Your UCF Smart Card: Your Key to the Library!

The **UCF ID Card** is required by the **UCF Libraries** for faculty, students, and staff to print, as well as to check-out library materials, including books, videos, CDs, DVDs, and headphones. The card has your library card number printed on its front, and the smart chip can store money to use for printing or photocopying (10¢/page). The Rosen Library is a cash-free facility but has a cash-to-chip machine near the front desk which accepts \$1, \$5, \$10, and \$20 dollar denominations to add value to the card. For more information about the UCF Card, see:

<http://www.ucfcard.ucf.edu>

Occasionally, the UCF Card Office comes to the Rosen campus to issue cards; check with Student Services for more information.

NOW ON DISPLAY:

DICK POPE: FATHER OF FLORIDA TOURISM

Dick Pope and his wife Julie opened the very first theme park in Florida on January 2, 1936—over seventy years ago. The self-described ‘Salesman of Sunny Florida’ carved a lakeside garden out of a swamp during the Great Depression. By 1938, Cypress Gardens had over 8,000 varieties of tropical and subtropical plants from all over the world, and electric boats that toured the carefully landscaped park on the shores of Lake Eloise.

Over time, Pope’s publicity talents helped to build central Florida into the tourism mecca it is today.

To learn more about Dick Pope, and to view photographs and artifacts related to his life and legacy, come see the full display in the Library. The exhibit is scheduled to run through the middle of December.

“All good books have one thing in common—they are truer than if they had really happened.”
