Feliz Ano Novo! Gott Nytt År! Bonne Année!
Shanah Tova! Happy New Year!

Greetings, Rosen students, faculty and staff! As another year begins, we in the Universal Orlando Foundation Library look forward to making new acquaintances and welcoming back our old friends. After you've settled in, please take a few minutes to stop by and say hello to all of us in the Library. We'll be happy to activate your ID card to get your library privileges rolling. While you're there, check out the wealth of resources and services we have to offer. See what's new! Whether you're in search of research assistance, a laptop to borrow, a quiet study spot, or just a book to read, remember one thing: We're here for YOU! In any language, best wishes for a successful year!

Now on Display... 'Inside the World of Celebrity Chefs'

For the next couple of months, the Universal Orlando Foundation Library will feature an exhibit devoted to celebrity chefs and their cookbooks.

Though all of us at Rosen College often point out to visitors that our course of study here is decidedly **not** culinary, the ascendancy of the celebrity chef restaurateurs and their food is inescapable, not only on TV, but as a part of Orlando's colorful culinary landscape. In this quadrant of the City Beautiful, we have the fine examples of Norman's (Chef Norm Van Aken) Restaurant at the Ritz Carlton, Chef Todd English's Blue Zoo at Walt Disney World, and two dining establishments founded by Food Network superstar Emeril Lagasse just up the street at Universal Orlando.

Vote for Your Favorite Chef!

Who's your favorite - Rachael or Giada? Bobby or Tyler? The Lady & Sons' Paula Deen or the Barefoot Contessa? Join the fun and vote for your favorite celebrity chef! Between now and Valentine's Day, we'll have ballots available near our Library's display cases. As they used to say in Chicago, "Vote early and vote often!" Watch for the results on our Library webpage on February 14.

A library, to modify the famous metaphor of Socrates, should be the delivery room for the birth of ideas—a place where history comes to life.
