STATE BASEBALL TOURNEY SLATED FOR MAY 15, 16, 17

SWIMMERS SHATTER 13 RECORDS AT MEET; ST. PETE AND MIAMI WIN

RACES THRILL BIG CROWD

St. Petersburg Boys and Miami Mermaids Cop First Honors on Saturday

13 state records were smashed by swimmers at the fifth annual Interscholastic Aquatic meet last Saturday. First honors in the boys' meet went to St. Petersburg with 32 points. St. Augustine grabbed second place with 16 points, followed by Daytona with 15. 31 points won first place for Miami's mermaids in the girls' meet in the afternoon. Hillsboro dropped into second place with 29 points after the relay. The St. Pete girls came in third with 18 tallies.

Attendance records were shattered Saturday, according to Director Greene.

High point individuals were Harry Buell of St. Augustine with 13 points in the boys' meet and R. Williamson of Miami who amassed 15 points in the girls' events.

Governor Hardee Present

Governor Cary A. Hardee was on the campus and witnessed part of the meet, although he did not make an address. A special reviewing platform was provided for the governor and his attendants.

A Pathe News representative covered the races and diving and secured both slow motion and regular pictures of the events. Pathe had exclusive rights on the meet.

Relay Races

The relay races were the most interesting events on the program. The Hillsboro girls lead in the the girls'

(Continued on page 5.)

Canoeists Stage Races For Aquatic Meet Crowd

War Canoe Crews Clash; Tilting Contest Results in Draw

Along with the regular aquatic meet program the Rollins students put on several canoe races and tilting contests. These helped to fill up the time between the different events on the program.

The first of these was the women's war canoe race. This race was closely contested, the winners finishing only a half length in the lead. The winning team was coxswained by Florence Edris, long known as a canoe artist; Billie Mulligan, bow; Annabeth Wilson, Edwina Parkinson, Eleanor Pressey, Ginny Davis, Eva Thompson, Ruth Amy, Jerry Sledge and Catherine Lewis.

The second event was the men's doubles which was won by Peebles and Mattingly with Evans and Shoesmith second.

(Continued on page 4)

Plans for the 1924 Florida Interscholastic Baseball tournament which will be held under the auspices of Rollins College on May 15, 16 and 17 are being completed this week and the entries in the championships can be announced next week, it is expected.

At this time it seems likely that Duval (Jacksonville), New Smyrna, West Palm Beach, Orlando, Bartow and Williston will be among those picked for the series. These teams have been playing remarkably good baseball this spring and will probably clash to decide the championship of Florida. Other probable entries have not been announced this week by the baseball tournament committee, but a promise that complete details of the

WALTER W. ROSE TROPHY

ALL-ROLLINS AQUATIC MEET SCHEDULED FOR MAY 19 BY COMMITTEE

CUPS WILL BE AWARDED

Star Swimmers Getting Into Shape for Big Intra-mural Swimming Event

Rollins swimmers, divers and aquatic sharks will turn out for an intra-mural aquatic meet on Saturday, May 19, according to present plans of the Rollins aquatic committee. The meet will take place in the afternoon, beginning at 2:30, and all fraternities, sororities, dormitories and town students will put a team in the field.

Cups will be awarded to the winning teams by the college. A silver R will be presented to the winner of first place in any event and ribbons will go to second and third place winners.

Entries in the men's meet will be: Tau Lambda Delta, Phi Alpha, Chase Hall and the town team. Sigma Phi, Kappa Epsilon, Phi Omega and Cloverleaf are expected to stage the girls' events. Men's races will include the 50 yard dash, 220 yard free style, 100 yard dash, 100 yard breast stroke, 75 yard dash, 100 yard back stroke, 440 yard relay and diving. The co-eds will enter in the 25 yard dash, 50 yard breast stroke, 50 yard dash, 220 yard free style, 50 yard back stroke, 100 yard free style; 440 yard relay and diving.

Other rules will be posted by the chairman of the aquatic committee.

Opinions on the campus seems to be favorable to the proposed swimming meet. Many swimmers are now pre-

(Continued on page 4)

Glee Clubs Present Aquatic Meet Concert

(By Special Writer)

The fifth annual aquatic concert was held on Friday evening, April 25, when the Men's Glee club, assisted by the Girls' Glee club, Rollins trio and Charlotte Wettstein, reader, presented a varied and charming program.

Miss Ruth Amy, soprano delightfully sang three numbers, and Mr. Phillip Reece who has a pleasing baritone voice sang Tosti's "Serenade" and responded to an encore.

Miss Charlotte Wettstein, who is always joyously received by a Rollins' audience, read "Comin' Thru the Rye" and "Jocko." The concert was well attended and highly praised. Much credit is due the directors, Mrs. Hayward and Edna Wallace. The program follows:

ALL-ROLLINS SWIMMING MEET

Plans for the proposed intra-mural aquatic meet have practically been completed at this time and now those in charge are turning their attention toward interesting the student body in the swimming events. The big majority of those on the campus seem to strongly favor the plans for this swimming meet.

While it will be impossible to enter into any inter-collegiate swimming events this year, now is an excellent time for Rollins to begin to take a real interest in water sports. To make a success of this local meet is one of the surest and best ways to work up a permanent interest in aquatics and to eventually turn out a swimming team which will be able to cope with the best in the collegiate world. Rollins has excellent material for a swimming team and a start must be made some time, the sooner the better in our estimation.

If it is possible to help in the coming intra-mural meet, show a little college spirit and do your part. Just the enjoyment which students will get from these races will alone make the small amount of necessary work worth while.

TENNIS COURT

Those who repaired the tennis court in front of Pinehurst deserve several medals and some kind of a sterling silver cup, for their good work. For

many moons The Sandspur tried in every way to bring about this momentous reform and it seems that at last some ambitious persons decided to act. Now students are able to play as much tennis as they wish. Even with warmer weather approaching tennis will remain one of the leading campus activities.

Many tennis fans on the campus favor a tennis tournament now that another court has been put in condition for playing.

Of course students will play tennis without a tournament, but interest in this excellent sport could be increased if some sort of organization is introduced. The campus needs as many activities of this type as possible and anything that can be done toward starting this spring tournament will be worth while. The Sandspur will give all possible cooperation.

This—"Dick sure is narrow-minded, isn't he?"

That—"Yeh; why that bird would cut his hand if he rubbed his forehead."

SUICIDES INCLUDE 32 UNIVERSITY STUDENTS

Thirty-two college students are found among the 12,948 suicides in the United States during 1923. The triviality of the reasons for suicide is remarkable. One girl died of gas because she was "not permitted to bob her hair, roll her stockings down, and be a regular flapper." The oldest suicide was 97 and the youngest 6.

BRANCH NOW TOMOKAN PUBLICITY MANAGER

Hardin Branch, '27, was appointed Tomokan publicity manager this week and he has begun a high powered publicity campaign which Tomokan staff members believe will sell many annuals before the year closes. Mr. Branch intends to operate thru the newspapers of the county and state.

HENRY CAVENDISH

1731-1810

English chemist and physicist, of whom Biot said, "He was the richest of the learned and the most learned of the rich. His last great achievement was his famous experiment to determine the density of the earth."

He first made water from gases

Henry Cavendish, an eccentric millionaire recluse, who devoted his life to research, was the discoverer of the H and the O in H₂O. In fact he first told the Royal Society of the existence of hydrogen.

He found what water was by making it himself, and so became one of the first of the synthetic chemists.

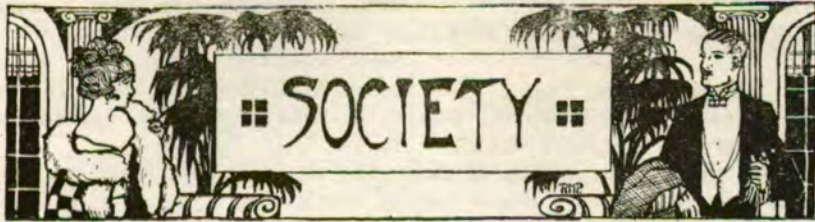

Cavendish concluded that the atmosphere contained elements then unknown. His conclusion has been verified by the discovery of argon and other gases.

The Research Laboratories of the General Electric Company have found a use for argon in developing lamps hundreds of times brighter than the guttering candles which lighted Cavendish's laboratory.

In this age of electricity the General Electric Company has blazed the trail of electrical progress. You will find its monogram on the giant generators used by lighting companies; and even on the lamps and little motors that mean so much in the home. It is a symbol of useful service.

GENERAL ELECTRIC

AQUATIC MEET DANCE

After the banquet Saturday night, students and visitors hied themselves to Lyman gymnasium for the annual aquatic meet dance. At 9:15 the Fort Pitt orchestra began playing and in a few minutes the floor was covered with dancers. The musicians were at their best Saturday night and everybody was enthusiastic about the music.

During the day the decorating committee had decorated the gym especially for the occasion and a very pleasing effect was the result. Japanese lanterns hung overhead and added to the attractiveness of the other decorations.

Gallons and gallons of orange juice punch were consumed by the dancers during the evening.

Dancing continued until midnight.

TROPHIES ARE AWARDED

AT BANQUET SATURDAY

The annual water meet banquet which was held in the commons last Saturday evening was both interesting and successful. Raymond W. Greene, toastmaster, introduced Dean Sprague who gave the address of welcome. He spoke of some very necessary improvements to be made on the lake shores before the meet next year. He emphasized the many advantages of aquatics in the lives of the students of Rollins, and declared that this year's meet was the most successful meet in Rollins history.

Prof. Crowell of St. Augustine, who has just recently been elected the secretary of the Athletic Association of the State of Florida, told of the rising popularity of aquatic sports in his school and predicted that St. Augustine would win next year's water meet at Rollins. Coach Cooling of Miami was just as sure, however, that Miami will take the '25 meet.

A very interesting and enthusiastic speaker was Jack O'Brien, sports editor on the St. Petersburg Times. He told how St. Pete got her rooters to Rollins. For weeks before the meet St. Petersburg newspapers advertised the Sunshine City team in their columns, with the result that a motorcade of 60 cars and 225 rooters came up to Winter Park for the meet.

Perhaps the most interesting event of the evening was the presentation of the cups and medals to the winners by Henry Kart. St. Petersburg and Miami, winners in the boys' and girls' events, received the Kart trophies.

PHI OMEGA ANNOUNCES

NEW HONORARY MEMBERS

Phi Omega announces as new honorary members: Edward W. Packard, E. A. Potter, James T. Dickson, P. A. Vans Agnew, Samuel Goss, A. E. Dick, Wm. Henry Emery and Miss Loretta Salmon.

STUDENTS GIVE RECITAL

AT KNOWLES ON MONDAY

One of the most enjoyable student recitals that has been given this year was the presentation of Miss Margaret Bell, organist, and Miss Martha Marsh, violinist, accompanied by Miss Charlotte Wettstein at the piano on

Monday afternoon. The one jarring note in the entire entertainment was the fact that so few people enjoyed it. The audience was extremely small, and it is hoped that in the future more students will avail themselves of the opportunity to hear programs as well presented as this one.

Both of these young artists gave this recital in preparation for their graduating performances. The program follows:

Concerto—First Movement.....Mozart

Miss Marsh

Tanglewood Tales.....Stoughton

I. Circe's Palace

"Enchantress of so many wiles, Ulysses, who she feign beguiles, Does thus escape from her strange pow'r,

By virtue of a snow-white flow'r."

II. By the Pool of Pirene.

"Midst a gorgeous sunset glow, Beauteous maiden, bending low, Mirror'd in the pool serene, Pensive, as if in a dream."

III. The Pygmies.

"Merry little Pygmies they, Neath the giant Antaeus play. Grieving little Pygmies they, For, Antaeus, in a mournful lay. Mighty little Pygmies they, Courageous, dauntless, win the fray"

John William Oakes

Miss Bell

The Poem.....Fibich

Chant (Negro Spiritual).....White

Serenade.....Drigo

Perpetuo Mobile.....Bohm

Miss Marsh

Prelude and Fugue in D Minor.....Bach

Aria from "Orchestral Suite in D"

Bach

Oriental Sketch No. 2.....Arthur Bird

Jour de Printemps.....Ralph Kinder

Miss Bell

Margaret McKay Is Elected May Queen

Margaret McKay was elected Rollins May Queen at the student election last week. Eddie Parkinson and Virginia Davis were selected by the voters for her attendants. May day festivities took place Thursday evening.

TED CARROLL AND FORD

START FOR PITTSBURG

Ted Carroll, who was a student at Rollins until a month ago when he took a job as Addressograph operator at the Rollins press, left Tuesday night in his Ford touring car for his home in Pittsburg. Ted may return next fall, tho he has not definitely decided to enter college again at that time.

Ted held the position of joke editor on the Sandspur staff as long as he remained at Rollins. He was of great assistance to The Sandspur in this capacity. He is a member of Tau Lambda Delta fraternity.

Ted expects to enjoy himself on his northward journey, according to his statement on leaving. He will stop at many places of interest, including Ashville and Washington.

Dozens of students saw him start on his trip Tuesday night and wished him and his Ford the best of luck.

A Floridian was the first person to invent artificial ice, and patent his invention.

"Boys!" said Rat Mabry as they passed the old cemetery, "this is a grave situation."—The Pointer.

MANAGER SLOAN TELLS OF PLANS FOR SPORTS

A. Maxwell Sloan, newly elected graduate manager on the athletic board, made a short talk in chapel last Friday morning on the athletic situation for next year and in years to come.

Mr. Sloan outlined briefly the plans of the alumni for supporting athletics at Rollins. He was especially emphatic in stating that the alumni need the absolute cooperation of the student body.

In speaking of the problem of coaches he said, "We have in mind several of the best coaches in the business and I am certain that the Rollins coach for next year will shade anything in Florida."

What Do You Think?

This WHAT DO YOU THINK? column is reserved for student opinion. Any student has an opportunity to set forth his views on timely subjects in this space. Articles must be signed, but names will be withheld if the writers desire.

TRACK, BASEBALL AND AQUATICS

The time for Rollins to step ahead and really lead in some form of athletics has come and she can easily do this as she is endowed with one thing that other schools in the country pray for—ideal weather all the year round. Very few realize the wonderful advantage afforded by this weather, but it would only be necessary for one to go up north in mid-winter and watch the track teams, the baseball teams, and in fact all the teams of the spring sports work out in the gymnasium or in some place of warmth in order to appreciate local conditions. Down here all we have to do is to run out of doors and we have our "warmth." It is for this reason that Rollins should foster, more than she has ever done, track, baseball and aquatics because in comparison to the two or three month training period obtained by the northern teams in these sports, we could have a nine month training period. Some say that we are unable to get material for teams of this kind, but they are wrong. Rollins can get material for anything as soon as she offers inducements to athletes in the way of splendid equipment and determination to have such teams. There is no reason in the world why Rollins should not be sending men right away to the Penn Relays in competition with the best track men of the country because if we only did have a track team, our men could have had the most ideal climatic condition for their training, and in the end it is the training that counts. It is the same way with baseball and aquatics. Not only do we have the climate for aquatics but also the best lakes in the world. The enthusiasm displayed

in the past water meet was something wonderful and it is a shame that the same enthusiasm can not be made manifest in an intercollegiate aquatic meet. The sooner Rollins wakes up and begins to take advantage of her natural surroundings and beautiful climate, the farther she will progress, because there is no question but what Rollins is destined to become one of the best schools in the country.

M. S. G.

ALL-ROLLINS AQUATIC MEET SCHEDULED FOR MAY 19 BY COMMITTEE

(Continued from page 1)
paring for the big event. Students will be admitted free to the races.

Material Promising

Chase Hall has some expert swimmers in Fleet Peeples, Bob Williams, Ray Redding and Guy Colado. Peeples is especially good on the long distance swims. G. Colado is a good dash man and is also noted for his diving. Chase has good chances of winning the meet.

Tau Lambda Delta will be a close contender when the starter begins shooting. Shreve is a famous diver, having won several medals in diving contests. Thomas and More are good for fast work and also for long distance swimming. Blinker Draa is expected to clean up in the dashes. Scotty and Evans will probably enter the breast stroke race.

Phi Alpha possesses a good dash man in Ray Colado. Chick Lawrence is a wonder on the 220. Weber Haines and H. Mosher will enter the back stroke and breast stroke races. Case Warner and Fred Hanna are also out for some of the medals, it is reported. Bozo Lafroos is a diver of considerable experience.

Sigma Phi, Kappa Epsilon, Phi Omega and Cloverleaf will put on the girls' meet. Some very fast mermaids will contend for honors in the co-ed races.

The proposed meet was discussed in chapel Thursday.

WELL KNOWN JOURNALIST WILL SPEAK IN CHAPEL NEXT TUESDAY MORNING

Walter Hoff Seeley, editor of the Success Magazine, will speak in chapel next Tuesday morning. Mr. Seeley was to have appeared this week, but his trip to Florida was delayed several days by important business.

Following his address here next Tuesday morning, Mr. Seeley will speak to the Orlando chamber of commerce at the weekly chamber of commerce luncheon. In the evening he will address a large audience at the Grand theatre under the auspices of the Orlando Ad club.

Mr. Seeley is one of the foremost journalists of the country. While in Orlando he will stay with his father, Uriah Seeley.

She—Sap Draa uses oil on his hair.
He—Ah, a Teapot Dome, I suppose.

CANOEISTS STAGE RACES FOR AQUATIC MEET CROWD

(Continued from Page 1)

Next came the men's singles, won by Peeples with Shoesmith second.

By far the most interesting of the events was the tilting. Evans and Shoesmith battled with Thompson and Peeples for over twenty minutes when Thompson accidentally hit Shoesmith with the handle of his tilting pole, ending the match.

The girls' doubles ended in a tie between Dickie Dickinson and Billie Mulligan, and Bert Phile and Eleanor Sprague. This race was the most hotly contested of the girls' event.

The boys' war canoe was a walk-

away for Scott's crew, they winning by two lengths. The winners were: Scott, coxwain; Evans, bow; Shoesmith, A. Bartlett, J. Bartlett, Thayer, C. A. Draa, C. C. Draa, Fralick and Parker.

The mixed doubles event was won by Peeples and Sprague, with Evans and Mulligan second and Shoesmith and Phiel third.

Prof.—What are you late for?
Sleepy Stude—Er-er-The class, I suppose.

Policeman—Young man, you must accompany me.

Bobby Williams—Awright, offishur. What'll we shing?

Bright, New Bathing Apparel

That Challenges Hot Summer Days

Hot weather and holidays have arrived. What joy to pack the swimming kit and hie away to lake or beach for a plunge in the cooling depths.

Orlando, Winter Park and Winter Garden, Florida

Charles Spross has moved to Chase hall for the remainder of the college year. Formerly Mr. Spross lived in Orlando and attended classes in his well known Hudson, but since his folks have left for the North, he has decided to spend his time on the campus.

Ted Carroll, student at Rollins part of this year, left Tuesday evening for New Smyrna on his tour to Pittsburg.

CLASS PRESIDENTS TALK OVER FREEMAN CONTEST

Class presidents met Monday to discuss the progress and results of the Freeman Song award in the different classes and reported that much interest is being shown. The officers believe the prizes will be awarded soon if the present interest is continued.

STRAY BULLET HITS MAN ON FROSH CREW

A spent bullet, apparently fired from one of the houses along lake Mendota, struck, but did not wound, a member of the freshman crew while out rowing Tuesday. The bullet, a .38 calibre, struck the chest of the man, but did not even penetrate the skin.—Daily Cardinal.

TOMOKAN STAFF WORKS DAYS AND NIGHTS NOW

The 1924 Tomokan will be put out in record time, according to reports from members of the staff this week. In spite of a late start the work is being pushed forward rapidly, and the annual will soon be ready for the printers.

"The Tomokan staff is confident that they will be able to present to the student body of Rollins an annual that every one concerned can be proud of. That is why we are working night and day to get it ready for the press," said Editor Draa to a Sandspur reporter in talking about the annual.

Advertising space in the Tomokan has sold well this year, members of the business staff state. Fannie Mae Barnes, Dot Grey and Eddie Parkinson have proved to be wonderful ad snatchers. In one day the triumvirate secured enough ads in Orlando alone to warrant the success of the annual.

The Rollins annual, "Tomokan" is named for a tribe of Indians which used to roam over this part of Florida. It is believed the word is derived from the Indian word, "Tomo," meaning council-house. Thus, the Tomokan is a sort of council-house where all Rollins tribes gather together to hold a great pow-wow and talk over things which have happened during the year. "The Rollins Tomokan is a permanent council-house, however, and the owner of it may call his friends together at any time," said the publicity manager in explaining the origination of the name of the annual.

(Continued from Page 1)

meet until the start of the 440 relay and were feeling certain of copping the meet. However, Miami managed to edge out the Tampa mermaids in this last event. The crowd went mad with excitement as the last Miami swimmer finished the relay in the lead, closely followed by a Hillsboro contestant. Ruth Williamson, who swam and won this last lap for Miami had already won three first and set three new records in the 50 and 75 yard dashes and the 50 yard back stroke race.

After the meet all contestants and officials were banqueted at the commons. Cups and medals were awarded by Henry Kart at the banquet. The annual aquatic meet dance followed.

Summary of the meet:

Boys events: Teams placing, St. Petersburg (32 points), St. Augustine (15 points), Daytona (14 points), Orlando Senior high (14 points), Miami (10 points), Hillsboro High (6), Duval (3 points), Fort Myers (2 points), and Lakeland (1 point. Individual points—Buell (St. Augustine) 13 1-2 points and F. Earnhardt (Daytona) 10 points.

50 yard dash, Buell (St. Augustine) first; Buhner (St. Petersburg) second; Hoefler (Orlando) third. Time 26 sec. (new record).

220 yards, free style, C. Earnhardt (Daytona), first; Halls (St. Petersburg) second; Geier (Orlando Senior) third. Time 2 min. 52 2-5 sec. Record held by Jack Geier (Orlando) 2 min. 42 3-5 sec.

Plunge for distance: Sutton (St. Petersburg) first; Wood (Hillsboro) second; Barber (Orlando) third. Distance, 67 1-2 feet. New record.

100 yard, free style; Buell (St. Augustine) first; Hall (St. Petersburg) second; Hilliard (Ft. Myers) third. Time, 1 min. 1 2-5 sec. New record.

100 yard breast stroke, F. Earnhardt (Daytona) first; Dover (St. Petersburg) second; Ebson (Orlando) third default by Pope (St. Augustine) who tied him in morning's race. Time 1 min. 25 2-5 sec. Record held by F. Earnhardt (Daytona) 1 min. 21 4-5 sec.

Fancy diving: Desjardines (Miami) first 171 points, new record; Kah (Tampa), second, 154 points; Ellis (Lakeland) third, 144 points.

75 yard dash: Buhner (St. Petersburg) first; Buell (St. Augustine) second; Hilliard (Ft. Myers) third. Time, 42 4-5 sec. New record.

440 free style: F. Earnhardt, second; Geier (Orlando) third. Time 6 min. 30 2-5 sec.

100 yard back stroke: Bailey (Miami) first; Ebson (Orlando) second; Beacham (St. Augustine) third. Time 1 min. 27 1-5 sec. Record held by Harkness (Hillsborough) 1 min. 20 sec.

Relay race: four boys 110 yards each: St. Petersburg (Boardman, Dever, Buhner and Hall) first; Orlando (Geier, Howard, Reicken and Hoefler) second; St. Augustine (Hodges, Beacham, Dale and Buell) third. Time: 5 min. 13 4-5 sec. Record held by Orlando (J. Geier, R. Geier, Johnson and Stafford). Time 5 min. 12 3-5 sec.

Girls' events:

Teams placing: Miami (31 points) Hillsboro high, Tampa (29 points) St. Petersburg (18 points); Orlando Junior (15 points); Orlando Senior (5 points); Winter Park (1 point).

"That's where I shine," said the girl as she powdered her nose.

Lotsa Time

Fido—"Good Heavens, dear. The clock has just struck three and I promised your mother I'd go at twelve."

Fida (comfortably)—"Good. We've got nine hours yet."—Reel.

Shorty Draa—What was your idea in trying to kiss me when the lights went out?

Bozo Lafroos—Force of habit, Old Top.

First Frosh—"There's darn few of these co-eds want to get married."

Second Frosh—"How do you know?"

First Frosh—"I've asked most of them."

A sausage manufacturer built a reputation for a certain brand of sausage, which he called rabbit sausage. A sanitary inspector called one day for an analysis.

"Don't you use some horse in this make of sausage?"

"Yes, I use some."

"How much?"

"Well, I make it a fifty-fifty proposition. One horse, one rabbit."

STATE BASEBALL TOURNEY SLATED FOR MAY 15, 16, 17

(Continued from page 1)

coming championships will be made public very soon was given to The Sandspur on Wednesday.

The Walter W. Rose cup will go to the winners of the tournament. Much interest in this trophy is appearing at this time all over the state.

Sportswriters seem to favor West Palm Beach, Bartow and Williston as Probable victors, but others pick Duval and Orlando as likely contenders. Accommodations for the visiting teams are being arranged for this week.

Decide on Districts

While in conference at Kissimmee with Prof. D. B. Shaver, president of the State High School Athletic association Ray Greene, director of the championships stated that it had been agreed that district champions would be chosen according to the most recent ruling on districts which are as follows:

No. 1. Including Nassau, Duval, St. Johns, Baker, Clay, and Columbia counties.

No. 2 Including Bradford, Putman, Alachua, Marion, Citrus and Flagler counties.

No. 3. Including Broward, Brevard, St. Lucie, Okeechobee, Dade, Palm Beach, and Monroe counties.

No. 4. Including Orange, Volusia, Seminole, Osceola, Lake and Sumter counties.

No. 5. Including Hillsboro, Pinellas, Herando, Manatee, Sarasota, Pasco and Polk (north of Bartow) counties.

No. 6. Including Lee, Hardee, De Sota, Glades, Charlotte and Polk (Bartow and south) counties.

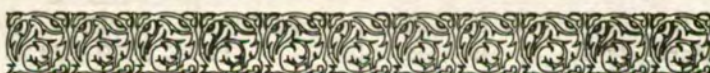

No. 7. Including Suwanee, thru Escambia counties.

LIFE-SAVING EXHIBITION

The last Rollins feature on the program was an exhibition by the life-saving corps. Those on shore saw a man upset in a canoe on the edge of the race course and he immediately appeared to be drowning. Williams, Rollins life-guard, quickly reached the drowning man, followed by Peebles and another life guard. The three swam with the near victim to shore where the Shaefer method of resuscitation was applied. After several minutes it was announced from the judges' stand that the supposed drowning man was an exhibition by the Rollins life-saving corps. The crowd was greatly astonished. Raymond Redding, expert swimmer, played the part of the drowning man and no one suspected a frame-up until afterwards.

JUNIORS ELECT A NEW PRESIDENT THIS WEEK

At the meeting of the junior class on Tuesday, Cecil Dra was elected president of the class for the remainder of the year. No other officers were elected.

A limited number of the following volumes of

EDWIN MARKHAM'S POEMS

autographed during his stay at Rollins

College are available:

1. The Man with the Hoe and other Poems, \$2.25.
2. Lincoln, and other Poems \$2.25.
3. Gates of Paradise and other Poems, \$2.25.
4. The Shoes of Happiness and other Poems, \$2.25.
