Greetings from the UCF Libraries

We are thrilled to present you with our first e-newsletter that will provide you with monthly updates on behalf of the UCF Libraries. Our goal is to keep our friends, donors, and alumni apprised of the many exciting things taking place at the libraries. We hope you enjoy this monthly update. If you have suggestions or questions, please let us know.

Recent Acquisitions

The Library’s Special Collections department recently received a gift of two sculptures from Jon and Rosemary Masters of New York. The sculptures by Jean-Camille Nasson and Derek Webster supplement the Bryant Collection, a scholarly collection of items that support the study of the West Indies and the Caribbean. In addition, the Library recently completed the licensing to have access to the SPIE Digital Library. SPIE, The International Society for Optical Engineering, provides more than 120,000 technical papers from SPIE journals and conference proceedings, including full coverage from 1998 to the present. This resource costs the Library $32,000 per year.

Donor Spotlight

LIFE (Learning Institute for Elders) at UCF recently made a gift to the UCF Libraries in support of its endowments. This gift will enhance the collections and services provided by the UCF Libraries to all UCF students, faculty, staff, and friends. To learn more about LIFE, please visit them on-line at http://pegasus.cc.ucf.edu/~life-ucf/. On behalf of the UCF Libraries, THANK YOU for your support.
