A Note of Thanks To Our Guest Editors, Authors, Reviewers, And Readers

It takes hard work, teamwork, and dedication to produce a journal issue such as this one. To this end, we want to thank and acknowledge those who have made this special themed issue of the Tapestry journal possible.

We owe a great deal of gratitude to our team of guest editors: Drs. Martha Castaneda, Miami University of Ohio, castanme@MiamiOh.edu and W. Ian O’Byrne, University of New Haven, wiobyne@newhaven.edu. Together, they did a magnificent job in organizing and leading this special issue of the journal, which focuses on digital literacies for English Learners.

We also want to thank and acknowledge our authors, reviewers, and readers for their manuscript preparations, constructive reviews, and helpful comments and suggestions. Their collective contributions have helped raise the quality and worth of the Tapestry journal.
