Men's RA Is Suspended

Wadsworth Asks Hearing; Administrators Ad Mit

By Tim Tumlin

In his own admission, Kevin Wadsworth, a resident advisor at FTU, breached two rules governing the activities of students residing in the dormitories. Wadsworth's powers and authority as a resident advisor have been suspended. It isn't clear, though, even to Wadsworth, what is going to happen to him now or even what procedures will be involved in any consideration of the cases.

In an interview, Wadsworth stated that he has not been allowed to see the charges against him. He also said that Dean of Men William L. Proctor has written him a letter asking for his resignation, but Wadsworth has refused to resign for two reasons. First, he wants to explain his position to the hearing that will be held on the case, and second, he believes that the administration will be forced to define the role of a resident advisor. Wadsworth said that there has always been a conflict of philosophy between himself and his superiors concerning his position. He feels that the advisor's role is one of advice and counsel to the students who request it, but he said that the administration feels that the RA's should enforce the rules and regulations in the dormitories. "If an advisor should be an administrator then he shouldn't be a student," adds Wadsworth.

Apparently it was this philosophy that caused the troubles he is in now. According to Wadsworth, he counsels many dorm residents on problems they encounter. "Almost all the problems I hear to do with either parents, drugs, or alcohol." One night a girl came to him with a problem and started crying during the conversation. She asked for a drink, and Wadsworth gave her one. It would have been all right if she had been over 21, if they were not on campus, and if it did not occur past midnight. But none of this was the case, and now Wadsworth has found himself in a precarious situation.

He has reasoned that one of three things could happen to him: 1) he will not be allowed to hold any position at FTU; 2) he will retain his present position, a prospect that he finds unlikely, or 3) he will hold another job at FTU. He said that the matter will rest with the Grievance Committee for FTU employees.

According to Dean Proctor, all disciplinary or occupational actions taken against him will be mailed out and appealed to the office of Student Affairs. According to James Gray, employment manager in the personnel department, there is no grievance.
not enthusiastic manner by the able to see and to participate in Technological "firsts" here at Florida Technological University, not the least of which was our first Homecoming. The activities I was able to see and to participate in were carried out in a most enthusiastic manner by the students. The extra effort expended by the wrestling and basketball teams and the cheerleaders and the fine sportmanship displayed by the teams, the coaches, and all the students at the match Friday night and the game Saturday night are to be highly commended. I was very proud of all of you. This kind of spirit is helping to build a great university. We aren't there yet, but with the enthusiasm I saw Saturday night at the basketball game, I know we will make our goal.

Educationally Speaking

By Linda Singer

Ski-OFF! One of our own professors in Education, Dr. Douglas Brandon was an honored guest at the Apollo 11 Homecoming. He attended a special briefing and viewed the launch from the huge Vehicle Assembly Building.

Author! Author! Dr. Wentworth Clark of the Social Sciences department has written and recently published a book called "Priorities for the 70's - Pollution." It is an inquiry-oriented text which will be used by graduate students at FTU as a model for the development of high school materials.

Conference at Last Saturday, Phi Lambda Lambda held a FBLA Leadership Conference at FTU. Dr. Ernest Miller and many interested (and hard-working) business education students hosted the District 4 Chapter which included local high school and community college chapters in a variety of skills and public speaking events.

New IG Senator: The College of Education is pleased to announce the appointment of Dennis Keefer as the new sophomore Senator in Student Government. Mr. Keefer is a sophomore education major in history and social science. A graduate of Colonial High School, he is 10 years old and is past-president of the Young Republicans Club. Any sophomores that have problems, suggestions, or questions, please contact Dennis—he's there to work for you.

Nordby's World

No, I don't know a six letter word for apathetic and what more, I could care less.

Letters To The Editor

Not 'Only' Trend

Dear Editor:

Re: Mr. Goolsby's letter in last week's PFTU concerning IG distribution of Homecoming information.

SG is indeed sorry for the mistake which caused Mr. Goolsby's frustration. It was an unfortunate error but one which can be understood, we think, in view of the fact that letters had to be sent (in a hurry) to every student in the university - not exactly an easy task.

However, of more concern to those of us in SG was the writer's reference to SG's only observable trend "this year." The correct word here, we feel, would be "observed." Before becoming active in Student Government we were as unaware as Mr. Goolsby of what SG really does. We could now, however, discuss at length the various activities in which we are involved - activities such as the entire Homecoming program, the approaching Lettermen concert, the Lake Claire project, fund appropriations to campus organizations; not to mention procedural policies and precedents to be established.

The problem is, in a word, communication. Not enough students are involved or interested to find out what their representatives are doing. So many Senate meetings are open; we invite and encourage those who are interested to attend and contribute their suggestions and criticisms.

Sincerely,

Senators David Boozler and Dennis Keefer

Security Thanked

Dear Editor:

I would like to take this opportunity to openly express my appreciation for the cooperation and assistance offered to me by John Smith and FTU's Security Department. All the security officers with whom I associated did a most commendable job in helping me locate and reach a person in need of assistance.

Thank you,

John L. Wilson
Governor, College of Business

Greek Homecoming

Dear Editor:

If nothing else can be said about Homecoming, it can be said that it was almost one hundred per cent Greek. The independents have been heard and screaming that the university has been taken over by the Greek system. The truth of the matter is if the independents want any kind of strong force on campus they'll have to come up to the plate and do something about it. The skills presented on Friday night had three offerings, all from Greek organizations. Surely some of the active non-Greek groups on campus, if there are any, could have participated in this activity without any problem. The activity could have been dominated by the all-mighty Greeks. If the independents want to be a part of this campus, they are going to have to fight for it. Fred Kahn

CAMPUS GLANCES

FOLK FESTIVAL

The FPTU Village Center will sponsor a folk festival on Friday, April 2 on campus. The festival will feature local folk talent.

TENDLIM SWINGS

The pendulum in the Engineering Building is back in the swing again after a long rest. It seems that electrical components that drive it failed, but the California-based firm that supplied the machinery also provided a repairman and extra parts free of charge. The greatest feature of the Grand Opening is students hitting the cable and damaging the drive mechanism or breaking the glass enclosure.

Future

FREEZE-DRIED
Opening night for the FTU Village Players is February 24, when the theatre group will present "The Madwoman of Chaillot," a 1950s French play by Michel Tournier, and produced by students with faculty assistance from Dr. Brehm and Smith, who previously have been responsible for those administrative positions.

Regardless of the outcome of the election, the four one-seaters promised, change of administration, or combination, every evening for that, according to Dr. May, anyone wishing to use all night will have to attend the theatre at least two nights. Another student pointed out by Dr. May is that the audience may return to see the same play again and will probably find it different due to the different actors who play the student directors are bound to encounter.

The plays to be presented are "A Shifty Fellow," presented at the first showing and written by Harold Pinter, "you don't feel like work," a play taken from a naturalistic beginning to a frightening and unbelievable ending, "Special Lighting," "Anita Del Campo" written by Joe Pern as a "defiant" attitude towards program was instituted five years ago.

Drugs ruined three of his marriages, on and never stopped that either. McCoy is a convicted murderer by Florida State Prison.

One student is welcome to join the team.

The players will be performed to a sold-out audience at the Theatre and directed by Teresa Ramos; "The Last Intake" is this Wednesday, February 24, at 8 P.M., reserved seating.

"The Last Intake" is directed by Teresa Ramos, "The Last Intake" is directed by Teresa Ramos, "The Last Intake" is directed by Teresa Ramos.

Other plays that will be seen are "The Most Unusual Play," written and directed by Dr. Mays, and "Riders to the Rescue" played by Deborah Ford, written by Terri Freeman, "The Secret Story," directed by Ralph Mills. All the plays will be directed by Mr. Krabill as the Technical Director.

Care For A Room? Follow Guidelines

Student organizations are requested to follow certain guidelines. Requests for a meeting or event. The guidelines for the Student Union, Student Affairs, and Administration Planning.

Students should submit a "Request Form" to the Village Center, Student Affairs, and Administration Planning. The reservation request will be handled by the front desk of the Village Center, Student Affairs, and Administration Planning.

Meetings of student organizations will be conducted by the College's Engineering Building from this time on for maintenance and security reasons.

FTU Forensics Team
Gaining A Reputation

FTU is beginning to make itself known to people outside the state of Florida. Due to the travels of the Forensics Team, FTU is establishing a fine reputation. Dr. Raymond Buchanan, coach of FTU's first Forensics Team, says "In our travels we have come in contact with over 100 colleges and universities. They (members of the team) are fine debaters, fine people, creating a good image for FTU.

The Knights will travel this weekend to Mobile, Alabama, to participate in the Spring Hill College Forensics Tournament.

"I want these people to have a lot of recognition for all the effort they've put in," Dr. Buchanan said of his team. "They are fantastic people... they have left some tremendous impressions." The coach was highly complimentary about the members on the team.

Any student is welcome to join the team.

Another Version Of: "Empperor's New Clothes"

by Grace Kohrer

"It's emphatically hot!"

"I mean, sensitive, creative men are frustrated... they envy the ability of the woman."

"I will see the whole 20th century in one canvas!"

"You can see, he's seeking oblivion... the blues of the womb... you can see he is trying to escape."

"You know what I get out of all of that... This shallowness, weakness, vulgarity of man... eliminating in the mind the ancestral..."

"It's frighteningly organic."

"There's a touch of Salvador Dali there."

"You know, they're gross in their grossness... you can see the physiology... the distortions of the anatomy."

"They all Ly... They convey a mystical haunting..."

"I get the internal thing, but what is he all caught up with the intemal track?"

The cause of all the comment is the Gary Downing exhibit now on display in the Library Building. The exhibit is composed of several arresting paintings, and a combination of xerographic and photographic works. Paintings number one through 20, 22, and 20 wishes the most comment. They appear to be the most controversial in regard to the works. Paintings are physically large and emotionally impressive. They are... they are... they are..."...

"Those paintings scream with violent affect."

"There's an enemy factor or something at the top of that one... that's not a potato peel... Can you see it?"

"I just don't know... I'm not artistic, I like these, I think they're nice..."

"Job Opportunities in Foreign Languages was the topic discussed by John DePiero at a meeting of the International last February 11th in the Administration Building. DePiero described the job opportunities in the United States arising out of the examples of some governmental interpreters earning as much as $924,000 yearly.

DePiero said that five languages are required for a job as an interpreter at the United Nations. He emphasized to his audience that 30 students who not only are knowledgeable in the language, but equally important is knowing about the country's government and customs.

February 25: the "Bourgeois Miss Florida Makes A Visit" Miss Florida, Lisa Leonor Donovon, will be a visitor to FTU.

Miss Florida, after helping to open the 1971 Central Florida Fair at Exposition Park, will come to campus to meet with students, faculty, and staff.

She will probably arrive on campus between 2 and 3 p.m. and will tour the Village Center and other campus facilities as long as her schedule permits.

Miss Florida visited Miss Florida 1970 in June during state finals held in Orlando. During her visit she had the opportunity to visit Miss Americas Pagant in Atlantic City this past September, she won one of the talent preliminaries for singing "Fooling Around" from the stage production, "The Roar of the Grease Paint, The Smell of the Crowd." She was also selected as one of the ten pageant finalists.

When your turn, Miss Florida is completed, Lisa plans to finish her education in drama and music and then to pursue a career on the stage.

FTU Lifters Lose Title In State Championship

The University of Florida edged the FTU Weightlifting Club by one point in the state collegiate championships Sunday to take the state title from VT. The meet was held in Gainesville.

For FTU, Farrel Byrd broke the collegiate snatch, clean and jerk, and total lift records in the 132 pound class which he previously held.

Harvey Newton broke all the collegiate records for the 212 pound class, which he also held. Mike Stone broke the collegiate record for the super-heavyweight class and continues to hold the other three lift records.

In addition to the above, VT had four champions: Bob Faureau, FTU, 132 class, 165 snatch; Harvey Newton, FTU, 132 class, 165 jerk; Mike Stone, FTU, super-heavyweight, 220 clean and jerk; and Lonnie Chi Alpha of FTU, 132 class, 165 clean and jerk.

The U.S. Marine Corps Officer Candidate School continues to hold the other three records.

FTU's Don Mathis goes for the ball with a FTU Wren in Saturday night's homecoming battle. 1,700 packed Oviedo high gym to watch FTU down FIT, 101-75. FTU saved its name and honor after previously losing to FIT by 17 points in Melbourne. (Photo by Chuck Seithal).

In the overall competition, Bill Denton of FTU took third in the 132 class, Byrd first in the 132 class; Kevin Schum second in 148 class and Byrd third in the 156 class. Farrel Byrd upped his records to snatch 165 (previously 160), clean & jerk 230 (previously 225), and total lift 450 (previously 450). He did not break his previous 220 press record.

PAE Downs TKE In Tournament

PAE Fraternity defeated TKE Fraternity by a score of 36-33 to take the championship in the TKE Basketball Tournament at Orlando Junior College's gym last Sunday night. Knight statistics were: Valencia Junior College and six first place, 24 points in the championship game. Ed Banks led TKE with 17 points. In the preliminary game X Fraternity defeated SSX Fraternity for third place.

State Champs Take Tech Grapplers Home Tonight

By Mike Crites

Miami-Dade North Junior College, the reigning Florida state champions for the past four years, defeated FIT by a score of 29-35 last Friday at FTU. The highlight of the match was Roman Straw's 6-0 decision over Art Lewis in the Heavyweight division.

FIT opened to a 22-15 lead with forfeited victories in the 118-lb. and 126-lb. categories. Miami-Dade picked up points in the 134-lb. division with R. Bourgeois' 17-2 decision over Norton and Miami-Dade pinned Jim Weaver for third in the 185-lb. category. In the first period of the match, Jarmo scored a takedown to lead 9-7. Jarmo increased his lead to 6-3 in the second period with two points due to technical violation and two points on two escapes. Kinnunen scored his three points due to technical violations by Jarmo on two occasions. Jarmo led 8-4 when Maust came from behind to tie the match at one point and for the drive, to keep the Knights in front, 12-10.

State champion Dan Matson of Miami-Dade pinned Jim Weaver with 3:54 gone in the second period in the 185-lb. match to give Miami-Dade a 15-12 lead, which they never relinquished. Two consecutive decisions by the visitors widened the margin to 21-12.

In the 195-lb. category, during the 1971 Miami Open, the strain and pain of it all is shown on the faces of FTU and Miami Dade grapplers who were battling on the big mat in the Multi-purpose Room during a Homecoming match. (Photo by Jon Findell).
WEEKLY INTRAMURAL INDEX

By Larry Mccorkle

Men's Intramural soccer "kicks" off this coming Tuesday, February 19, when games will be played Monday through Thursday every week until the season ends.

The games will take place at 8:30 p.m. with no timeouts except for serious injuries or in case of misconduct of a team member. No soccer or any sliced shoes can be worn.

There will be six players, if a player is delayed due to unsportsmanlike conduct, he will not be considered to be on the same team. The penalty rule in hockey except P.E.T.'s applies for the entire game. Legal substitutions will be allowed when the ball is out of play.

Tuesday is the entry deadline. Games will be played Monday through Thursday every week until the season ends.

The Cord Bowling Tournament will be played Tuesday, February 19, at Colonial Lanes. Entry deadlines are 2:30 p.m. on the days the games will be played. The Intramural Department will award trophies to the winning team in each division. The winning team will be invited to the next division of the Campus Wide Lanes.

The Co-ed Intramural League will be played Tuesday, February 19, at Colonial Lanes. Entry deadlines are 2:30 p.m. on the days the games will be played. The Intramural Department will award trophies to the winning team in each division. The winning team will be invited to the next division of the Campus Wide Lanes.

Known Results:

Roadrunners over PAE II - forfeit
Facility Staff over God's Children 50-22
Unknowns over CUC 54-43
B's Bombers over TKE II - forfeit
CA's Faculty Staff over PAE II - forfeit
God's Children over PAE II - forfeit
Unknowns over Colonial E 49-17
Roadrunners over Colonial K 46-21

Upcoming Games:

PAE II over SX - 32-31
TKE over SX - 44-22
TKE over SX - 44-22

ftU Goldlogo takes batting practice. This year's team plans to take on Rollins among other schools. ftU's first half game is next weekend against Florida Bible College in Miami. ftU will play 26 games this season.

SPORTS SHORTS

ftU's Goldlogo, led by Terry Hunter, needs some support when they take their season to Winter Haven to compete in the All Florida Collegiate Golf Tournament February 18-20. Saturday will be an excellent day for students to support Hunter's team, at the Willow Brook Golf Course in Winter Haven. The tournament includes University of Florida, Rollins College, and the All Florida Collegiate Golf Tour.

ftU challenged the No. 1 small college team in the United States, Rollins College, at the Royal D. Scott Course in Winter Haven. Sunday's final round consisted of St. John's, Rollins College, and the All Florida Collegiate Golf Tour.

The starting lineup against their first game of the season with Florida Bible College will be Owen Moorehead, catcher, Allen Tuttle, first base, Danny Odom, second base, Tim Collins, short stop, Steve Wilson, Ken Shick, Tony Montes, high, Paul Sutterby, and Dennis Argo will be on hand as starters.

A back-up team has also been selected to believe the players at any time during a game. This relief crew is made up of Todd Smith, catcher, Jim Gracey, second base; and short stop, Bob Odom, third base; and short stop, Bob Odom, third base.

Other back-up men include: Bruce Brown, Frank Donato, Mike Town, Steve Ware, Joe Tibbott and Fred Pugh.

The ftU Goldlogo will play a total of 16 games this season, 13 of them at home and 3 away, according to baseball coach, Jack Pantelias, transportation costs must be paid by the team and away games are not considered extensions of the season. The team has four days of practice before the season starts. The time will be spent completely rest in playing and batting practice, as well as in instruction and coaching. The baseball field practice field at Union Park Junior High.

Of the 44 individuals that came out for the first day of practice December 12, very few were cut. Pantelias said that all that came out have great potential to be a future baseball team.

"The only reason anyone that played at this stage is that players do not know fellow team members well enough to work as a team," Pantelias said. "That's what we are working on this practice day." He is confident that the team can play if they are problems that plague them now will be ironed out before their February 16-27 trip to Ft. Lauderdale, Florida Bible College. The game starts at 7:30 p.m. and will be played in Miami.

Florida Bible College in Miami. ftU will play 26 games this season.
Many Faiths Come Together

Abraham Lincoln once said he would join a church with only two commandments: “You shall love the Lord your God with all your heart, soul and might,” and “You shall love your neighbor as yourself.” He never found one.

But a vibrant FTU student named Mrs. Helen Camfield is building Lincoln’s church in Jerusalem and it consists of four tents. Her number of Kappa Sigma, was elected Sir such internal conflict. Blonde Patty Gray, in a baby-blue formal with Lancelot, was Jeffrey Chernega Knight, Director of Registration at the University of Florida in San Francisco on March 13-12. He said that the 1971 Grandfathers are better than last year’s edition that finished their Florida. During the recent Christmas vacation, the Colonial debate team finished second to Beverly Hills, California, in a national tournament in Miami.

Craig Crawford of Memorial Junior High School in Orlando became the first junior high student ever to win a district competition with a victory in Original Oratory. Colonial’s Bert Hoffman and Peggy Unlander tied for second place and the right to compete in the state tournament.

Kathy Vaughan of Winter Park High School won the Interpretation competition and will be joined at the state tournament by runner-up Franklin High School.

In Girl’s Extemporaneous Speaking the winner was Nancy Swyngert of Colonial, and second place was taken by Debie Swift of Evans. Edgewater High School’s Bruce Natsa was victorious in Boys Extemporaneous Speaking leading Colonial’s Ed Boyle.

The awards ceremony was not enthusiastic due to a 20 minute delay that made the tournament last from 5 pm to 10:40 pm. The administrative planning committee arbitrarily assigned classrooms for the speaking, some of which were untenable for debate, such as laboratories. Dumas explained that he choose alternate classrooms for the debate, some of which had chaos in them. The entire situation was confusing to the students participating and a delay resulted until suitable classrooms were found.

Mrs. Camfield and friends. These are people who had much to do with Mrs. Camfield’s success at FTU. They are, seated, Robert Ross, Cynthia Carter, Sherry Shorter, Mrs. Camfield, Blenda Wagner, Linda Lowe, Standing, Weber Ivy, Lawrence Wyatt, Charles Unkovic, Robert Umphrey, Steven Levensohn and William Der. (Photo by Bruce Mayer).

H.S. Debate Tournney Hosted by FTU Team

Colonial High School swept to a victory in the Florida Forensic Debate Tournament at FTU Tuesday night. The tournament was sponsored by the FTU Forensics Team and the Department of Communication.

Colonial won the district most for a school in a year, compiling a 6-0 record. Evans High School finished second, with a 4-2 record followed by Boone High School, 3-3. Bill Dumas, assistant coach of FTU’s team, commented that Colonial has an excellent chance to win the state debate tournament at the University of South Florida in Tampa on March 13-12. He said that the 1971 Grandfathers are better than last year’s edition that finished their Florida. During the recent Christmas vacation, the Colonial debate team finished second to Beverly Hills, California, in a national tournament in Miami.

According to Jo Anne, Open Prep would also like to participate in the program. "Your organization representing all junior college students in this area. If any Senator is interested, contact Jim Springer for information or write to Second Movement. The second movement, Ascend, contains a lyric melody in cello over a persistent piano harmony. The final allegro contains some fine technical work in a mocking mood which gives way to a broad, effective melody.

The second selection, Manuel de Falla’s "La Tomar" was then rejoined by Dr. Sarakatsannis to play, as an accompaniment to a program of Richard Strauss, for Unaccompanied Cello, which is marked “Turkish” and is again filled with rapid double-stops and arpeggios. After his brillian performance, Sarakatsannis was accorded the second of three standing ovations given during the course of the evening. Pianist was then engaged by Dr. Sarakatsannis to play, as an encore, a delightful Rondo by Schubert. The piano and cello interchange melodies in this classical work, which is marked by spicy chromaticism and many runs, typical of the roocoar style.
Bill 364, the bill dealing with the approval of appropriations by the Senate, was reconsidered and passed out west. The bill passed unanimously with three abstentions.

This was a sound judgment by the Senate. The reason that the resolution passed in the first place was that they really didn't understand the bill. If the senate had been more informed on the purpose of the bill it wouldn't have been passed in the first place.

There was a three way debate over the appropriations of funds for the Young Republicans Club. The University makes six loves if you Mar. 26... Registration for a avid sportsman, he plays on the Mar. 29...

I have personally read this bill and I don't see anything that would be considered objectionable. Comparing this bill with others from different colleges, FTU's is actually conservative. I hope that this bill will get through because we have some written rights.

Congratulations to the following people who joined the ranks of Student Government leaders Mike Millard, Governor General Studies; Jim Fortune, Junior-Junior General Studies; Gene Jacobs, Junior Natural Sciences, Safety and Junior Education; Bob Frost, Freshman Business; Dennis Kowalski, Sophomore Education; Bob Shaker, Junior Business; Alan Tschirgi, Sophomore Finance.

delays. It left viewers with the impression that PAN doesn't like "OAT" or their branches either. It was a "real show" start including Mike Malone, Jack Stack, Bob Richland, David Jones, and seniors. Sigma Chi's skit, which caused the cancellation of padding. It is also good news.

The skits themselves were good and well thought out. A skit called "On a Trip to Planet of Stupid Affairs," was about the Demo-Rep rally, and showed real harmony between Democrats and Republicans. K. T. Washburne then led the audience with these words of wisdom: "He who eats a lot, runs fast." The stars: Melissa Hardman, athletes of Kansas, and also portrayed a gang Mar. 4... Freshman in three... Homecoming Skits

Killed By Apathy

By Bob

Apathy was the word of the day for the Student Government skit which had Friday. Only an uninspiring TS-80 people showed up for the first rehearsal. One of the members of the SA, Tom Milarch, said that the skit was "disappointing." We then congratulated, "Thanks for student apathy, without which this skit would never have been performed." There were seven skits approved, yet only one was a skit that the stars: Melissa Hardman, Bebe Smitl, Mary Lou Rajchel; Pam Curry.
