NEWS YOU CAN USE FROM YOUR UCF LIBRARIES

"It's like searching the library with Google."

"OneSearch is a gift from the gods!"
UCF Undergraduate Student

Have you used OneSearch?

OneSearch, funded by the Student Technology fee, has been giving UCF students a faster start to research since Fall 2012.

With OneSearch, a student does not need to know which database to search. Terms entered into the single search box at library.ucf.edu are automatically searched across most of the Libraries' rich resources, returning a list of hits with the most relevant at the top. Students will save time and avoid the frustration of dead end searches in the wrong database.

Try it now at library.ucf.edu
For additional information, please contact Ask A Librarian at 407-823-2562

"I really like starting out with a single search for articles and books. I like that OneSearch searches across the databases for me."

NEW CARD DISPENSER FOR GUESTS

Guests (who don't have a UCF ID Card) may purchase a copy card from the *new card dispenser*, next to the library entrance on the 2nd floor. Please note that the card costs \$1.00 with no value. Value must be added to the card after purchase. To add funds, continue to use the two "Loaders" near the Research Assistance & Information Desk, the same ones used to add money to a UCF card.

Remember, the copiers also take cash, but printing at the library **requires** a UCF ID or copy card.
