

TEACHING ONLINE PEDAGOGICAL REPOSITORY

TOPR Peer Review Submission Feedback Form

Q1: Proposal Submission Number: _____

Q2: Review Criterion

(If *Developing* or *Absent* is selected, please provide feedback in the comments section below.)

Criteria	Present (3)	Developing (2)	Absent (1)
Title: The title provides sufficient details about the practice/strategy.			
Description of Strategy: The strategy presented is impactful, replicable, anchored to professional literature, and connected to other practices.			
Usefulness of Strategy: There is substantial detail to the usefulness of the strategy.			
Application of Strategy: Provide details & background about how the strategy can be applied in other courses.			
Provides examples or artifacts of the strategy: Depict the strategy from actual courses and explain your idea in practice. (Example artifacts could be either existing external links or documents, images, videos, audio, screencasts, or other files uploaded into the repository.)			
Provides Scholarly References: Draws/Provide from scholarly references.			

Q3: Please share additional comments and justification for the above ratings. Although not directly shared with the authors, these comments will influence recommendations provided by the editors to the authors.

Q4: Based on the evaluation above, please recommend a final decision:

- Accept this entry with no revisions or minor revisions.
- Encourage major revisions before entry can be considered.
- Reject this entry.
