Spotlight on Rosen Library Staff: Dynamic Duo in Hospitality & Library Service

The Rosen Library is proud to highlight two of our staff members, who take very seriously the mission of our library: superior patron service. From a large nationwide pool of applicants, Rowena Beredo and TJ Ormseth were selected as Senior Library Technical Assistants. With their work experience in the hospitality industry combined with their library service, they were a natural choice to fill these important positions.

Born and raised in the Philippines, Rowena moved to Florida with her family in 1993. She brings with her hospitality experience as a travel agent specializing as a hotel/air coordinator of large student groups. One of her most memorable experiences was spending three months at sea, as a tour rep on various cruise lines. She comes to us from Valencia Community College Library, where she served as Staff Assistant in Circulation, patron computer troubleshooter and in other library departments. At the Rosen Library, Rowena's main responsibility is to coordinate Circulation.

The Rosen Library is fortunate to have on staff Rowena Beredo & TJ Ormseth, who know the hospitality industry first hand in addition to having years of experience in the smooth operation of libraries. Stop by today to find out how they can put their knowledge to work for you!

We welcome TJ Ormseth as coordinator of Interlibrary Loan and Periodicals at Rosen library. Born in Chicago and raised in South Dakota, she served the last four years as a Senior Library Technician in the Serials Department of the University of Baltimore Library. As the first person in her family to attend college, TJ received her undergrad degree in General Studies from the University of Nebraska and a Master's in Legal and Ethical Studies from the University of Baltimore. Selected for her hospitality industry background as well, TJ is proud of the fact that in late 1980's she was promoted as the only woman Florida manager of both, Steak & Ale and Applebees' restaurants.
