Snackbar Prices Drop

Increased snackbar prices were rolled back as a result of President Nixon's June 13 price freeze.

Student Government President Lee Constantine and Vice President Hunter Potts called attention to the increased prices and James K. Eller, director of auxiliary services, compiled by rolling back the prices. However, Eller said, as soon as the freeze is over, increases in price can be expected.

The snackbar will be closed starting Aug. 1 for remodeling. The new snackbar will have carpeted floors, a separate room for FTU's pinball machines and subdued lighting.

A permanent wall will be built on the west side of the snackbar, creating a corridor leading to the multi-purpose room. Walls in the snackbar will be paneled and beer taps will replace the potato chip display.

Remodeling will be completed by the beginning of fall quarter.

FTU-FAU Offer Doctorate

By Jose Rodriguez

BECAUSE of a statewide moratorium placed by the Board of Regents (BOR) on the development of new graduate programs, this cooperative agreement will make available to qualified students a course of study at the doctoral level at FTU at the earliest possible date.

The doctor of education degree program will make it possible for the student to obtain a doctorate in education while allowing them to remain in the vicinity.

The doctorate degree program will make available to the student the opportunity to pursue a doctorate in education while allowing them to remain in the vicinity.

THE REQUIREMENTS for admission are: (1) A master's degree from an accredited university; (2) A grade point average of 3.25 or better on all post-baccalaureate work; (3) Combined verbal and math score on the Graduate Record Examination (G.R.E.) of 1000 on the appropriate advanced section of the G.R.E. and (4) Three years teaching experience.

Dr. Kenneth M. Michels, vice president for academic affairs at Florida Atlantic said, "The new joint doctoral degree program marks a milestone in the history of the State University System."

"The concept of shared resources among sister institutions has long been a goal of the Board of Regents," he added.

Dr. Leslie L. Ellis, dean of research and graduate studies at FTU said, "The students' program in the cooperative arrangement will be the same as in the regular FAU campus degree."

Dr. Nannette McLain, coordinator for advanced studies for the College of Education said, "This is the first step in the right direction."

Gas Crisis Hits FTU

By Michael Loehrbridge

Gasoline may be difficult to get in the quantity needed at FTU if the proposed purchasing contract with Standard Oil Co. is officially implemented by the State University System (SUS).

The contract states the maximum amount of gasoline available for FTU is 17,000 gallons. The invitation bid for FTU was for 23,500 gallons.

FTU will be able to buy only 74 per cent of its estimated gasoline requirements for 1974 fiscal year if the contract is put into effect, said Leslie M. Gross, director of purchasing.

All campus vehicles, including security automobiles, will be affected by the shortage.

Standard Oil, last year's supplier, was the only company among 19 to respond to the recent bid invitation by the Board of Regents on behalf of the SUS.

'Earnest' Is Earnest?

By Lea Ward

Oscar Wilde wrote a social commentary as much as he wrote a play when he gave his characters such lines as "...washing one's clean linen in public."

The comedy provides an evening of giggles and laughs with some social commentary hiding in the shrubbery. The most enjoyable performance is by Teri Roberts, as Cecily Cardew, a country maiden who has engaged herself to the soundrel Earnest Worthing. Some fine character performances are by Steve Wightman as the Rev. Canon Chasuble and Doug Emerson as the too-broad and obnoxious butler Merriman. William Griffith plays Earnest Worthing. His performance lends humor to the comedy without being too cute.

Randy Fountain's performances as Worthing's onetime friend and brother becomes more believable as the production progresses. Designer Rich Belcher does an extraordinary job of converting the auditorium into two period sets. The play is produced by Dr. Shay.

THE IMPERENCE OF BEING EARNEST will play today and tomorrow at 8:30 p.m. in the Science Auditorium. Admission is 25 cents.
