Hello, Nanoscience Faculty,

I am Sandy Avila, the Interim Science Librarian and new Library Liaison to the NanoScience Technology Center. I look forward to working with you and your Library Liaison, Dr. Rajaraman, to order new books to support the NanoScience Technology Center's teaching and research.

I also look forward to providing library research consultations and instruction classes to nanoscience students.

Please feel free to contact me to let me know how I can be of service to you.

Here are quick links to some of UCF Libraries resources and services:

Browse Nanoscience databases: http://guides.ucf.edu/az.php?q=nanotechnology

Schedule a research consultation: http://library.ucf.edu/help/schedule-an-appointment/

Schedule a library instruction class: http://library.ucf.edu/services/instruction/

Scholarly Communication Services: http://library.ucf.edu/about/departments/scholarly-communication/

Ask Us! (contact for online help with quick questions): http://library.ucf.edu/ask/

Borrowing/Interlibrary Loan: http://library.ucf.edu/services/borrowing-from-other-libraries/

Browse the Libraries' online catalog: https://ucf.catalog.fcla.edu/cf.jsp?t1=&k1=kw&avli=&ADV=S

Nanoscience News...

Nanocrystal night-vision specs will let you see in infrared

Date: December 15, 2016

Summary:
Ultra thin nanocrystal films convert infrared into visible light– and could be incorporated into standard glasses
