Hope to see you in the library soon!

## Due to Popular Demand...

Over the summer break, we:

- ... added 10 more computers to the library. Hooray!
- ... opened up our instruction room in order to provide additional group study space. Come check it out!

## Horovitz Family Foundation Gift

Please join us in thanking Dr. Jeffrey Horovitz and the Horovitz Family Foundation for a generous \$3000 gift to the Rosen Library!

The gift is being used towards the purchase of books and DVDs in a wide variety of hospitality subject areas. As the materials arrive, they will be featured in the New Books area, in the center of the library near the printer.

# THANK YOU!

## Restaurant Ownership Made Easy: A Focus on Four Fast Franchises

Have you ever wanted to own a restaurant but were afraid to go it alone? Buying a franchise restaurant can take a lot of the work and worry out of entrepreneurship.

Our Fall exhibit compares four up-and-coming restaurant franchises. Three of these — N.Y.P.D. Pizza, Five Guys Burgers, and Panera Bread — have made *Franchise Times* magazine's list of "Fast 55" successful companies experiencing speedy growth. The fourth, uFood, is a brand new "healthy fast-food" concept.

Come see our display in the library, now through December, to learn more about these and other "fast" restaurant franchises.

## Sometimes It /s Easy Being Green!

We are pleased to announce that **Check It Out**, Rosen Library's newsletter, will now be published only in electronic form. Publishing online saves paper and ink costs and contributes to the University's ongoing mission to be more environmentally responsible. And if you're like most folks, chances are you've been reading **Check It Out** online for a long time anyway.

You can always catch the current issue (and previous ones, too) on our website by clicking on the *Library News* link. (And if you really miss the "dead tree" version, you can always print it out the PDF from this page!) While you're there, be sure to check out the recent posts to the always environmentally-friendly **Rosen Library Blog!**
