PLANS COMPLETE FOR FLORIDA STATE INTERSCHOLASTIC WATER MEET; ENTRIES COMING IN FAST

The annual Interscholastic Water Meet which will be held here on the Rollins course on May 2nd, promises to be the biggest event of its kind ever held in Florida. Mr. Ray Green, director of the meet, states that there are more entries this year than ever before and that there is no doubt that there will be more coming in later.

From the showing of the several teams that participated in the preliminary met held here on April 4th, it is highly probable that some of the State records will be shattered. The preliminary meet was won by Orlando with a score of 102 points. St. Petersburg ran second with 20 points, and Daytona third with 8 points. Several records were nearly equalled and with two weeks remaining until the championships it is very possible that the time on some of the events will be lowered.

There will be, in connection with the swimming meet, exhibition canoe and war canoe races, tilting and aquaplaning by college students. The girls' meet will start at 9:30 o'clock in the morning and the boys' meet at (Continued on page 5.)

STATE INTERSCHOLASTIC BASEBALL CHAMPIONSHIPS COMING MAY 14-16; DISTRICT CHAMPIONS TO COMPETE

Announcement has been made by Raymond W. Greene, Florida A. A. U. commissioner, that the Florida State Interscholastic Baseball Championships will be held under the auspices of Rollins College, May 14-15-16. This meeting of the district champions of Florida's High schools will immediately follow the interscholastic swimming championships to be held along the Rollins water course, May 2.

Last year there was some misunderstanding among the membership of the Florida High School Athletic Association regarding districts and memberships in those particular districts, Mr. Greene said. The 1925 district champions will be selected according to the number of games won among members of their respective districts.

Classification lists have been sent to all high schools as follows:

No. 1.—Counties: Baker, Clay, Columbia, Duval, Nassau, St. John and Union.

Members—Duval, Ft. White, Hastings, Lake City, St. Augustine.

No. 2.—Counties: Alachua, Brad- (Continued on page 5.)

MAY DAY FESTIVAL AND MUSICAL COMEDY "THE GYPSY ROVER" TO BE AMONG THE FEATURES OF MAY 1-2

The week-end of May 1st and 2nd promises to be a very pleasant one for all concerned. From noon on Friday the first, up until midnight Saturday things will be happening. The first thing on the program will be the May Day Festival which promises to outstrip any which have been held at the college previously. The affair will be held in the Horseshoe grounds. The King and Queen of May, Doug Potter and Fay Hall, will reign and will be accompanied by all the splendor of their court. Four representatives have been elected from each class to form the court. From the Senior class the representatives will be: Miss Dot Grey, Ginny Davis, Cecil Draa and Max McRoberts. Juniors are: Eva Thompson, Ruth Richey, Homer Parker and John Scott. Sophomores: Dickie Dickson, Billie Mulligan, Jack Hobart and Bill Evans. Freshmen: Laura Randall, Trix Larsen, Charles Zehler and Paul Hilliard. To add a touch of fun and nonsense to the occasion, Frank Abbott and Foss Walker were elected court Jesters. These two were elected unanimously as the biggest fools in school. Everybody is invited to the fete and a good time is in store.

On the night of the first will come the long looked for Gypsy Rover, which is creating much interest about Winter Park. The players are very enthusiastic about it and it promises to be a rare treat. It is very probable that the cast will go to Lake Wales

on the following Monday for a performance. The Musical work of the play is under the direction of Professor C. L. Jaynes, the Director of the School of Music and Fine Arts and the Dramatics are being handled by Mrs. Orpha C. Grey, head of the Expression Department. The play (Continued on page 6)

ART'S PURPLE COMPLEX TONIGHT AT THE GYM

Under the direction of Mrs. Newby, head of the Art Department of Rollins, the college's first art week was held from Apr. 13-18. An exhibition of the students' work is open to the public at the campus studio. Tonight is the Purple Complex, which promises to be a series of surprises and fun for faculty, students, and people of Winter Park. The week is to be ended with a tea at the studio on Saturday afternoon, to which the public is invited. Money from the Art Complex is for furnishing the Art Department with new materials. Tickets for the Complex are \$.50.

Mrs. Newby announces that the Purple Complex will hold a great deal of interest for every one. One of the events of the evening is a faculty dance, composed of Mrs. Harris, Mrs. Podmore, Mrs. Cass, Mrs. Hart, Miss Niles and Miss Schenck; Dr. Weir, (Continued on page 6)

FINALS OF MEN'S TENNIS TOURNAMENT DELAYED

The tennis tournament which was rapidly nearing an end was brought to a temporary stop last Thursday in the semi-finals when Blevins, who was playing Burchall, severely sprained his ankle and was forced to postpone the match.

This match was to be the next to the last of the tournament, with the winner playing Colville, who had recently defeated Bowers in a hard fought match, for the tennis championship of 1924-25. The players were well matched and the score was close. The first set was taken by Blevins with a 7-5 score and the second set was 1-1 when Blevins had to retire from the game. With the results and appearances of such a beginning, there is no doubt but that this match would have proved to be one of the best of the tournament. There will be no further playing in the tournament until Blevins is able to be on the court again and he will then finish the match with Burchall and the winner will take on Colville in the final struggle for the cup.

GIRLS' FIRST TRACK MEET VERY SUCCESSFUL

Freshmen made 29½ points, sophomores 15½ points. Juniors and Seniors did not enter the contest.

The first event was a 50 yard dash. Pearl Wright made 1st place, time 7:2; Gertrude Ward 2nd; Frances Howard, 3rd.

In the running high jump Freda Kuebler made first place, distance, 4:1; Gertrude Ward 2nd; and Pearl Wright and Charlotte Foster tied for 3rd.

"Unassuming yet mighty, sharp and pointed, well-rounded yet many-sided, assiduously tenacious, yet as gritty and energetic as its name implies, victorious in single combat and therefore without a peer, wonderfully attractive and extensive in circulation; all these will be found upon investigation to be among the extraordinary qualities of The Sandspur."

UNKNOWN MARUDERS SEVER RADIO WIRES

Wireless broadcasting wires connecting Lyman gymnasium with station WDBO here were purposely cut by unknown parties last Saturday night following a dance given by one of the fraternities on the campus. Marks of a sharp instrument, probably a knife, marred the insulation on either side of the break, indicating that the break had been purposely brought about by a person or persons bent upon mischief.

Said Maxwell Green, who, at present has charge of the station: "The break was not due to any accidental strain. First of all, marks of the sharp instrument used for cutting were found on either side of the break. Secondly, the wire is strong enough to support 2,200 pounds, if such a strain were placed upon it.

"Unless such useless destruction of the station's property is stopped, station WDBO will not broadcast any more programs. We suspicion no one at present, but the matter has been placed in the hands of the proper authorities, and will be thoroughly investigated. Our station is only a small one, but radio equipment is costly. We hope there will be no similar attacks on our lines in the future."

Mr. Green has every right to be angry. It is hoped that the marauders, whoever they were, will change their policies and help to boost Rollins instead of destroy her property.

HIGH SCHOOL HERALD

AMONG OUR STUDENTS

One of the seniors of whom we are very proud is David Gilbert, thoughtful, studious and musical. Dave is a good student, and a well mannered person at all times. We know Dave has a lot of work to do and we know this is why he is with us so little. Besides his high school studies he takes several subjects at Rollins just "to get ahead," he says. David has proved himself a master artist when it comes to playing a saxophone. Dave plays in the well known Fort Pitt orchestra. Taking into consideration his good grades and his outside work we might say that Dave is a "worker." He will graduate in June with us and we unite in wishing him all the success in the world, which usually comes to a "worker."

SENIOR CLASS PLAY

Just one more week of rehearsals on the play, "Grumpy." We will present James E. Keazel as "Grumpy," Ernest Upmeyer as the villain; Mary Hall, the charming heroine, and Norman Knowles, the debonair Englishman. Come and see these and the rest of the cast and live through "Grumpy" with them.

At the H. S. auditorium April 21, 8 o'clock.

"Grumpy."

Oh Shucks

The two teams were fighting in the very shadows of the goal. A sudden vicious tackle caused a fumble. Darting away from the struggling mass, one of the guards recovered the ball and dashed the entire length of the field for a touchdown. But there was no applause. The other team showed little chagrin. No bands blared, nor cheers rolled forth. "If I could only do that in a game," he said as the scrimmage ended.

Makes Autos Go 49 Miles On Gallon of Gasoline

An amazing new device has been perfected by James A. May, of 7025 Lacotah Bldg., Sioux Falls, So. Dak., that cuts down gas consumption, removes all carbon, prevents spark plug trouble and overheating. Many cars have made over 49 miles on a gallon. Any one can install it in five minutes. Mr. May wants agents and is offering to send one free to one auto owner in each locality. Write him today.

Y. W. C. A.

The Y. W. C. A. has entire charge of the food to be furnished at the Art Studio's "Purple Complex," to be given in the Lyman gymnasium tonight. A cabaret supper will be served during the evening to those who feel the pangs of hunger and have the necessary amount of change. All profits cleared will go to the Y. W. C. A. treasury. Fifteen girls are asked to volunteer their services as waitresses. They will dress in white and don purple caps which the art students are making.

NEW RULING OF SOCIAL COMMITTEE

The following resolution, passed by the Social Committee at a meeting held April twelfth, will be of interest to the students of the College:

"Men who wish to invite girls who are not students of the College to College dances, shall obtain permission from the Dean of Women to do so, and girls desiring to invite guests other than College men, to the dances shall consult the Dean of Men before sending such invitations.

Faculty members desiring to take guests to campus dances shall obtain permission from the Dean of Women or the Dean of Men to do so."

PICNIC SATURDAY

"The Lounge" was the scene of a happy picnic Saturday afternoon. For the benefit of those who don't know where "The Lounge" is—it is a few paces north of the "Family Tree." For one time there was too much food and some of it had to be hauled back to Cloverleaf. Those entertaining fond memories of this picnic and red bug bites were: Barbara Sheffield, Pamela Pryor, Fay Hall, Laura Randall, Isabel Green, Katherine Green, Jeanette Dickson, Dorothy Grey and Dora Gasten.

PHI ALPHA SHEIKS HOLD PICNIC

Thursday night when the moon was "just right" three of the Phi Alpha sheiks—in fact the three sheikiest ones—Jack Jayner, Phil Boardman and George Bowers, gave a moonlight picnic at Shaefer's Landing. (It was 'most too dark to read the "no trespassing" sign. The girl enjoying this repast were Eva Thompson, better known as Topsy; Fay Hall, alias Fairy Queen; and Lou Alice of Orangeburg, S. C., who is visiting relatives in Winter Park. After everyone had eaten sufficiently of Phil's sweetened rolls and listened long enough to Jack's sad poetry the kids paddled their way back to Cloverleaf where Eva and Fay found out to their sorrow that they were three hours late and Mrs. Hart said they couldn't go on any more (until maybe the next moonlight week).

PERSONALS

A number of the college girls motored to Hoosier Springs Wednesday afternoon where they enjoyed a steak roast. Those in the party were: Florence McKay, Katherine Lewis, Marjorie Upford, Edith Draa, Katherine Humphrey, Willard Hosack, Althea Miller, Margaret Johnson and Lucille Pipkorn.

Phi Omega gave an Easter egg hunt Thursday afternoon. Most of the party hiked down the Dinkey to the family tree. Edith received the prize for finding the largest number of eggs and Lucille received the consolation prize. After hunting eggs every one took part in a rabbit eating contest. Ask Miss Schenck for further particulars. Afterwards a wiener roast was enjoyed by all.

Ruth, Pearle and Charlotte motored to Sanford Sunday for dinner.

Freda Kuebler spent the week-end in New Smyrna.

Florence McKay motored to Sanford Friday afternoon where she spent the week-end.

JAPANESE STUDENTS TURN OTHER CHEEK

(By New Student News Service)

On Riverside Drive, New York, near Columbia University, stands the International House where 1200 students from 69 countries live. Of these students 525 represent 53 countries. Living under one roof these students from all over the world participate in the most real sort of international education.

While some of the Japanese students, embittered and disheartened by the United States exclusion law withdrew from the house others are turning the other cheek by staging three Japanese plays. With the proceeds of these plays they hope to establish a scholarship for an American student in a Japanese university. This effort is called "The Brotherhood Scholarship Fund Movement" and it is hoped that \$1,500 will be raised to send an American student to Japan for one year.
