

Hi ,

April marked a major milestone for [STARS](#) – we hit our one-millionth download!

Your support of *STARS* helped make this achievement possible. To thank you and other *STARS* authors, administrators, and partners, we are hosting a **One Million Celebration**. Join us on **Wednesday, 5/16/2018, 1:00-3:00 pm** at the **John C. Hitt Library, Rm 223**.

Please share this invitation with colleagues and project team members.

Thank you for helping STARS reach 1,000,000 downloads! We hope to see you there!
