting of the Executive committee of the Board of Trustees of the college, control of intercollegiate athletics was given over to the Alumni council of the Alumni association at the request of Sexton Johnson, acting for that organization. The Alumni association has become very actively concerned in the matter of athletics at Rollins and wishes to eliminate some of the bad features that have developed in the past.

In line with the custom long established at the older and larger universities and colleges, the Alumni association, as a part of its recently increased field of activity, has become interested in the athletics of the college to the extent of urging that it be given control and has placed a graduate manager in charge.

The graduate manager will co-operate with the Faculty committee on athletics, and the coaches, assist in arranging schedules, and handle matters of advertising, finance, etc. Next week there will be an announcement of the person elected for this position.

The Alumni association has always stood for clean athletics at Rollins, and the seventh point in the new "Sixteen Point Program" of the association calls for the entrance of Rollins into the Southern Intercollegiate Athletic association. The present arrangement with the Florida College Athletic committee at its meeting recently in Lakeland has been supported by the Alumni association because of the fact that is the best arrangement for cleaner athletics under the present conditions.

The Alumni association hopes to put athletics at Rollins on a very high plane, obtain some good schedules and develop the best possible teams from the material available. The association expects the loyal support of its members everywhere and the co-operation of all who have at heart the best interests of Rollins and the field it attempts to cover.

### TENNIS MATCH WITH STETSON POSTPONED

The contemplated tennis match with the Stetson university tennis team last Friday failed to materialize, since there was a mix-up in correspondence. However, Freddie Arnsperger, captain and ace of the Stetson team, came down and played a number of matches at the Orlando Country club. Arnsperger first played a match with Tommy Thompson, Rollins captain, and Tommy won two out of three sets from the Stetson man, so when a real scheduled match comes off between the two, it should be a "hot" match.

The trouble with the Stetson team this past week was that two of the members of the team are also members of the baseball squad, and consequently were unable to get off for

a match here. Before leaving here, Arnsperger promised that he would get the team together and play Rollins a match. This should be a very good match since Stetson will only play a three man team, the same as Rollins will play, and thus it should be an even break all the way round. Tennis is at present the only sport on the campus that seems to keep its popularity with the students, so now with the warm weather coming a mixed doubles tournament should be started because there are any number of good and "nearly" good women tennis players on the campus.

### WATER MEET TROPHY CUPS ON DISPLAY AT SCHULTZ'S

The trophy cups of the Interscholastic Aquatic meet are now on display at Schultz's Shoe and Clothing store down town.

The window under the tasteful hand direction of Mr. Eberts is most attractive. The display will prove unusually interesting to the high school students who will be contestants for the cups.

### FATHER AND SON

Be more than his dad,  
Be a chum to the lad;  
Be a part of his life

Every hour of the day;  
Find time to talk to him,  
Find time to walk with him,  
Share in his studies

And share in his play:  
Take him to places  
To ball games and races,  
Teach him the things  
That you want him to know;  
Don't live apart from him,  
Be his best comrade,  
He's needing you so!

Never neglect him,  
Though young, still respect him,  
Hear his opinions with patience  
and pride;  
Show him his error,  
Be not a terror,  
Grim-visaged and fearful,

When he's at your side.  
Know what his thoughts are,  
Know what his sports are,  
Know all his playmates,

It's easy to learn to  
Be such a father  
That when troubles gather  
You'll be the first one

For counsel, he'll turn to.  
You can inspire him  
With courage, and fire him  
Hot with ambition

For deeds that are good;  
He'll not betray you  
Nor illy repay you,  
If you have taught him  
The things that you should.  
Father and son  
Must in all things be one—  
Partners in trouble

And comrades in joy.  
More than a dad,  
Was the best pal you had;  
Be such a chum

As you knew, to your boy.

—Edgar A. Guest.

A rat-killing contest has been inaugurated in Des Moines, Iowa. Individuals or groups of individuals are going out on the trail of the pests, and they will remove the tails of the victims, so that a count can be made. \$250 in prizes, together with a \$50 silver loving-cup, will be the rewards offered by the business men of that city, to those killing the greatest number of rats.

Three seats on the New York Stock exchange were recently sold for \$85,000, \$84,000 and \$82,000, respectively, making a total of \$251,000, for the three.

The University of California will broadcast, through its radio station, a course in agriculture for the benefit of farmers who may be listening in.

The University of Florida rifle team has been awarded the Fourth Corps Area rifle cup for the second time, having defeated the North Carolina State riflemen. If the 'Gators win the cup a third time, it makes its home at Gainesville.

Marshall Diebold, the new captain of the Wisconsin basketball team is very superstitious. When he drives up to the gym, his car must always be parked in the same place, and if another car is already there, he pushes it out of the way. When he dresses for a game, he must always have a strip of adhesive tape around his wrist.

Em.—Is your nose red all the time?  
Sap.—No, it is red until I blow it,  
then it is blew.

## THE DEPARTMENT

## OF CHEMISTRY

By T. O. Mabry

The present work in this department covers the whole four years of the college curriculum. All courses offered are strictly college courses, patterned after similar courses given in the leading colleges and universities of the country, and so standardized that work done in chemistry taken at Rollins will be given full credit at such institutions. Laboratory work is a fundamental feature in every course now offered. Our laboratory is well lighted, provided with hoods with fan exhaust, gas for heating, chemical balances, and all other apparatus and reagents needed for thorough work. Our stock is replenished from time to time as it becomes necessary.

Our first year's course in general chemistry is intended to serve the dual purpose of (1) a general culture course, for those who do not expect to pursue the subject further, and (2) as a standard first year course intended to meet the entrance requirements of the best medical colleges of the United States.

The second year's work in chemistry is devoted to two different courses. During the first semester a course in qualitative analysis is given. This is followed the second semester by a course in elementary organic chemistry. Both of these courses are required for entrance to standard medical colleges.

Our third year's course is devoted entirely to quantitative analysis. The fourth year is given either to physical chemistry or to advanced organic chemistry, as the student may elect.

This year we have students in all of the courses just mentioned.

Other courses will be offered as the demand for them arises. One of our last year students in the junior class entered this year the senior class at the University of Mississippi, receiving full credit, not only for his work in chemistry but for all college courses taken at Rollins.

Another student of last session entered Cornell this session and received full credit for work done here in general chemistry and in qualitative analysis. One of this year's graduating class has official assurance that upon graduation he will be welcomed as a medical student at the Cornell Medical College. And the number of students at this medical school is strictly limited in numbers, and limited to college graduates.

Still another of our graduates is in line for admission, and expects to enter, the Medical College of Johns-Hopkins University this fall.

Johns-Hopkins was the first medical college of the United States to limit its medical students strictly to college graduates. And probably no medical college in the United States today has higher entrance requirements than does the medical college of Johns-Hopkins University.

We insist upon thorough, conscientious work; and the slacker soon finds that the atmosphere of the lecture room and of the laboratory is not congenial to his disposition.

Our aim is to try to give all possible help and encouragement to those

who really wish to learn; to spur up, by all legitimate means, those who by nature demand the use of the spur (and their name is legion); but we have not time to waste upon the laggard who just registers in chemistry in order to fill up his registration card, and who persistently cuts his classes and will not work.

Our standards, both as to quality and amount of work required, are such that the student of average intelligence, and with reasonable diligence, will pass. Records show that exceptionally good students, in accordance with faculty regulations, are exempted from final examinations in chemistry.

#### ALUMNI ASSOCIATION TAKES CHARGE COLLEGE PUBLICITY FOR '24-'25

(Continued from Page 1)

growth of the college; also to assume management of the college athletic program. The agreement between the Alumni association and the board of trustees provides for thorough co-operation in such activities as will adequately provide for the basic needs of the college.

Raymond W. Greene, A. B. graduate of the college, successful in student activities in his under-graduate days, a loyal and active son of the Blue and Gold, has been appointed full time secretary of the association and with the active assistance of the program committee of the council will promote the program laid out.

One of the first things that the association will undertake to do will be the setting up of a publicity bureau, which will be the sole source of official news of the college, co-operating fully with the Sandspur, Alumni Record, and the local and state papers.

A new departure, and one that the association anticipates will solve a number of perplexing problems in the athletic situation, is the appointment of a graduate-manager for athletics. The name of this manager has not yet been announced, but the experience of a number of progressive colleges and universities indicates that an interested, capable alumnus, in full co-operation with the faculty athletic committee, greatly strengthens and facilitates a clean, active athletic program.

The fiscal year of the Alumni association ends December 31, according to action of the council at its last meeting, and annual memberships expire at that time. However, action was taken providing that subscriptions to the Record, which are included in membership dues, should continue for twelve months, irrespective of the time dues are paid. Life members of the association do not, of course, pay annual dues but they receive the Record monthly.

A folder announcing in full the work, policies and program of the Alumni association is being arranged by the program committee and will be sent to members of the association and friends of the college at an early date.

#### CLOVERLEAF DANCE

This seems to be a week when every organization is doing something to boost the college. The Cloverleaf girls seem to have fallen into line with the rest and have accordingly invited the men of the college to a dance Saturday night, the Fort Pitt crowd to furnish the music. Here is something that is appreciated. Let's everybody be at Cloverleaf tomorrow evening. Fifteen rahs for the Cloverleafites!

Where this female undressing race  
Will end, nobody knows,  
Some day a girl will paint her face,  
And then paint on her clothes.

#### Breaks News Gently

Johnnie: "And how's my girl to-day?"

Red (enthusiastically): "Just fine!"

Johnnie: "How do you know?"

—Arizona Wildcat

#### Good Advice

Kroehle: "Can I change these pants at this counter?"

Ken: "Well, I'll tell you, Alvin, we have so many women shoppers, maybe you'd better go to the dressing room in the rear."

Jack: What is the best way to preserve peaches?

Jimmie: Don't introduce them to anybody.

#### Diseased

A young doctor said to the girl of his choice, "Do you know, dear, I have a heart affection for you?"

"Have you had it lung?" she coyly inquired.

"Oh, yes. I feel that I will liver troubled life without you," he fervently responded.

"Then you had better asthma," she lisped softly.

#### Information Please

Dresch: "Success is earned. In no other way can it be had. There is no such thing as luck. Instead it is PLUCK—PLUCK—PLUCK!"

Dolly: "Yes, sir; but who and when shall we pluck?"

Bishop (in bed, suffering greatly): Oh, my head. Doc, give me something for my head, quick. Give me something for my head.

Hotard: I wouldn't take it as a gift.

"I'm entering society," said the oyster as Mrs. Tiffington swallowed.

Fair Damsel—Have you ever kissed a girl?

Sheik Redding—Are you gathering statistics or is that an invitation?

#### The Sport Fiend's Dream

The score was six to nothing,  
The coaches were ahead;  
The batter knocked a drop kick  
Over the umpires head.

The center ran to second base,  
He forgot to holler fore;  
The tackle on his polo pony  
Knocked out a cuspidor.

The Bos'n won the contest  
When he finished his thirtieth pie  
And the archer took his horse shoe  
Out of the boxer's eye.

#### Miss Flapper

Blessings on thee, little dame,  
Bareback girl with knees the same,  
With thy rolled down silken hose,  
And the short, transparent clothes.  
With thy red lips, reddened more,  
Smeared with lipstick from the store,  
With thy make-up on thy face,  
And thy bobbed hair's jaunty grace.  
From my heart I give thee joy—  
Glad that I was born a boy.

### STATE SWIMMERS WILL COMPETE FOR 24 CUPS AT MEET ON APRIL 26

(Continued from page 1)

trained and Coach Howard believes he has another winning combination this spring.

Of the 22 remaining cups contributed by friends and business houses of Winter Park and Orlando, 13 must be replaced this year. Two high point cups must be replaced every year under present regulations. In referring to the other 11, Ray Greene, director, stated: "With these cups that must be won two times before they become the permanent property of the high school, the same swimmer or some team-mate comes back the second year and clinches that cup."

The coming Interscholastic Aquatic meet ranks first in importance with athletic journals of the Southeast.

#### New Trophies

The trophies to be replaced this year are: Franklin O. King cup, won by the Orlando relay team (boys); A. R. Douglas cup, won by Jack Geier, high point individual for Orlando; Evans-Rex cup won 1922-23 by Harry Buell, St. Augustine, 50-yd dash; Winter Park Land Co. cup, won 1922-1923 by Jack Geier, Orlando, 220-yd. free style swim; Arthur Schultz cup, won 1922-1923 by Ralph Harris, Hillsboro high, Tampa, plunge for distance; W. H. Schultz cup, won by Jack Geier 1922 and by Ted Johnson 1923, Orlando, 100-yd. free style; Winter Park Auto Co. cup won 1922-1923 by Jack Geier, Orlando, 440-yd. free style.

#### Girls

The following girls cups must be replaced: Winter Park Business Men's club cup, won by Gretchen Allan, Geo. Washington junior high school, Tampa, high point individual; Winter Park Plumbing Co. cup, won 1922-1923 by Gretchen Allan, Geo. Washington junior high school, Tampa, 25 yard dash; R. F. Leedy cup, won by Julia Lawrence, Orlando 1922-1923, plunge for distance; Winter Park Pharmacy Co. cup, won by Gretchen Allan 1922-1923, Geo. Washington junior high school, Tampa, fancy diving; Bank of Winter Park cup, won 1922-1923 by Gretchen Allan, Geo. Washington junior high school, Tampa, 220-yd. free style; Orlando Chamber of Commerce cup, won 1922-1923 by Mary Buhner, St. Petersburg high school, 75-yard dash; Franklin O. King, A. R. Douglas and the Business Men's club of Winter Park will replace their cups this year.

The 26th of April being a legal holiday promises a record breaking crowd this year.

### SIGMA PHI FOUNDS ORATORICAL AWARD

(Continued from Page 1)

academic standards of Rollins," said Miss Wallace, in announcing the establishment of the Sprague Prize Monday.

These prizes are open to any student on the campus regardless of whether or not he is at that time enrolled in the public speaking department. Contestants will be allowed to choose their own subjects. Other details such as selection of judges, etc., will be announced later. The Sprague Prize will be awarded annually.

#### Prize for Play

To encourage college spirit and the cooperation that comes from working together, Sigma Phi also offers a prize

## It's a Short Jump to Easter

Easter comes Sunday, the 20th, and we don't want you to get caught without some new Clothes and Shoes. That is the reason we printed this little reminder for you.

Already many of you have been in-to buy some "glad rags" for the parade down Interlachen Avenue Easter morning, but there is still a large number who haven't dropped in yet.

Men will want a new Suit, Straw Hat and Ox-fords. The girls will want white, patent leather, gray or fawn Sandals with Hose to match or to contrast.

## W. H. SCHULTZ

Down Town

"The Home of Hart Schaffner & Marx and Walk-Overs"

of \$15 to the group or organization putting on the best play during the college year. This also is to be an annual affair, and is open to any group of college students wishing to enter.

### MAY HOLD FIELD DAY AQUATIC MEET WEEK

(Continued from page 1)

ing Tars will be able to put the campus in first class condition for the coming aquatic meet. Those in charge believe the necessary work can be accomplished in one day without much difficulty provided everybody assists. Cold drinks and refreshments will be available all during the morning and afternoon.

Just what work the Field day enthusiasts will tackle first has not been definitely decided upon. It seems likely that Spanish moss will be removed from a few of the trees on the campus in addition to other work.

Last year's Field day activities were limited to shoveling sand for the Dyer memorial amphitheatre. Two years ago on Field day students hauled \$400 worth of sand and filled in the low places on the campus behind the sea wall. Following the hauling of the last load of sand the entire student body embarked in whale boats, canoes, etc., and journeyed to the other side of Lake Virginia for a picnic.

A decision as to whether to hold a dance or a picnic to close the 1924 Field day activities will be reached early next week.

"Here's your pay for loafing eight hours."

"Excuse me—nine hours."

### SIGMA PHI PRESENTS TWO PLAYS ON FRIDAY

Sigma Phi sorority presented two one-act plays, "The Flower Shop" and "Joint Owners in Spain," at the Woman's club last Friday night. The latter play kept the audience in an uproar, Billie Mulligan, Eleanor Pressey and Fannie Barnes giving very true to life interpretations of the inmates of an old ladies home.

"The Flower Shop," also a comedy, was very cleverly portrayed, Dot Grey as "Maud" and Dickie Dickson as "Henry, the tough office boy," were especially good. Robert Chandler as the "bashful lover," "T. P." Page as "Shlovsky" and Eddie Parkinson as "Jessie" were favorites of the audience and were loudly applauded.

In spite of the disagreeable weather a large crowd attended. The proceeds are to be used to establish the "Robert J. Sprague Prize for Public Speaking." The Sigma Phis announced that this prize is to be given next year during Founders week, first prize to be \$25, second \$10, and third \$5, to be awarded to the college students giving the best speeches.

#### Fired Him

Vickers: "My brother sure was a dumb guy."

Em: "How's that?"

Vickers: "The had to burn down the school house to get him out of the first grade."

#### Almost Time Now

Office Boy: "Please, sir, may I have the afternoon off?"

Boss: "Grandmother's funeral, eh?"

Office Boy: "No, sir; the visiting team's."
